

USE PERMIT/SPECIAL DEVELOPMENT PERMIT JUSTIFICATIONS

One of the two following findings must be made in order to approve a Use Permit or Special Development Permit application.

The Sunnyvale Municipal code states that at least one of the following two justifications must be met before granting the Use Permit or Special Development Permit. Please provide us information on how your project meets at least one of the following criteria.

1. The proposed use attains the objectives and purposes of the General Plan of the City of Sunnyvale as the project ...

will develop and implement a family child care program to support young working parents in the City of Sunnyvale, to have a safe place where their children can stay while the parents are at work, encouraging diversity, enhancing the high quality character of our residential neighborhood and having a positive impact on local businesses and their retention programs.

Our family child care program will also assure that parents and their families will have reasonable access to city information in a timely manner provided by the YFR, sharing services and programs information offered by the City of Sunnyvale, the Sunnyvale Library and local schools, while reinforcing positive neighborhood values, encouraging interest, activities and events for parents, infants and toddlers at Sunnyvale parks and local physical attractions.
