RE: 3/15/2016 AGENDA

---

**Agenda Item #: 1K**

**Title:** Approve the Agreement Renewal with Sustainable Community Gardens for Property Located at 433 Charles Street

**Question(s):** The annual compliance report in attachment 3 covers 2012-2013. Are compliance reports available for more recent years, namely 2013-2014 and 2014-2015?

**Staff Response(s):** The annual compliance report, presented as Attachment 3, as received from the Sustainable Community Gardens (SCG), inadvertently references the report as being “for the year 2012 – 2013”; however, the report is reflective of FY 2014/15. Staff has requested a corrected report from the SCG.
