WHEREAS, to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development, the Legislature of the State of California adopted Government Code Sections 65864 et seq. (the Development Agreement Statute) which authorizes cities to enter into agreements for the development of real property in order to establish certain development rights in such property; and

WHEREAS, pursuant to Government Code Section 65865, the City has adopted rules and regulations establishing procedures and requirements for consideration of development agreements as set forth in Resolution No. 371-81; and

WHEREAS, on September 28, 2021, the City Council adopted Ordinance No. 3182-21 adopting the original Development Agreement; and

WHEREAS, the City has received an application to consider a First Amendment to the Development Agreement; and

WHEREAS, Applicant now proposes to make minor changes to the Project, including the addition of above-ground parking structure on an adjacent parcel located in the city of Santa Clara, the addition of an internal courtyard, the modification of a pedestrian bridge, and the reduction of the total building area by 6,000 square feet, which necessarily requires an amendment to the previously-approved original Development Agreement; and

WHEREAS, a copy of the proposed First Amendment to the Development Agreement is attached hereto and incorporated herein as Exhibit "A" to this ordinance; and

WHEREAS, in 2021, the City Council certified the Final SEIR(State Clearinghouse #2019012022) for the Lawrence Station Area Plan (LSAP) Amendments pursuant to the California Environmental Quality Act (Public Resources Code Sections 21000 et seq., "CEQA"), the Guidelines for Implementation of the California Environmental Quality Act (14 California Code of Regulations, Sections 15000 et seq., the "State EIR Guidelines") and the City's Local Guidelines for Implementing CEQA (the "Local Guidelines"); and

WHEREAS, CEQA Guidelines Section 15164(a) provides that an agency "shall prepare an addendum to a previously certified EIR if some changes or additions are necessary but none

of the conditions described in Section 15162 calling for preparation of a subsequent EIR have occurred”; and

WHEREAS, with respect to the proposed minor changes to the Project, none of the triggers set forth in CEQA Guidelines Section 15162 have occurred that would require the preparation of a subsequent EIR; and

WHEREAS, pursuant to CEQA Guidelines Section 15164, the City prepared an addendum to the Lawrence Area Station Plan Update/Intuitive Surgical Corporate Campus Project Final Subsequent Environmental Impact Report (Addendum); and

WHEREAS, pursuant to the Development Agreement Statute and City regulations, the Planning Commission held a duly noticed public hearing on July 8, 2024 and has found that the proposed First Amendment to the Development Agreement is consistent with the objectives of the general plan, compatible with the uses authorized for the Project Area, in conformity with public convenience and beneficial to the public welfare, and will not adversely impact the orderly development of property; and

WHEREAS, the City Council, after published notice, held a public hearing on August 27, 2024, concerning the proposed First Amendment to the Development Agreement, and has considered the reports and documents presented by City staff, the Planning Commission's recommendation, and the written and oral comments presented at the public hearing.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SUNNYVALE DOES ORDAIN AS FOLLOWS:

SECTION 1. FINDINGS. The City Council hereby finds and declares that the above recitals are true and correct. The City Council finds that the provisions of the First Amendment to the Development Agreement are consistent with the City's General Plan and the LSAP as they will exist on the effective date of this ordinance, and hereby incorporates the findings regarding General Plan and LSAP conformity contained in the Planning Commission findings dated _____. The City Council finds that the provisions of the First Amendment to the Development Agreement are compatible with the uses authorized in the regulations prescribed for the land use district in which the real property is located; are in conformity with public convenience and good land use practice; are not detrimental to the public health, safety and general welfare; are of a beneficial effect on the order development of property and the preservation of property values; and are consistent with the requirement of Resolution 371-81. The City Council finds that the Developer is providing a public benefit to the City by, among other things, making a substantial monetary contribution to the City through ongoing sales tax guarantees, design and construction of off-site street improvements and a publicly-accessible shared-use path, construction of an all-electric building in furtherance of the City's Climate Action goals, and designating the City as point of sale for sales tax purposes during construction, and other community benefits described in the original Development Agreement and the First Amendment to the Development Agreement. The City Council further finds that development of the Project will require several years to complete, and a development agreement is appropriate for the property to ensure that the Project will be completed.

SECTION 2. FIRST AMENDMENT TO THE DEVELOPMENT AGREEMENT ADOPTED. The First Amendment to the Development Agreement, as set forth in Exhibit "A", is hereby adopted, subject to such minor, conforming and clarifying changes consistent with the terms thereof as may be approved by the City Manager, in consultation with the City Attorney prior to execution thereof, including completion of references and status of planning approvals, and completion and conformity of all exhibits thereto, and conformity to the General Plan and Lawrence Station Area Plan, and amended and approved by the City Council. The City Manager and the City Clerk of the City of Sunnyvale are hereby authorized and directed to execute and attest, respectively, the Agreement on behalf of the City of Sunnyvale.

SECTION 3. CEQA. The environmental effects of the Project subject to the proposed First Amendment to the Development Agreement were analyzed in an Environmental Checklist/Addendum to the Lawrence Station Area Plan Update/Intuitive Surgical Corporate Campus Project Final Subsequent Environmental Impact Report. The City Council has reviewed the Environmental Checklist/Addendum and finds that it reflects the independent judgment of the City Council and its staff. The City Council finds that in accordance with Public Resources Code Section 21083.3 and Section 15183 of the CEQA Guidelines, the proposed Project meets the criteria for streamlined environmental review. The First Amendment to the Development Agreement, which is the subject of this ordinance, incorporates and implements the Lawrence Station Area Plan Update/Intuitive Surgical Corporate Campus Project Final Subsequent Environmental Impact Report, the Environmental Checklist/Addendum, and the underlying Development Agreement, pursuant to this Ordinance. The Director of Community Development shall file a Notice of Determination with the County Clerk under Title 14, California Code of Regulations Section 15075.

SECTION 4. RECORDATION. The City Clerk is hereby directed to record the Development Agreement with the county recorder in compliance with the provisions of Government Code Section 65868.5.

SECTION 5. CONSTITUTIONALITY; SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid by a court of competent jurisdiction, such decision or decisions shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have adopted this ordinance, and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more section, subsection, sentence, clause or phrase be declared invalid.

SECTION 6. EFFECTIVE DATE. This ordinance shall be in full force and effect thirty (30) days from and after the date of its adoption.

SECTION 7. POSTING AND PUBLICATION. The City Clerk is directed to cause copies of this ordinance to be posted in three (3) prominent places in the City of Sunnyvale and to cause publication of a notice once in The Sunnyvale Sun, the official newspaper for publication of legal notices of the City of Sunnyvale, setting forth the date of adoption, the title of this ordinance, and a list of places where copies of this ordinance are posted, within fifteen (15) days after adoption of this ordinance.
