

## RESPONSE TO COUNCIL QUESTIONS RE: 5/7/19 CITY COUNCIL AGENDA

### **Agenda Item #: 1.D**

**Title: Award of a Maintenance and Repair Contract to CEN-PAC Engineering, Inc. for the Removal and Installation of Light Emitting Diode Traffic Signal Modules (F19-119) and Finding of California Environmental Quality Act (CEQA) Categorical Exemption**

Council Question: Please specify the location of each of the 31 intersections.

Staff Response: The list of the 31 locations is attached.

### **Agenda Item #: 1.E**

**Title: Award of Contract to Advance Design Consultants, Inc. for Public Safety Facility Emergency Generator Replacement (F19-111)**

Council Question: Would it be correct to say that the Subject of the RTC is “Award of Contract to Advance Design Consultants, Inc. for the Design of Public Safety Facility Emergency Generator Replacement (F19-111)”?

Staff Response: Yes, the contract award is for the design portion of the project.

### **Agenda Item #: 6**

**Title: Discussion and Possible Action to Modify or Confirm the Structure and Function of the Council Subcommittee to Discuss Items of Mutual Interest with Local School Districts (2x2 Subcommittee)**

Council Question: What parts of Sunnyvale are in the West Valley-Mission Community College District? The district's website does not list Sunnyvale as part of the district's service area (<https://wvm.edu/about/Pages/default.aspx#Tab5>).

Staff Response: While the WVMCCD district website does not list Sunnyvale as a service area and enrollment demographics by residence are not published, the district map for Board of Trustees in Areas 1 and 2 cover parts of Sunnyvale (see attachments). In addition, the proximity of Mission College to North Sunnyvale as well as its community partnership and outreach with Santa Clara School District’s Wilcox and Santa Clara high schools, make WVMCCD a desirable option for Sunnyvale students.

Council Question: I understand that a small part of Sunnyvale is in the Mountain View Whisman and Mountain View-Los Altos Union High School Districts. For example, some properties in Moffett Park pay property tax to those school districts. Can staff please confirm?

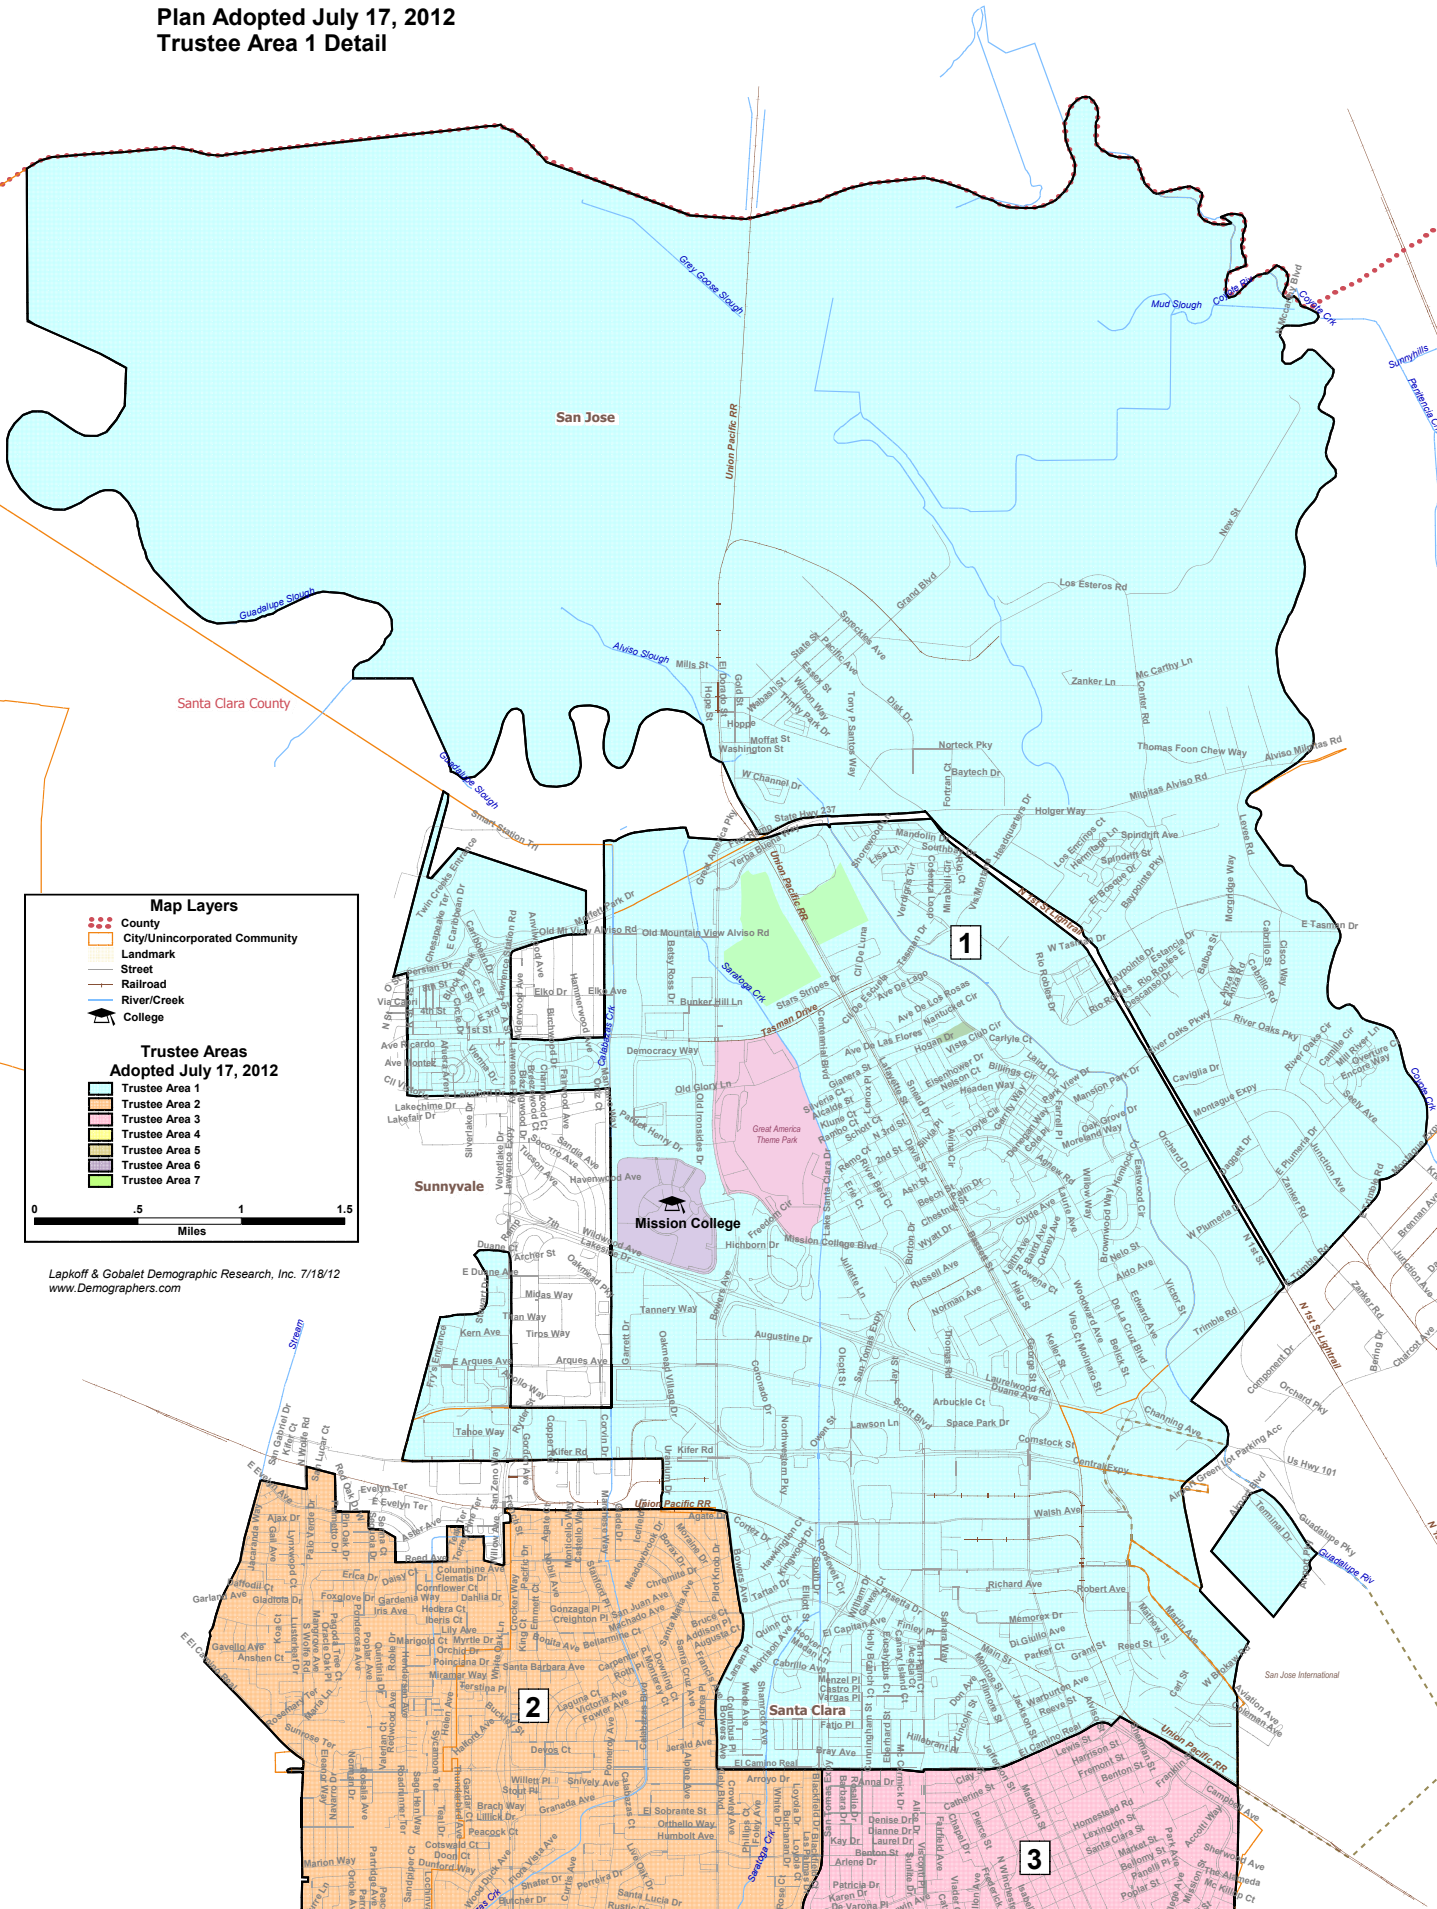

Staff Response: Yes, both school districts cross into the Moffett Park area near Enterprise Way and Moffett Park Dr. See district maps:
