Dear Vice Mayor Srinivasan,

I'm writing on behalf of the National League of Cities Artificial Intelligence Advisory Committee.

I understand you had a conversation with Joey Breems about serving on the committee. After confirming with our co-chairs, Mayor Van Johnson (Savannah, GA) and Councilmember Nikki Lee (Tucson, AZ), it's my pleasure to invite you to join NLC's AI Advisory Committee.

While the committee officially launched in March, we are hopeful that you can join us for our second committee meeting, which will be held virtually on May 17th from 12pm – 2pm EST.

Do let us know if you have any questions. We are excited to bring in your insight and perspective to inform the committee's work this year.

Best regards,

Christopher Jordan
