

**Council Meeting: December 3, 2013****SUBJECT: Discussion and Possible Action Regarding Approval of a Joint Use Agreement for Raynor Park Open Space with Stratford School****BACKGROUND**

On November 19, 2013, Council approved a Purchase and Sales Agreement for the sale of Raynor Activity Center to Stratford School (RTC 13-275). Council also adopted CEQA findings and approved allocation of the proceeds from the sale of \$14,050,000 towards a new branch library at Lakewood Park and expansion of the Washington Park Pool.

Council also considered approval of a Joint Use Agreement for Raynor Park Open Space with Stratford School and directed staff to renegotiate terms of the agreement to reduce open space usage by Stratford School and bring it back to Council for consideration.

EXISTING POLICY**General Plan Chapter 4, Community Character - Recreation:**

Policy CC-10.6 Leverage available resources by pursuing co-funded and/or cooperative agreements for provision and maintenance of programs, facilities, and services, in order to maximize benefits to the community. Partners may include, but are not limited to, school districts, non-profit groups, governmental agencies and businesses.

Policy CC-10.7 Encourage the use of recreational and open space facilities and services for educational activities of schools that serve Sunnyvale students first, and secondarily the schools that serve students of surrounding communities.

CEQA REVIEW

CEQA review is not required at this time because approval of the Joint Use Agreement for Raynor Park Open Space alone does not constitute a project within the meaning of CEQA. CEQA analysis will be conducted as part of the use permit process that is required to be completed before the property is transferred.

DISCUSSION

The Joint Use Agreement is an integral part of the Purchase and Sales Agreement. For Stratford's proposed use of the Raynor Activity Center as a private school to be viable, access to a portion of the open space in Raynor Park is needed for physical education classes and after school sports programs.

The proposed Joint Use Agreement defines the portions of Raynor Park that Stratford would be given priority use for certain hours of the day. At the public hearing held on November 19, 2013, Council received input that Stratford's use of Raynor Park would limit public use of the space for residents in the Birdland Neighborhood.

Staff renegotiated with Stratford over the terms and conditions in the Joint Use Agreement (Attachment A). The following are concessions Stratford has agreed to make:

- Priority field use hours for Area 1 (see Exhibit B of Attachment A) are reduced on school days from 8:00 am to 3:00 pm to 9:00 am to 3:00 pm.
- Field use Area 1 was reduced in size by 25 feet along the Raynor Activity Center property line. This ensures full access to Raynor Park from Dunford Way for people who wish to jog, walk their dog, or access the Park when Stratford is using the fields.
- Priority use Area 2 is designated for the future construction of a basketball court by Stratford. Priority use hours were reduced from 8:00 am to 6:00 pm on school days during the regular school year, and 8:00 am to 3:00 pm on school days during the summer to now begin at 9:00 am and end at 5:30 pm on regular school days.
- The Joint Use Agreement was clarified to state that the basketball court would be available for public use during priority use hours when not in use by Stratford. This was already explicitly stated in the Agreement for field use in Area 1.
- Stratford has also agreed to work with the City to assist in funding a number minor park improvements which include:
 - Adding benches at the proposed basketball court
 - Relocating the irrigation piping along the proposed property line
 - Seal coat and restripe the City parking lot located along Quail Avenue
 - Relocate the electronic score board used by little league baseball
 - Add to existing bleachers at the little league field if desired by field users

These changes are reflected in a redline version of the proposed Joint Use Agreement (Attachment A). The changes reduce the amount of priority use

hours by one hour each school day and ensure that priority use areas are available for public use when not actually in use by Stratford.

Providing priority use of sports fields in parks is already a common practice in City parks including Raynor Park. In order to have organized youth sports in Sunnyvale, users must be able to reserve field use to schedule practices and games. The fields at Raynor Park are not currently reserved by any sports user groups on weekdays from 9:00 am to 3:00 pm. After school priority use hours by Stratford have been limited to avoid conflicts with existing user groups as much as possible. Those groups will be able to be accommodated on other fields in Sunnyvale.

The proposed Joint Use Agreement with Stratford School is consistent with existing City policy. General Plan Policy CC-10.7 states in part, "Encourage the use of recreational and open space facilities and services for educational activities of schools that serve Sunnyvale students first." The proposed Joint Use Agreement with Stratford requires it to maintain a student population of at least 51% Sunnyvale residents and therefore, use of Raynor Park by Stratford students should be encouraged according to the City's General Plan Policy.

FISCAL IMPACT

Approval of the Joint Use Agreement is an integral part of the Purchase and Sales Agreement for the Raynor Activity Center. Revenues from the sale of \$14,050,000 will be allocated to capital improvement projects for a new branch library at Lakewood Park and the Washington Pool Expansion Project as approved by Council at its November 19, 2013 meeting.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall, at the Sunnyvale Senior Center, Community Center and Department of Public Safety; and by making the agenda and report available at the Sunnyvale Public Library, the Office of the City Clerk and on the City's Web site.

Notices for the meeting were sent to surrounding neighborhood associations by electronic mail using the citywide neighborhood association listing.

ALTERNATIVES

1. Council authorizes the City Manager to execute the Joint Use Agreement between the City of Sunnyvale and Stratford School, Inc. for the use of Raynor Park.
2. Do not approve the Joint Use Agreement between the City of Sunnyvale and Stratford School, Inc. for the use of Raynor Park and provide direction to staff for follow up action.

RECOMMENDATION

Staff recommends Alternative 1. Council authorizes the City Manager to execute the Joint Use Agreement between the City of Sunnyvale and Stratford School, Inc. for the use of Raynor Park.

Approval of the Joint Use Agreement is a necessary step in completing the sale of Raynor Activity Center to Stratford School. Further negotiations with Stratford School have resulted in a reduction to priority use hours and a reduction in the size of the field use area that ensures continuous access through Raynor Park for other park users.

The Joint Use Agreement requires that Stratford maintain its enrollment with a majority of Sunnyvale residents. As residents, Stratford students should have access to the open space adjacent to their school, a practice that is encouraged by an existing General Plan Policy. Stratford School currently operates two other schools in Sunnyvale both adjacent to City parks and has proven to be a good neighbor that is compatible with other park uses.

NOW, THEREFORE, THE PARTIES ENTER INTO THIS AGREEMENT.

1. STRATFORD Rights and Obligations

- (a) CITY shall provide STRATFORD priority use of certain areas of the Raynor Park area in the locations designated as Area 1 and Area 2, as shown on Exhibit “B” attached hereto and incorporated herein by reference. Specifically, during regular school hours of Monday through Friday, ~~8:00~~ a.m. to 3:00 p.m. during the regular school year (approximately late August early June). At times during the priority use period defined above when field Area 1 is not actually being used by STATFORD, the area will be available for public use. During the summer session STRATFORD may use field areas within Raynor Park on a space available basis on school days ~~8:00~~ a.m. to 3:00 p.m. The remaining areas of the Raynor Park Area are available for use by the public and other groups and individuals in accordance with the CITY’s reservation system.
- (b) STRATFORD is permitted to have priority use of Area 1 and Area 2 of Exhibit “B” during certain months and during certain hours according to the “After School Hours and Schedule” attached hereto as Exhibit “C” and incorporated herein by reference. At times during the After School Hours and Schedule period defined by Exhibit A when Area 1 and 2 are not actually being used by STATFORD, the area will be available for public use. The remaining dates and times for use of the Raynor Park Area are available for use by the public and other groups and individuals in accordance with the CITY’s reservation system.
- (c) STRATFORD shall provide the CITY a report by August 15 of each year the schedule of Stratford “After Hour” uses on revised dates and times when it does not intend to use the fields. This will allow the CITY to make the fields available to other groups. The STRATFORD “After Hour” uses are from 4:00 p.m. to 5:30 p.m. Wednesday and Thursday, and 4:00 p.m. to 6:00 p.m. on Fridays during the months of February through May; and, 4:00 p.m. to 5:00 p.m. Thursday and 4:00 p.m. to 6:00 p.m. on Fridays during the months of September through November. Additional after hours use by Stratford not specifically noted within this agreement, will be on availability of space with no impact to the other groups using the open space area. STRATFORD shall not have the ability to use its reserved times to allow other third party groups to use the fields or basketball court.
- (d) In consideration of continued field usage by STRATFORD during the term of this agreement, STRATFORD agrees that it will make its best efforts (including granting preferential enrollment privileges to qualified Sunnyvale residents to the extent allowable by applicable laws) to maintain at the Raynor campus at least 51% of its students residing in the City of Sunnyvale. STRATFORD agrees that it will provide the CITY a written statement as to its current total enrollment and percentage of Sunnyvale residents on or about June 1 of each year. Enrollment of students at the school shall be at least 51% Sunnyvale residents and shall be maintained above 51% based on a five year rolling average. The rolling average will be calculated in year five of the agreement and in each subsequent year as enrollment figures are provided. If enrollment at the school drops below 51% (based on five year rolling average) in any year, STRATFORD agrees to develop a plan to bring itself into compliance. STRATFORD shall have up to one year to cure its noncompliance with this provision during which time STRATFORD agrees to pay for each hour of priority field use the amount listed in the CITY’s then current master fee schedule for sports field rental (currently \$25 per hour, \$175 per day max). STRATFORD agrees to pay monthly for field usage until such time that noncompliance can be cured (up to one year). If STRATFORD reports that the five year rolling average is below 51% for two consecutive years, City Staff and STRATFORD shall work to develop an acceptable alternative plan for usage of the fields. Failure to arrive at such an agreement shall be grounds to terminate Stratford’s priority field use rights of Area

1, as defined in Sections 1(a-c) of this agreement. Notwithstanding the above, any decision to terminate or modify the agreement would not be made by the City prior to holding a public hearing before the City Council and an affirmative vote of the City Council to terminate this Agreement pursuant to this paragraph.

- (e) STRATFORD shall allow use of two parking lots that will have easements for use by the general public, one located on Partridge Avenue and the other parking lot located adjacent and perpendicular to the Partridge Parking Lot. The parking lots shall be open for public parking after 5:00 p.m. on weekdays until park closing, and all day Saturdays and Sundays during park hours. The right for public parking is included as an easement on the preliminary parcel map and is considered a perpetual right that shall survive the term or termination of this agreement.
- (f) In consideration therefore, STRATFORD will construct a basketball court for CITY in an area adjacent to the school site, shown as AREA 2 on Exhibit A, at no cost to the CITY. The basketball court shall not include lighting for night time use. So long as this Agreement is in effect, STRATFORD shall maintain the basketball court at no expense to the CITY following construction. The courts shall be maintained in a clean and safe condition for public use at all times, subject to subsection (g), below. Maintenance includes restriping and resurfacing as necessary to keep it in a safe playable condition.
- (g) STRATFORD shall have priority use of the basketball court from ~~8:00~~9:00 a.m. to ~~6:00~~5:30 p.m. on school days during the regular school year (approximately late August to early June). Stratford shall have priority use of the basketball ball court on a priority basis from ~~8:00~~9:00 a.m. to 3:00 p.m. on days summer school is in session. STRATFORD shall make available the basketball court for use by the general public after the school hours listed above, and during all park hours on non-school days. At times during the priority use period defined above when the basketball court is not actually being used by STATFORD, the area will be available for public use.
- (h) STRATFORD shall be required to make application for and procure a building permit for construction of the basketball court. STRATFORD shall furnish all labor, tools, equipment, apparatus, and materials necessary to perform and complete in a good workmanlike manner. The court will be constructed within one year of the date of this agreement and construction plans of the court are subject to review and approval as part of the Use Permit process for the School.
- (i) STRATFORD shall complete design of the basketball court in accordance with applicable City standards. CITY shall have the right to review and approve construction plans and inspect the work until completion.

2. CITY Rights and Obligations

- (a) CITY shall supply any documents or information to which the CITY has access or possession required by STRATFORD for construction of the basketball court.
- (b) CITY shall operate a reservation system for use of the Raynor Park Open Space Area by the general public, including user groups and sports leagues. The CITY shall be responsible to resolve any matters which arise concerning the use of the fields by STRATFORD, the general public and user groups; however STRATFORD shall reasonably assist the CITY to resolve conflicts when the conflict relates to STRATFORD uses or activities.
- (c) CITY shall provide utilities necessary to maintain the fields at no expense to STRATFORD.

- (d) CITY shall be responsible for maintenance of the Open Space area, and repair damage by work efforts or activities of CITY work crews and/or individuals employed by the CITY.
- (e) City has the right to close the park open space area during winter months due to weather conditions or field conditions. The City also reserves the right to close the field for normal maintenance or improvements at any time and will work with STRATFORD to try and accommodate field use in other areas of the Park during periods of closure.
- (f) CITY shall be responsible for keeping all sidewalks and walkways abutting the ball fields in good condition and free of weeds.
- (g) CITY shall have the option to manage the basketball courts by members of the general public through its recreational reservation system in coordination with the STRATFORD's use of the facilities.

3. Maintenance Obligations of STRATFORD

- (c) STRATFORD shall be responsible for the maintenance and repair of the parking lot adjacent to Building 7 of the Raynor Activity Center that extends out to Partridge Avenue.

4. Consideration

In consideration of the above improvements and services provided by STRATFORD at STRATFORD'S expense for labor, materials, equipment and supplies, STRATFORD is permitted to use the Open Space areas identified as Area 1 and Area 2 of Exhibit "B" at Raynor Park as set forth in this Agreement, subject to the limitations on hours and in cooperation with uses by the general public and sports leagues which reserve the fields through the CITY's reservation system.
