STACT: San Tomas Aquino Creek Trail

Minutes of 10 JUNE 2026 VTA BPAC Meeting

Bike Detour

The San Tomas Aquino Creek Trail will be closed on the 6 match days during the FIFA World Cup. During this period, bike traffic will be detoured around the closure. A detour will be posted to use Mission College Blvd. and Great America Parkway to bypass the Creek Trail closure. Notifications will be posted at the trail connections at Agnew Road and Great America Parkway directing cyclists to the detour route.

Of note: The Tasman ramp is pretty much closed for the duration, but there is a work-around. Access the north side of the trail entrance (on the “wrong side” of the street and use the underpass to bypass the fencing in the parking lot) As of now, the Agnew street gate is open.

Pedestrian Detour

The San Tomas Aquino Creek Trail will be closed on the 6 match days during the FIFA World Cup. During this period, pedestrian traffic will be detoured around the closure. A detour will be posted to use Mission College Blvd. and Great America Parkway to bypass the Creek Trail closure. Notifications will be posted at the trail connections at Agnew Road and Great America Parkway directing pedestrians to the detour route.
