The day was not without drama: As the time neared for LionDanceME's outdoor performance fea... See more

March 22, 2023

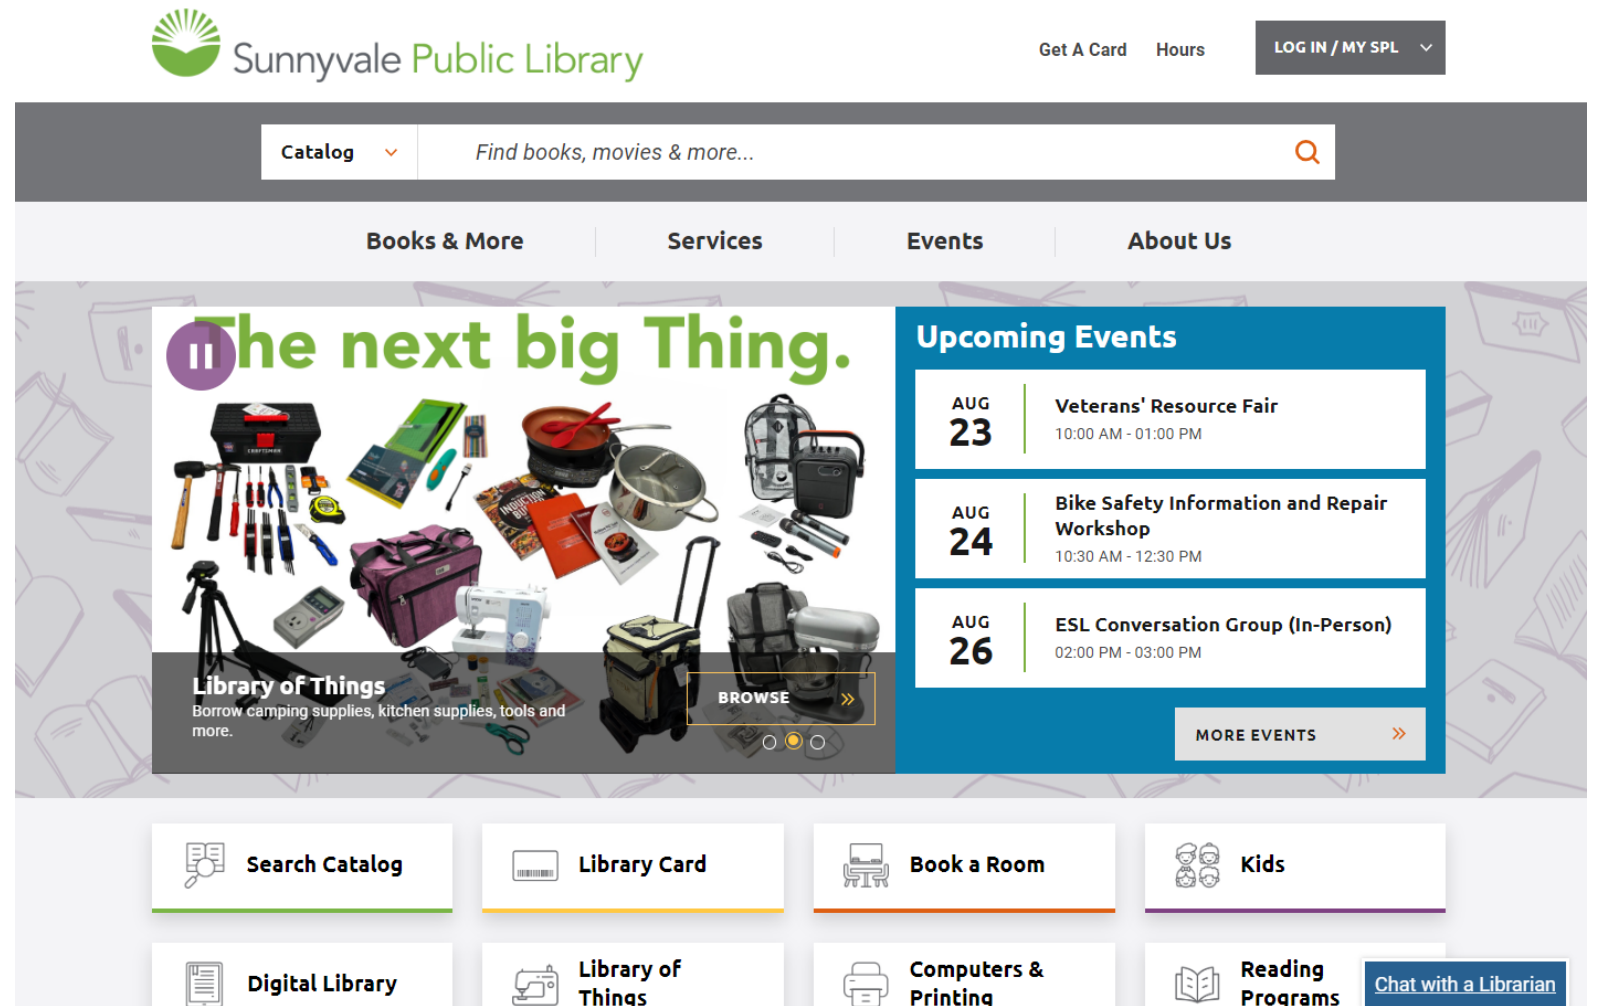

A week ago today: On Wednesday, March 15, power outages in Sunnyvale and surrounding cities brought you and your neighbors to our Library to use the wi-fi and charge your devices. With every seat near an outlet occupied, we stocked our Program Room with all the power strips we could find to meet this unexpected rush. Our people counter logged 2,061 patrons that day! Thank you for using the Library.
