A description of the Disclosure Agreement is set forth in, and a form of such Disclosure Agreement is attached as an appendix to, the Preliminary Official Statement and the Official Statement.

#### 4. Third-Party Credit Enhancement or Support.

#### 5. Establishment of Issue Price.

(a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at Closing an "issue price" or similar certificate, substantially in the form attached hereto as Exhibit A, together with the supporting pricing wires or

equivalent communications, with such modifications as may be deemed appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the Issuer under this section to establish the issue price of the Bonds may be taken on behalf of the Issuer by the Issuer's municipal advisor identified herein and any notice or report to be provided to the Issuer may be provided to the Issuer's municipal advisor.

- (b) Except for the maturities set forth in Schedule I attached hereto, the Issuer represents that it will treat the first price at which 10% of each maturity of the Bonds (the "10% Test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Issuer the price or prices at which the Underwriter have sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Issuer the prices at which Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, the Issuer or Bond Counsel. For purposes of this section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.
- (c) The Underwriter confirms that the Underwriter has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. Schedule I also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% Test has not been satisfied and for which the Issuer and the Underwriter agrees that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:
  - (1) the close of the fifth  $(5^{th})$  business day after the sale date; or
- (2) the date on which the Underwriter have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the Issuer promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

#### (d) The Underwriter confirms that:

(ii) any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

- (A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter, and
- (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below),
- (C) to acknowledge that, unless otherwise advised by the Underwriter, dealer or broker-dealer, the Underwriter shall assume that each order submitted by the Underwriter, dealer or broker-dealer is a sale to the public. (ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or dealer and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.
- The Issuer acknowledges that, in making the representations set forth in this section, the Underwriter may solely rely on (i) the agreement of the Underwriter to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in an agreement by the underwriter and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter or dealer who is a member of the selling group is a party to a thirdparty distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.
- (f) The Underwriter acknowledge that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being

used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- (i) "public" means any person other than an underwriter or a related party to an underwriter,
- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) "sale date" means the date of execution of this Purchase Agreement by all parties.

#### ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Stifel, Nicolaus & Company, Incorporated ("Stifel"), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Bonds").

1. **Sale of the General Rule Maturities**. As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

#### 2. Initial Offering Price of the Hold-the-Offering-Price Maturities.

- (a) Stifel offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the "Initial Offering Prices") on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

#### 3. **Bond Insurance Policy**.

- (a) The present value of the amount paid to obtain the Insurance Policy is less than the present value of the interest reasonably expected to be saved as a result of having the Insurance Policy, using the yield with respect to the Bonds as the discount factor for this purpose.
- (b) To the best knowledge of the undersigned, the amount paid by the Issuer to the Bond Insurer for the Insurance Policy is within a reasonable range of premiums charged for comparable credit enhancement for obligations comparable to the Bonds.

#### 5. **Defined Terms**.

(a) General Rule Maturities means those Maturities of the Bonds listed in Schedule A hereto as the "General Rule Maturities."

- (b) Hold-the-Offering-Price Maturities means those Maturities of the Bonds listed in Schedule A hereto as the "Hold-the-Offering-Price Maturities."

  (c) Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date (such fifth business day being \_\_\_\_\_\_\_, 2025), or (ii) the date on which Stifel has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

  (d) Issuer means the Sunnyvale Financing Authority.

  (e) Maturity means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.
- (f) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.
- (g) Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is \_\_\_\_\_\_, 2025.
- (h) Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Stifel's interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate relating to the Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall LLP, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.
