

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUNNYVALE
ESTABLISHING RESIDENTIAL PREFERENTIAL PARKING ZONE "A"
PURSUANT TO CHAPTER 10.26 OF THE SUNNYVALE MUNICIPAL
CODE**

WHEREAS, California Vehicle Code Section 22507 authorizes the establishment, by city council action, of permit parking programs in residential neighborhoods for residents and other categories of parkers; and

WHEREAS, under Sunnyvale Municipal Code Section 10.26.020, the City Council of the City of Sunnyvale may designate certain residential streets or alleys or any portions thereof as a residential preferential parking zone; and

WHEREAS, on April 21, 2026, the City Council of the City of Sunnyvale adopted Ordinance No. 3252-26, amending Chapter 10.26 of Title 10 (Vehicles and Traffic) of the Sunnyvale Municipal Code to allow the establishment of a residential preferential parking zone by either ordinance or resolution; and

WHEREAS, on April 21, 2026, the Council also directed City staff to prepare a resolution for City Council to establish a residential preferential parking zone ("RPP Zone") on Charles Street between W. McKinley Avenue and W. Iowa Avenue, hereinafter referred to as RPP Zone A,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SUNNYVALE THAT:

1. **FINDINGS.** In accordance with Sunnyvale Municipal Code Section 10.26.020, the Council finds and determines that the findings set forth in Section 10.26.030 have been met as follows:

- (a) Non-residential vehicles, as that term is defined in Section 10.26.010 of the Sunnyvale Municipal Code, do, or may, substantially interfere with the use of the majority of available public on-street or alley parking spaces by residents living within the proposed RPP Zone A; and
- (b) The interference by non-residential vehicles referenced in subsection (a) of this section occurs at regular and significant intervals, presumed to be not less frequently than three times per week; and
- (c) The non-residential vehicles parked within the area of the proposed RPP Zone A create traffic congestion, noise, or other disruption (including shortage of parking spaces for residents and their visitors) that disrupts neighborhood life; and

- (d) A shortage of reasonably available and convenient residentially related parking spaces exists in the area of the proposed zone; and
- (e) No alternative solution is feasible or practical.

2. **NAME AND BOUNDARIES OF THE RESIDENTIAL PREFERENTIAL PARKING ZONE.** The name of the proposed Residential Preferential Parking (“RPP”) Zone established by this resolution shall be RPP Zone A. RPP Zone A shall include those areas visually represented in Exhibit A, attached hereto and incorporated herein by this reference, which are also described below in Table 1:
