---

# 40+ Programs

---

Focusing on Sustainability, Conservation, and/or Climate Education  
(March 2025 – Jan. 2026)

# Empowering Self-Reliance

# Learning to Adapt

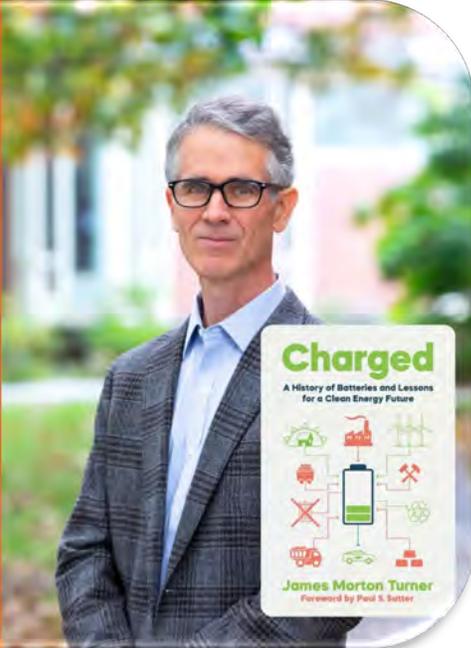

## Community & Climate: Charged: A History of Batteries and Lessons for a Clean Future

Join us for an online session with author Jay Turner, Professor of Environmental Studies at Wellesley College, as he unpacks the history of batteries to explore why solving "the battery problem" is critical to a clean energy transition.

Originally presented live with the Sunnyvale Public Library on Thursday, December 4, 2025
