I am a current City of Sunnyvale employee. Yes

How long have you served on your current board or commission? 1 year

Have you ever served on another City of Sunnyvale board or commission? No

What new information about your qualifications would you like Council to know? In addition to my service on the Board of Library Trustees, I remain an active and regular library user. I visit the library at least once a week with my three-year-old toddler, which gives me a direct, current perspective on how families experience library spaces, programs, and services. That firsthand experience has deepened my appreciation for the library's role in early learning, community connection, and access to resources for residents of all ages. I am also excited about the Lakewood Library and expect to be a frequent visitor there as well, which will further inform my perspective as a trustee and community member.

Reasons you wish to be reappointed.

I wish to be reappointed because I believe the library is one of the most important public resources in our community. It serves residents across ages, backgrounds, and needs by providing access to information, learning opportunities, gathering spaces, and enriching programs. I would value the opportunity to continue contributing my perspective as both a trustee and an active library user, while helping surface the kinds of questions, insights, and concerns that residents and families may have. I hope to continue supporting the library's mission and ensuring it remains responsive, welcoming, and valuable to the Sunnyvale community.

Any additional information related to your reappointment?

I have greatly enjoyed my first year serving on the Board of Library Trustees and would be honored to continue in the role. This past year has given me a stronger understanding of the library's operations, priorities, and opportunities, and I would welcome the chance to build on that foundation in another term. I believe an additional term would allow me to apply what I have learned more effectively and continue contributing in a thoughtful, informed, and constructive way on behalf of Sunnyvale residents.
