1.000 Pay Plan Schedules

The schedule of pay for each classification in the Classified Service and in the Unclassified Service enumerated by pay categories A, B, C, G, L, and TL consist of hourly pay rates for each available step in each classification. The schedule of pay for Unclassified and Classified Management classifications enumerated by pay categories D, E, F, K and M consists of minimum and maximum salary range for each classification.

All pay ranges and rates are contained in Exhibit "A" (posted Salary Tables) and incorporated by this reference.

Pay Plan Schedules A through TL apply to employee categories as follows:

Pay Plan Category A applies to employees represented by the Communications Officers Association (COA).

Pay Plan Category B applies to employees represented by the Sunnyvale Employees Association/IPTE Local 21 (SEA).

Pay Plan Category D applies to unrepresented Classified Management employees. This category represents mid-management employees.

Pay Plan Category E applies to employees represented by the Sunnyvale Managers Association (SMA).

Pay Plan Category F applies to employees in Unclassified Department Director positions who report directly to the City Manager. These classes are the highest level management positions at the department level. Employees in these positions are responsible for overall direction of their respective department operations within the context of City policy.

Pay Plan Category G applies to unrepresented Classified Confidential employees. [Note: For purposes of wage increases/decreases, benefits and leaves, Category G employees receive the same treatment as Category B employees, except as provided in Section 3.910, Section 4.000, Section 4.100, and Section 4.300].

or similar work as the regular part-time classifications are represented by SEIU; however, they are not part of the Category L. Such Casual/Temporary employees are eligible for the same pay steps and hourly pay rates as Category L in Exhibit "A" (posted Salary Table). However, such Casual/Temporary employees are unclassified and do not receive the same benefits and leaves treatment as Category L employees, unless specifically provided to Casual/Temporary employees in the SEIU Memorandum of Understanding (MOU), Salary Resolution or Administrative Policies.

Upon completion of 6 months of continuous City service, employees in Category L may be assigned the next step in the pay range to which the classification is assigned. Such merit increase shall not be approved unless the employee's work performance is acceptable. Consideration for each subsequent one step merit adjustment is given upon completion of intervals of 12 months of continuous service until the employee's hourly pay rate reaches the top step of the pay range. Increases may be granted effective with the pay period immediately following completion of the requisite hours.

Merit increase frequency and requirements for Pay Plan Category L employees do not apply to Casual/Temporary employees represented by SEIU. Wage changes for Casual/Temporary are described in Section 8.000 Casual/Temporary Pay Rate Assignments and Step Increases of the Salary Resolution and Administrative Policy.

7.130 Merit Increase – Management

Upon completion of 13 pay periods of service, employees in Categories D and K who receive an overall acceptable rating of meeting expectations on their most recent performance evaluation may receive an increase in salary above the rate to which they were initially assigned, up to but not exceeding the salary range.

The pay rate for employees in Categories D and K will be considered for adjustment beyond that granted after the first 13 pay periods of service following the completion of 26 pay periods from the prior increase in salary, up to but not exceeding the salary range. Increases in salary shall be granted effective with the pay period immediately following the completion of 26 pay periods. The pay rate adjustment is subject to an overall acceptable rating of meeting expectations on the employee's most recent performance evaluation. Increases of more than 5% require approval of the City Manager.

Upon completion of 26 pay periods of service, employees in Category F who receive an overall acceptable rating of meeting expectations on their most recent performance evaluation may receive an increase in salary as determined by the City Manager, above the rate to which they were initially assigned, up to but not exceeding the range maximum. The pay rate will be considered for adjustment beyond that granted after the first 26 pay periods of service following the completion of an annual performance evaluation, up to but not exceeding the range maximum. The pay rate adjustment is subject to an overall acceptable rating of meeting expectations on the employee's most recent performance evaluation. All salary increases require approval of the City Manager. For extenuating or bona fide circumstances, the City Manager may increase the salary for a Category F employee outside of the annual performance review cycle.

7.140 Promotion – Non-Management

Upon promotion to a full-time non-management classification having an assigned pay range greater than the classification from which the employee is being promoted, employees in Categories A, B, C, G, and TL shall be entitled either to that hourly pay step in the pay range of the

higher class which is at least 5% above the employee's current hourly step rate, or that step the employee would have received within 2 pay periods had the promotion not been made, provided the increase does not exceed the rate contained in the top salary step. Thereafter, the employee will be considered for merit increases in the same manner as other probationary employees.

Upon promotion to a regular part-time classification having an assigned pay range greater than the classification from which the employee is being promoted, the employee shall be entitled to that hourly pay step in the pay range of the higher classification which is at least 5% above the employee's current hourly step rate, provided the increase does not exceed the rate contained in the top salary step. Thereafter, the employee will be considered for merit increases in the same manner as other probationary employees.

7.150 Promotion – Management

Employees in Category D who are promoted to a classification which has been assigned a salary range greater than the classification from which the employee is being promoted shall be entitled to assignment to a pay rate in the new salary range which provides at least 5% above the employee's current hourly rate, or the rate which the employee would have received with a meeting or exceeding expectation of performance within 2 pay periods had the promotion not been made, provided the increase does not exceed the salary range for the new classification.

Employees in Category K who are promoted in similar circumstances shall likewise receive an increase, subject to the determination of the City Attorney. Thereafter, the employee is considered for merit increases in the same manner as other Management employees.

For employees in Category E and M, refer to the applicable MOU or the Administrative Policy Manual for information on changes in pay upon promotion.

7.170 Grant Funded Employment

(a) The City may hire employees in grant-funded positions where the position is funded by grant funds or similar types of non-City funding sources.

(b) Job classification titles for grant-funded positions shall be distinct from job classification titles for regular positions.

(c) Prospective employees shall be advised in the job announcement and at the time of employment, and acknowledge in writing the impact of the grant-funded status, including that the City has the authority to terminate employment at the completion of the grant, or for reduction or

loss of grant funding.

(d) Unless otherwise stated by the funding source or agency, employees in grant-funded positions shall receive the same benefits as regular employees. Employees who will be working a regular full-time position in a management classification will be included in the Sunnyvale Managers Association bargaining unit; employees who will be working a regular full-time position in a non-management classification will be included in the Sunnyvale Employees Association bargaining unit; and employees who will be working a regular part-time position will be included in the Services Employees International Union bargaining unit.

(e) Casual/Temporary assignments shall be employed in the unclassified service as Casual/Temporary employees. Casual/Temporary employees are unrepresented, unless specifically described in Section 1.000 of the Salary Resolution or applicable MOU, are eligible for only those benefits applicable to this category of employment, and are limited to 900 hours of work in the fiscal year.

7.180 Term Limited Employment

(a) Term limited appointments are designed for limited duration projects and shall not be used to displace regular bargaining unit represented positions. There shall be no adverse effect on the bargaining units, as all bargaining unit members shall continue to receive full protections under existing MOUs. The intent behind Term Limited positions is to avoid layoffs – i.e., avoid hiring and then laying off employees retained to perform work of a limited duration. The assignment of regular employees to perform work related to the limited duration project with Term Limited employees used to provide backfill for the work of regular employees shall not be considered displacement of regular bargaining unit represented positions.

(b) Term Limited positions are different from Grant Funded employment as described in 7.170 above, in that Term Limited appointments shall be tied to a budget for a specific project or projects of limited anticipated duration.

(c) Term Limited appointments must be approved by the City Manager.

(d) Term Limited appointments are “at-will” and may be terminated at any time with or without cause. Further, the City has the authority to terminate employment at the completion of the specified term, or prior to the specified term due to lack of funding or other budgetary constraints, or lack of work.

(e) Term Limited appointments shall specify their duration, and shall not exceed two

years, except under special circumstances approved by the City Manager, in which case the term may be extended by no more than 1 year. Such positions are not intended to replace regular, budgeted positions. Duration in position is counted from hire date and is not based on work hours. For term limited appointments assigned to the Enterprise Resource Planning (ERP) project, the City Manager may authorize exceptions to the duration maximum, extending the allowed term to ensure sufficient coverage through the end of ERP implementation and the associated stabilization period.

(f) Term Limited positions shall be subject to membership in the applicable bargaining unit and shall receive the full benefits applicable to their bargaining unit, except as limited by their "at-will" status.

(g) Prospective employees shall be informed of the duration of the appointment in the job announcement and at the time of employment, and shall be advised of and acknowledge in writing the impact of the Term Limited status, including that the City has the authority to terminate employment at the completion of the term, or prior to the specified term due to lack of funding or other budgetary constraints, or lack of work. Prospective employees shall also be advised of and acknowledge in writing their status as at-will employees and the City's ability to terminate their employment for any reason with or without cause.

(h) At the request of any bargaining unit, the City will meet with bargaining unit representatives no less than twice a year to hear and resolve any concerns about the Term Limited program.

There shall be no more than twenty-seven (27) Term Limited employees in the SEA bargaining Unit. However, a regular SEA employee in an out of class assignment (either within or outside of the bargaining unit) shall not count against the twenty-seven (27).

7.190 Severance

Employees in Category F may be terminated or asked to resign at the discretion of the City Manager. Upon execution of a release of all claims against the City, the employee shall be eligible for severance payment. Upon separation, the employee shall be eligible for one (1) month of base salary as severance for each full year of employment with the City of Sunnyvale, with a minimum of three (3) months of salary and up to a maximum of six (6) months of salary. However, the City Manager may authorize any amount between three (3) and six (6) months as determined reasonable and appropriate. The severance benefit shall not be available if the employee is

terminated for serious misconduct involving abuse of their office or position, including but not limited to waste, fraud, violation of the law under color of authority, misappropriation of public resources, violence, harassment or discrimination. If the employee is later convicted of a crime involving such abuse of their position, the employee shall fully reimburse the City as set forth in the Government Code section 53243.3.

8.000 Casual/Temporary Pay Rate Assignments and Step Increases

Pay rate assignments and pay step increases for Casual/Temporary employees shall be administered by the City Manager in accordance with the policies stated herein. The City Manager shall promulgate such rules and procedures as are necessary to put said policies into effect.

Casual/Temporary employees at the time of appointment are ordinarily assigned the hourly rate in the first step or the minimum of the pay range; however, the department may assign employees to a higher step or hourly rate based on qualifications and experience, and/or specific job functions, or in cases where it is necessary to attract qualified personnel.

Casual/Temporary employees may be considered for an initial merit increase after completion of 1040 hours of service and additional merit increases upon completion of intervals of 2080 hours of service. One step increase or 5% increase may be considered, up to but not exceeding the top step or maximum pay range. However, a merit increase shall not be approved unless the employee's work performance is rated satisfactory or better. In situations where the above hour criteria for merit increases is not reasonable given the nature of a Casual/Temporary assignment, individual departments may assign a Casual/Temporary employee to the next step in the series upon completion of a minimum of 12 months of service in the current job classification and step, and a minimum number of hours worked as established by the department.

9.000 Pay Basis

An eligible employee may be paid under multiple pay ranges or scheduled amounts in any given pay period, in addition to working out of class, on special assignment or under special circumstances.

10.000 Effective Date

Unless otherwise specifically indicated, all provisions herein contained shall be effective as of the date of posting. This version of the Salary Resolution supersedes any prior versions and amendments thereto.
