The Cupertino Symphonic Band (CSB) provides free concerts throughout the year in Cupertino, Sunnyvale, and other south bay area communities.

Our goals are to foster the musical talent and education of its members, encourage youth to learn and play musical instruments, and provide quality musical entertainment to the community.

CSB performances allow the entire community to listen and enjoy all types of live music. The concerts also allow the children in the community to see all the different wind and percussion instruments up close. This in turn may spark interests in youth to begin learning a musical instrument.

Everyone of all ages is invited to attend our concerts.

Marketing & Promotion

4. Is your event citywide or targeted to a particular neighborhood, demographic or geographic area? If targeted, describe your target audience? How many people do you expect to attend your event, how did you arrive at this estimate?

This event is multi-county wide. CSB Concerts welcome everyone from the South Bay Area. Past concerts in Sunnyvale and Cupertino have had 150-300 attendees

Also, indicate if you wish to incorporate the City's local access channel, KSUN 15 in your advertising. Please attach additional sheets as needed to fully describe your marketing plan.

CSB posts concert announcements on the major social media sites, all South Bay Area community newspapers run by the Bay Area News Group (San Jose Mercury News), i.e. the Sunnyvale Sun, Cupertino Courier, etc. Email announcements are sent to CSB email lists, band member's friends & family, etc. We would include KSUN if they offer free ads for non-profits.

Organization Information

6. Please describe your organization's mission and goals, as well as information about your membership and total organizational budget, if applicable (feel free to attach literature about your organization). Please attach your organization's most recent financial statements if available.

8. Describe controls you have in place to ensure your event will be cost-effective with strong financial management and effective overall event management? How has your organization demonstrated these qualities in the past?

CSB has been performing 4 or more concerts a year in Sunnyvale, Cupertino, San Jose, and other venues since 1989. CSB (a non-profit) has been mostly funded through donations, member dues, and occasional city grants.

9. Please attach a detailed budget for your event including:

- Total expenses
- Anticipated revenue (if applicable)
- Net cost (total expenses less anticipated revenue)
- Volunteer assistance (1. List volunteer roles/tasks **and** the number of hours anticipated; 2. Multiply volunteer hours by \$37.32, the California volunteer rate per *IndependentSector.org*)
- Any expenses you expect to be donated/in-kind (include an estimated dollar value of each donated/in-kind expense in your budget)

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

CSB has allocated funds for the remaining costs for the May concert from our 2023-2024 annual budget. Like most non-profits, our donations were severely reduced during 2020 to 2022. The Sunnyvale Grant request will help defray some of the May 2024 SCC Ball Room concert costs.

Event Details

1. Please describe your event (you may attach additional details or supporting documentation).

International Night is a celebration of the international heritage of the Sunnyvale community, as represented at Ellis Elementary School.

It consists of 3 main parts:

Country booths (10+):

Volunteers from the Sunnyvale Ellis community share elements of their heritage through informational posters and food samples on a dedicated country booth.

Community Performances (10+):

Parents and students put on short performances (3-6 min) reflecting their heritage, e.g. dances, fashion shows, singing.

Passports + Prizes:

Children are given passports to the event. As they visit the booths, they can earn passport stamps for answering questions about the countries represented at the event. Completing a passport entitles the child to an event-themed prize.

2. Have you held this event before? If so, when and where?

Yes, on April 28, 2023, at Ellis Elementary School and for several years 2019 and prior. The hiatus was due to COVID.

3. How does your event encourage a celebration of community, including the character, diversity, and quality of Sunnyvale? How does it provide vitality and identity to the community?

This event fosters community unity through a celebration of cultural diversity and shared values of inclusivity and respect for all cultures. Sunnyvale is known for its rich cultural diversity, and the Ellis community in particular is especially representative of the diversity of Sunnyvale. The Ellis International Festival wants to echo this. It provides a platform for students and families to showcase and share their cultural heritage with fellow school families and the surrounding community, creating an atmosphere of cultural exchange and understanding. Through cultural performances, exhibits, food and interactive activities, the festival highlights the mosaic of cultures that enrich our community.

Marketing & Promotion

4. Is your event citywide or targeted to a particular neighborhood, demographic or geographic area? If targeted, describe your target audience? How many people do you expect to attend your event, how did you arrive at this estimate?

The event is open to the Sunnyvale community. It is typically attended by surrounding families near Ellis. The approximate attendance of the 2023 event was over 500, and we expect the event to increase based on our event attendance growth (25-50%+), publicity from last year's event, and increased advertising to pull in a greater number. City funding will allow us to support a larger event, reaching a greater fraction of the Sunnyvale community.

5. Please describe your marketing plan, including the type of advertisements to be used and where they will be placed. Also, indicate if you wish to incorporate the City's local access channel, KSUN 15 in your advertising. Please attach additional sheets as needed to fully describe your marketing plan.

We advertise on school social media platforms including Facebook, Class Dojo (district teacher/parent tool, Peach Tree (Sunnyvale School district wide email platform) and on the new school marquee outside the school. We will also promote the event at local businesses (coffee shops, etc) and flyering in the school and neighborhood.

Organization Information

6. Please describe your organization's mission and goals, as well as information about your membership and total organizational budget, if applicable (feel free to attach literature about your organization). Please attach your organization's most recent financial statements if available.

The PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. We currently have 130+ members at Ellis PTA representing 750 students and their families.

Event Logistics and Budget

7. What steps are you taking to ensure a well-planned, safe event?

The event has a senior project lead with experience running events hosting 800-1000 people, as well as teacher leads, parent country leads and dozens of volunteers who participate to make this event happen.

Food Safety: Bringing in established food vendors, verified for up to date licenses and insurance, providing safe food handling supplies for the volunteers, and dedicated tents (request for funds) and food storage for country food sampling.

Family Safety: The event is coordinated with the school staff to ensure school safety concerns and rules are followed, to prepare the grounds ahead of time, ensure there are ample bathroom access, waste-disposal options, clean up afterwards.

8. Describe controls you have in place to ensure your event will be cost-effective with strong financial management and effective overall event management? How has your organization demonstrated these qualities in the past?

The PTA board proposes a budget and release of funds to the PTA association which votes to approve these measures. Funds can only be reimbursed with the approval of the PTA president and secretary and their signatures. Checks need to be signed by the Treasurer and Financial Secretary. All previous events have been kept within budget.

9. Please attach a detailed budget for your event including:

- Total expenses
- Anticipated revenue (if applicable)
- Net cost (total expenses less anticipated revenue)
- Volunteer assistance (1. List volunteer roles/tasks **and** the number of hours anticipated; 2. Multiply volunteer hours by \$37.32, the California volunteer rate per *IndependentSector.org*)

- Funding amount being requested from City of Sunnyvale (cannot exceed 40 percent of total expenses, including the value of in-kind/donated services but excluding the value of volunteer time).

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

The ELLIS PTA will supply the required funds to ensure this event is hosted safely and represents the community of Sunnyvale. The additional grant will provide us access to better infrastructure and equipment for safely hosting the event outdoors while meeting the growth in attendance, supplies that will be reusable, and increased awareness & marketing for the event. These funds will reduce the burden on the families who provide in-kind donations and the Ellis PTA, allowing the PTA to offer additional educational events.

Event Details

1. Please describe your event (you may attach additional details or supporting documentation).

Multicultural Night is an annual event, where our school community comes together to share and celebrate the vibrant and diverse cultures of our school community. For many people, this night is a celebration of their country of origin, but culture can also include family cultures, cultures of different regions of the country, and cultures of different identity groups. Volunteer parents or staff host tables for their cultures, sharing samples of food, displaying items representative of their cultures, and wearing clothing representing their cultures. The San Miguel Elementary PTA is responsible for getting families to sign up to host tables, providing supplies for making posters, and providing paper plates/utensils for serving food. The PTA offers to reimburse a certain amount per table to cover the expense of food and supplies to minimize barriers to access for participants. In past years, we have had tables representing Mexico, Colombia, Guatemala, Argentina, China, Korea, Azerbaijan, Ireland, Peru, India, Philippines, and more (e.g., cultures of gender).

In addition to the tables, we play music that is representative of the variety of cultures represented, and the event includes performances and/or demonstrations. Past demonstrations have included Cumbia Colombiana, Brazilian jiu jitsu, Odissi traditional Indian dance, and community wide Mexican line dancing to Caballo Dorado song

2. Have you held this event before? If so, when and where?

Yes, we held our first Multicultural Night in 2019 at San Miguel (in our multi-purpose room). We held another one in 2022, and the last one

3. How does your event encourage a celebration of community, including the character, diversity, and quality of Sunnyvale? How does it provide vitality and identity to the community?

We believe that everyone has culture, not just specific to a country of origin but can also include identity group cultures and regional cultures. Our event celebrates the diversity of our San Miguel school community, and it's a chance for everyone to experience culture via taste, touch, smell, sight, and hearing. This allows students and families to better understand each other, our different backgrounds, and how we are all greater than the sum of our parts. Parents can share their cultural pride with their children and friends, and the students learn more about their own heritage and how to value the diversity within our community and the planet.

Marketing & Promotion

4. Is your event citywide or targeted to a particular neighborhood, demographic or geographic area? If targeted, describe your target audience? How many people do you expect to attend your event, how did you arrive at this estimate?

This is a citywide event, although most of our attendees come from the San Miguel Elementary school community. Our school is a majority-Hispanic, Title 1 school. About half of our students are ELL (English Language Learners). Our families are a mix of native English, native Spanish, and bilingual speakers, and we would expect all groups to attend Multicultural Night. We also bring in elected members of the community - last year, Mayor Klein and members of both the SSD (Sunnyvale School District) and FUHSD (Fremont Union High School District) board attended. We also partner with students at Columbia Middle School, who provide additional volunteer support.

We expect 200-250 people to attend. This estimate is based on past years' attendance (around 200-250 people)

5. Please describe your marketing plan, including the type of advertisements to be used and where they will be placed. Also, indicate if you wish to incorporate the City's local access channel, KSUN 15 in your advertising. Please attach additional sheets as needed to fully describe your marketing plan.

Multicultural Night is an annual tradition, and families look forward to it each year. Our advertising will include (1) including information in the school's weekly Parent Bulletin, which is emailed to all families; (2) posting on our San Miguel Elementary PTA Facebook page and PTA webpage; (3) posting flyers around the school; and (4) word of mouth. We will reach out to families who hosted tables in past years to see if they are willing to host tables again this year; post sign up sheets to host a table; and have meetings to coordinate the event. At this time, we do not need to incorporate the City's local access channel (KSUN 15) into our advertising.

Organization Information

6. Please describe your organization's mission and goals, as well as information about your membership and total organizational budget, if applicable (feel free to attach literature about your organization). Please attach your organization's most recent financial statements if available.

The mission of the San Miguel Elementary PTA is for every student, family, and teacher to feel welcome and supported at San Miguel. As a PTA, we are about community, enrichment, advocacy and volunteering. The PTA hosts several fundraisers during the year (e.g., fall catalog sales, family photoshoot, partnering with local restaurants for Dine Out Nights, a silent holiday, walkathon). Money that is raised from these fundraisers, from parent donations, and grants goes to support school assemblies, Project Cornerstone (a YMCA initiative focused on helping students build positive friendships, peaceful conflict resolution, and other skills), extracurricular activities, band, music, art scholarships, and more. For many of our students, the field trips and enrichment programs funded by the PTA are educational opportunities they would not otherwise have.

We have 123 PTA members at the moment (very close to our target of 125 members). We expect to raise about \$95,000 this year (primarily through fundraising, donations, and grants). Our PTA supports the entire San Miguel Elementary school, with ~400 students total (grades TK-5).

Event Logistics and Budget

7. What steps are you taking to ensure a well-planned, safe event?

This event will be held outdoors. We will ensure adequate lights to keep the playground safe as it gets dark in the evening. We will also have volunteers and school staff present throughout the event. Additionally, San Miguel has a code of conduct that all students know to follow. The PTA has a first aid kit for all of our events.

8. Describe controls you have in place to ensure your event will be cost-effective with strong financial management and effective overall event management? How has your organization demonstrated these qualities in the past?

We have an event coordinator who will lead the planning and logistics for the event. That event coordinator will have a set budget for the event, with close coordination with members of the PTA board to ensure that the event stays within budget. Families will have to sign up for tables, so we can make sure we have a reasonable number of tables. Families will also be told upfront how much reimbursement is available, so they can manage their individual table budgets accordingly.

Our PTA rules require that we submit all expenses with receipts and proper documentation for reimbursement. Events have to fall 

9. Please attach a detailed budget for your event including:

- Total expenses
- Anticipated revenue (if applicable)
- Net cost (total expenses less anticipated revenue)
- Volunteer assistance (1. List volunteer roles/tasks **and** the number of hours anticipated; 2. Multiply volunteer hours by \$37.32, the California volunteer rate per *IndependentSector.org*)
- Any expenses you expect to be donated/in-kind (include an estimated dollar value of each donated/in-kind expense in your budget)
- Funding amount being requested from City of Sunnyvale (cannot exceed 40 percent of total expenses, including the value of in-kind/donated services but excluding the value of volunteer time).

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

We are requesting \$1000 from the City for this grant. The remaining budget (\$1560) will come from the PTA budget (\$500 under Multicultural Potluck; \$310 under Bilingual Programs), in-kind donations from San Miguel families and friends, and monetary donations. There is no revenue, since this event is free for everyone.

We are asking for grant funding from the City to help support more tables and increase the amount of funding per table. Typically, we offer a \$50 reimbursement to families for their tables, but for last year's Multicultural Night, we received feedback that \$50 did not cover expenses, and even with the reimbursement, it's hard for low-income families to host a table. This is especially true now that food prices have increased so much. Funding from the City will allow us to host additional tables, increase the amount of funding per table, and ensure equitable participation by our families. As a Title 1 school, funds from this grant will really help us support our community better - and allow us to host an amazing Multicultural Night - without affecting funds raised for much needed activities like field trips, classroom supplies, and scholarships that provide equitable access to

The Sunnyvale Downtown Association (SDA) is a non-profit, membership based, organization whose mission is to promote, advocate, and enhance the vitality of Downtown Sunnyvale. The association is funded by the business improvement district fees, sponsorships, city funds, and revenue producing events.

The SDA serves as the voice of the downtown by advocating for policies, programs, and events that support the economic growth of the Downtown. The SDA performs as the marketing arm and ambassador for the Downtown and the City of Sunnyvale. We produce broad-appeal events that supplement the individual businesses marketing efforts. This collaboration brings attention and community engagement to the SDA Business Improvement District.

Please find the SDA's most recent financial statements in the BID Renewal 2023.

Event Logistics and Budget

7. What steps are you taking to ensure a well-planned, safe event?

We have 3 security guards and up to 2 public safety officers that patrol this event weekly. All carry walkie-talkies to keep in communication if an issue arises. We also use an event timeline and identify all job tasks that are needed to produce a safe and successful event. This event will require the same level of detailed planning and production that all of our events receive. Volunteers return each year because they enjoy the events themselves and want to continue to be a part of it. The SDA has demonstrated over 20 years of delivering fun community events. Our goal is to exceed expectations at every corner!

8. Describe controls you have in place to ensure your event will be cost-effective with strong financial management and effective overall event management? How has your organization demonstrated these qualities in the past?

This event generates revenue from our beverage booth in addition to sponsors, city funds, and community grants. The SDA has configured an event time-line, detailed budget, and a staff task grid that identifies all of the job tasks needed to produce a safe and successful event.

9. Please attach a detailed budget for your event including:

- Total expenses
- Anticipated revenue (if applicable)
- Net cost (total expenses less anticipated revenue)
- Volunteer assistance (1. List volunteer roles/tasks **and** the number of hours anticipated; 2. Multiply volunteer hours by \$37.32, the California volunteer rate per *IndependentSector.org*)
- Any expenses you expect to be donated/in-kind (include an estimated dollar value of each donated/in-kind expense in your budget)
- Funding amount being requested from City of Sunnyvale (cannot exceed 40 percent of total expenses, including the value of in-kind/donated services but excluding the value of volunteer time).

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

Summer Series provides a beverage booth to generate revenue from non-alcoholic and alcohol sales in addition to city funding, Business Improvement Districts fees, and community sponsorships. Each year as prices continue to go up for this event, we continue to work to secure new corporate, community, or city support, as well as community grants. We also offer vendors the opportunity to purchase a vendor space to generate funds.

Community sponsorships are never guaranteed. We work to ensure financially funded events each season.

Event Details

1. Please describe your event (you may attach additional details or supporting documentation).

A Taste of the World & Wine Stroll promotes and celebrates the diversity, character, and community of Sunnyvale by spotlighting the large selection of international restaurants and bringing them together with a love for wine. Attendees will stroll about the downtown district of Sunnyvale, visiting the 20+ participating businesses, while enjoying local cuisine and paired wines. This allows families to attend and try different food options they may not have otherwise tried, while adults can try different wines. We also take this opportunity to introduce visitors and residents to businesses that have either been here for years or could be one of our many new retail locations. This event will be exemplary to the heart, vitality, and identity of the Sunnyvale community.

2. Have you held this event before? If so, when and where?

Yes, once before in 2023 within the Sunnyvale Downtown district, along Sunnyvale Ave, McKinley Ave, Murphy Ave, and Washington Ave.

3. How does your event encourage a celebration of community, including the character, diversity, and quality of Sunnyvale? How does it provide vitality and identity to the community?

Marketing & Promotion

4. Is your event citywide or targeted to a particular neighborhood, demographic or geographic area? If targeted, describe your target audience? How many people do you expect to attend your event, how did you arrive at this estimate?
