### County Staff Report - none

### Complete Streets Policy Update -

Language was strengthened overall especially as affecting sections 4.1.C All Ages and Abilities Design, Section 4.1.D Deliver on Projects that Improve Multimodal Safety and Comfort, and 4.4 Capital Projects Funded by VTA - by removing 'soft' requirements (Should, expect, etc.) and changed to must, requires, etc. and that all Member Agencies will follow their Complete Streets policies when delivering capital projects.

Existing changes approved and with two additional amendments from BPAC - will proceed to next steps.

### Community Identified Bike Locker Locations

83 identified locations for new lockers  
Refine locations based on Committee Feedback and Site assessments.  
Cost per bike locker unit is approx \$10K per.

List of locations attached, Map of Phase 2 & 3 BikeLink locker locations attached. Presentation slides attached.
