Hello,

Attached are the required forms and images.

1. Detailed written description of the business including services, hours of operation, number of employees, and maximum occupancy.

Hours of Operation: 7 days/ week
Monday - Saturday 12 PM - 2 AM
Sunday 12 PM - 1 AM

Number of employees 5 (not including 2 owners working full time here, if including that's 7)

Maximum Occupancy: 65

Services provided:
Main Services: Internet & PC time, Console (PlayStation 5 use) Retail sales
Miscellaneous: Printing, Notary

For Internet & PC time, people pay by the hour or purchase passes to use a computer. People normally surf the web and play PC games. We have consoles for people to use as well, and it is the same thing, people pay by the hour or purchase passes to play.

Retail sales, we sell gifts (Stuffed animals), prepackaged food and beverages (non-alcoholic). We have a small café style kitchen where we make drinks like Teas, Coffee, Smoothies, etc.

Miscellaneous: One of the owners is licensed to notarize documents, so that is offered by request/ appointment. We offer printing for those who are here working or studying on the computers. Occasionally, we have people here using our internet for meetings.

2. Site plan showing the full parcel, property lines, parking spaces, and trash enclosures to ensure compliance with zoning standards. (See attached files & maybe older files that were previously sent out)
3. Completed Use Permit/SDP Justification form (attached).
4. Completed Property Owner Certification form with copyright information (attached).

Extra Info: We will be only serving beer and wine out of cans or bottles. We do not plan on opening a larger container and selling by the glass or pin. It will be easier for us to monitor alcohol intake.

Thanks! Let me know if anything else is needed.
