Project Description
(2000 character limit).
You may also attach additional project documents, cross sections, plan views or other supporting materials.
Construction of a multi-use trail on the north side of Evelyn Avenue from Western City Limits to Mathilda Place.

Please choose the project phase(s). CON

Do you think your project qualifies for a No

Statement of Exception?

Topic: Bicycle, Pedestrian and Transit Planning

Does the project implement relevant plans, or other locally adopted recommendations?

Yes

Please provide details on plan recommendations affecting the project area, if any, with Plan adoption date. If the project is inconsistent with adopted plans, please provide explanation.

The Sunnyvale Active Transportation Plan (ATP), adopted on August 25, 2020, calls for converting the existing Class II Bike Lanes into Class IV Separated Bikeway. There is enough resources and right-of-way to provide a Class I Shared-Use Path instead.

Does the project area contain segments of the regional Active Transportation (AT) Network? [See MTC's AT Network map here]

Yes

If yes, describe the how project adheres to the National Association of City Transportation Official's (NATCO's) "Designing for All Ages & Abilities Contextual Guidance for High-Comfort Bicycle Facilities" and/or the Architectural and Transportation Barriers Compliance Board's "Accessibility Guidelines for Pedestrian Facilities in the Public Right-of-Way."

The project will install a shared-use path and implement crossing improvements where feasible with ADA compliant curb ramps. These improvements will be designed per the latest Caltrans design guidelines and will be in compliant to the accessibility guidelines for pedestrian facilities in public rights-of-way (PROWAG).

Is the the project on a known High Injury Network (HIN) or has a local traffic safety analysis found a high incidence of bicyclist/ pedestrian-involved crashes within the project area?

Yes

Please summarize the traffic safety conditions and describe the project's traffic safety measures. The Bay Area Vision Zero System may be a helpful resource.

Evelyn Avenue is a main bicycling commute and recreational route that connects to various roads, trails, and destinations throughout the cities of Sunnyvale and Mountain View. This trail will also connect to the Sunnyvale Caltrain Station to the east and the City's future project Bernardo Avenue Undercrossing to the west. The project will also implement pedestrian and bicycle crossing improvements on the corridor where possible and comply with current City, State, and Federal standards including ADA and PROWAG.

Does the the project seek to improve conditions for people biking, walking and/or rolling? If the project includes a bikeway, was a Level of Traffic Stress (LTS), or similar user experience analysis conducted?

Yes

Describe how project seeks to provide low-stress transportation facilities or reduce a facility's LTS.

The multi-use path will be separated from vehicles and will facilitate a low-stress environment for pedestrian and bicyclists of all abilities.

A. Are there existing public transit facilities (stop or station) in the project area?

No

C: Is there a MTC Mobility Hub (map) within the project area?

No

If applicable, please describe the pedestrian focused improvements and cite the design standards used (links to standards are not needed).

This project will provide a shared-use path and crossing improvements where possible, this may included curb extensions, directional curb ramps, and RRFB's. The elements of the project will be designed per the latest Caltrans Highway Design Manuel, California Manual on Uniform Traffic Control Devices, Caltrans Standard Specifications, Caltrans Standard Plans Book, and ADA and PROWAG requirements.

If applicable, please provide the class designation for bikeways included in the project and cite the design standards used.

HDM 1003.1 Class I Bikeways (Bike Paths)

Will the project improve active transportation in an Equity Priority Community (EPC)?

No

Has a local (city is preferred and county is an option) Bicycle and Pedestrian Advisory Commission (BPAC) reviewed this Checklist? The Checklist will begin MTC review once the BPAC meeting has occurred.

The submission of this checklist will be reviewed by the BPAC. This option exists to use this CS Checklist submission (pdf emailed to you) for the BPAC review.

Please provide the meeting date(s). BPAC meeting date should occur before the grant funding request application or endorsement is submitted.

April 17, 2025

Compliance and Exemption

Please check below if Yes. If no, complete the Statement of Exception. If Yes, this Checklist is complete and the rest of the form can be skipped. If No, please fill out the Statement of Exception section.

Yes

Has a local (city or county) Bicycle and Pedestrian Advisory Commission (BPAC) reviewed this Checklist? The CS Checklist will begin review once the BPAC meeting notes are included in this form.

The Checklist is being submitted to send to the BPAC for review.

**Please provide the
meeting date(s).**
