ROCK THE BIKE™

Our mission is to get people in touch with their ability to make a real, lasting impact in the ongoing climate crisis, through Pedal Powered event activities and products that help Bike People shine in their communities. We want lots more people to think "Pedaling is cool. My body is strong. I want to ride a bike and make a difference." Our dream is to help spread the *spirit of the bike* into the broader culture by organizing, entertaining, inspiring, educating, and inventing new ways to get the message out there. And more importantly, we help our customers spread the message in their communities
