

ORDINANCE NO.

**AN ORDINANCE OF THE CITY OF SUNNYVALE
APPROVING A DEVELOPMENT AGREEMENT BETWEEN
THE CITY OF SUNNYVALE AND BEP MOFFETT PARK
LLC FOR THE DEVELOPMENT OF PROPERTY AT 333-
385 MOFFETT PARK DRIVE**

WHEREAS, to strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the Legislature of the State of California adopted Government Code Sections 65864 *et seq.* (the “Development Agreement Statute”) which authorizes cities to enter into agreements in connection with the development of real property within their jurisdiction by qualified applicants with a requisite legal or equitable interest in the real property which is the subject of such development agreement; and

WHEREAS, pursuant to Government Code Section 65865, the City has adopted rules and regulations establishing procedures and requirements for consideration of development agreements as set forth in Resolution No. 371-81 (the “Development Agreement Resolution”; and

WHEREAS, BEP Moffett Park LLC, a Delaware limited liability company (“Applicant”), has a legal interest in that certain real property located in Sunnyvale, California consisting of approximately 4.99 acres to the west of the intersection of Moffett Park Drive and Innsbruck Drive, and commonly known as 333, 375 and 385 Moffett Park Drive, Assessor Parcel Number 110-34-005 (the “Property”); and

WHEREAS, Applicant desires to redevelop the Property by demolishing the existing structures and onsite improvements and constructing a three-story building of 293,996 square feet, above a three-level above-ground podium parking garage, with outdoor podium-level amenities and landscaping; and

WHEREAS, the Project is a significant development, among the first to implement the vision of the Moffett Park Specific Plan, that will incorporate 217,697 square feet of bonus floor area (above the base allowed 76,299 square feet of floor area) and provide public facilities and community benefits under the Specific Plan; and

WHEREAS, a primary purpose of this Development Agreement is to assure the Project can proceed without disruption caused by a change in the City’s planning policies and requirements after the date of Project approval, to provide the Applicant with flexibility to develop the Project in response to market conditions, and to ensure the required community benefits and public benefits the Applicant is committing to provide in connection with the development of the Project are timely delivered; and

WHEREAS, a copy of the proposed Development Agreement is attached hereto and incorporated herein as Exhibit "A" to this ordinance; and

WHEREAS, as part of its consideration of the updated Moffett Park Specific Plan, the City

prepared an Environmental Impact Report (collectively, "EIR") (State Clearinghouse #SCH #20210803) pursuant to the California Environmental Quality Act (Public Resources Code Sections 21000 et seq., "CEQA"), the Guidelines for Implementation of the California Environmental Quality Act (14 California Code of Regulations, Sections 15000 et seq., the "State EIR Guidelines") and the City's Local Guidelines for Implementing CEQA (the "Local Guidelines"); and

WHEREAS, the EIR provided a program-level review of the environmental impacts of the Moffett Park Specific Plan amendments, identified measures to mitigate, to the extent feasible, the significant adverse project and cumulative impacts associated with the buildout anticipated by the Moffett Park Specific Plan, and identified some impacts that would remain significant and unavoidable after mitigation; and

WHEREAS, on July 11, 2023, the City Council made Findings, adopted a Statement of Overriding Considerations and a Mitigation Monitoring and Reporting Program, and certified the EIR for the Moffett Park Specific Plan amendments; and

WHEREAS, pursuant to the Development Agreement Statute and City regulations, the Planning Commission held a duly noticed public hearing on November 10, 2025, on the proposed Project and found that the proposed Development Agreement is consistent with the objectives of the general plan, compatible with the uses authorized for the Project Area, in conformity with public convenience and beneficial to the public welfare, and will not adversely impact the orderly development of property; and

WHEREAS, the City Council, after published notice, held a public hearing on _____ concerning the proposed Project, and has considered the reports and documents presented by City staff, the Planning Commission's recommendation, and the written and oral comments presented at the public hearing.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SUNNYVALE DOES ORDAIN AS FOLLOWS:

SECTION 1. FINDINGS. The City Council hereby finds and declares that the above recitals are true and correct and are hereby incorporated as findings. The City Council finds that the provisions of the Development Agreement are consistent with the City's General Plan and the Moffett Park Specific Plan as they will exist on the effective date of this ordinance, and the City Council hereby incorporates the findings regarding General Plan and Specific Plan conformity contained in the Planning Commission findings dated November 10, 2025. The City Council finds that the provisions of the Development Agreement are compatible with the uses authorized in the regulations prescribed for the land use district in which the real property is located; are in conformity with public convenience and good land use practice; are not detrimental to the public health, safety and general welfare; are of a beneficial effect on the order development of property and the preservation of property values; and are consistent with the requirement of Resolution 371-81. The City Council finds that the Developer is providing a public benefit to the City by, among other things, making a substantial monetary contribution to the City, design and construction of public improvements and amenities including a privately owned publicly accessible (POPA) area,

construction of an all-electric building (LEED Platinum certified) in furtherance of the City's Climate Action goals, and designating the City as point of sale for sales tax purposes during construction, and other community benefits described in the Development Agreement. The City Council further finds that development of the Project will require several years to complete, and a development agreement is appropriate for the Property to ensure that the Project will be completed.

SECTION 2. DEVELOPMENT AGREEMENT ADOPTED. The Development Agreement, as set forth in Exhibit "A", is hereby adopted, subject to such minor, conforming and clarifying changes consistent with the terms thereof as may be approved by the City Manager, in consultation with the City Attorney prior to execution thereof, including completion of references and status of planning approvals, and completion and conformity of all exhibits thereto. The City Manager and the City Clerk of the City of Sunnyvale are hereby authorized and directed to execute and attest, respectively, the Development Agreement on behalf of the City of Sunnyvale.

SECTION 3. CEQA. The environmental effects of the Project subject to the proposed Development Agreement were analyzed in the Moffett Park Specific Plan Environmental Impact Report (the "EIR"), certified and adopted by City Council Resolution No. 1199-23 on July 11, 2023. The City Council adopts the analysis set forth in the CEQA checklist prepared for the Project and finds that in accordance with Public Resources Code Section 21094(b) and Section 15168(c)(2) of the CEQA Guidelines, none of the conditions or circumstances that would require preparation of subsequent or supplemental environmental review pursuant to Public Resources Code Section 21166 and CEQA Guidelines Section 15162 exists in connection with the Project. The City Council certified the EIR as having been prepared in compliance with the requirements of the California Environmental Quality Act ("CEQA"), made necessary findings, adopted a statement of overriding considerations related to certain impacts on cultural and historic resources, traffic, noise, and utilities, and adopted a Mitigation Monitoring and Reporting Program. The City Council incorporates by this reference the findings, Mitigation Monitoring and Reporting Program ("MMRP") and Statement of Overriding Considerations contained in Resolution No. 1199-23 as to the environmental effects of the Moffett Park Specific Plan update and makes those same findings, and adopts the same MMRP and Statement of Overriding Considerations for the Project subject to the Development Agreement, together with the additional findings contained in this ordinance. The Director of Community Development shall file a Notice of Determination with the County Clerk under Title 14, California Code of Regulations Section 15075.

SECTION 4. RECORDATION. The City Clerk is hereby directed to record the Development Agreement with the county recorder in compliance with the provisions of Government Code Section 65868.5.

SECTION 5. CONSTITUTIONALITY; SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid by a court of competent jurisdiction, such decision or decisions shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have adopted this ordinance, and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more section, subsection, sentence, clause or phrase be declared invalid.

SECTION 6. EFFECTIVE DATE. This ordinance shall be in full force and effect thirty

(30) days from and after the date of its adoption.

SECTION 7. POSTING AND PUBLICATION. The City Clerk is directed to cause copies of this ordinance to be posted in three (3) prominent places in the City of Sunnyvale and to cause publication of a notice once in The Sunnyvale Sun, the official newspaper for publication of legal notices of the City of Sunnyvale, setting forth the date of adoption, the title of this ordinance, and a list of places where copies of this ordinance are posted, within fifteen (15) days after adoption of this ordinance.

Introduced at a regular meeting of the City Council held on _____, and adopted as an ordinance of the City of Sunnyvale at a regular meeting of the City Council held on _____, by the following vote:

DEVELOPMENT AGREEMENT
by and between
BEP MOFFETT PARK LLC and CITY OF SUNNYVALE

Project name: 333-385 Moffett Park Drive

THIS DEVELOPMENT AGREEMENT, dated for convenience _____, 202_, at Sunnyvale, California ("Agreement") is entered into by and between BEP Moffett Park LLC, a Delaware limited liability company (referred to herein as "Landowners") and the CITY OF SUNNYVALE, a charter city, created and existing under the laws of the State of California (the "City"), pursuant to the authority of Sections 65864-65869.5 of the Government Code of the State of California, and City of Sunnyvale Resolution No. 371-81. The Agreement creates legal obligations pertaining to the Project as more particularly described below.

RECITALS

A. State Authorization. To strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the Legislature of the State of California adopted Section 65864 *et seq.* of the Government Code (the "Development Agreement Statute"), which authorizes the City to enter into a binding property development agreement with any person having a legal or equitable interest in real property for the development associated with such property in order to establish certain development rights in the property which is the subject of the development project application.

B. City Procedure and Requirements. The City has implemented the provisions of Government Code Section 65864 *et seq.* and adopted certain development agreement procedures and requirements through the enactment of Resolution No. 371-81, adopted on December 15, 1981 (hereinafter referred to as the "Development Agreement Resolution").

- C. Landowners. The Landowners are BEP Moffett Park LLC
- D. Developers. The Developers are BEP Moffett Park LLC (“Developers”).
- E. Property. The subject of this Agreement is the development of that certain property located at 333-385 Moffett Park Drive in the city of Sunnyvale, California, County of Santa Clara, Accessor’s Parcel Number 110-34-005, as described in Exhibit A (hereinafter referred to as the “Property”), attached hereto and incorporated herein by reference. The Landowners either own, or are the sole members of each of the entities that own the Property in fee. Subject to the terms of Section 8.5 and Section 11.2 hereof, all persons holding legal or equitable interests in the Property shall be bound by this Agreement.
- F. Moffett Park Specific Plan. The subject Property is located within the area subject to the Moffett Park Specific Plan (or “MPSP”). The MPSP was originally adopted in 2004, updated in 2006, 2009, 2011, 2013, and 2016, and then comprehensively updated and adopted by the City Council on July 11, 2023.
- G. Project. Developers propose to construct a new office complex measuring approximately 294,500 square feet (135% FAR) with structured parking of approximately 800 parking spaces, 589 of which will be exclusively for private use and the remainder of which will be available for public use (the “Project”). The Project would also include a private landscaped roof deck, sidewalk and street improvements, drive and loading access from Moffett Park Drive and a private shared easement for bicycle and pedestrian use (the “Laneway”).
- H. Office Use. The City supports the inclusion of Research and Development and certain laboratory uses within the Moffett Park Specific Plan area, consistent with the vision of the MPSP. The SOJA neighborhood, where this Project is located, is designated to accommodate a variety of uses, including R&D Office (R&D). R&D may include a form of laboratory as well as incidental industrial uses, where appropriate, but any proposed laboratory use would require additional CEQA review as laboratories were not evaluated in the MPSP EIR. These R&D uses are encouraged and supported provided they are consistent with the vision of Moffett Park Specific Plan as an “integral part of Sunnyvale, and a well-connected ecological innovation district with a diverse mix of uses that serves as a model of resilience, climate protection, equity, and economic opportunity” and are compatible with planned adjacent land uses”. Consistency and compatibility are determined through the Miscellaneous Plan Permit (“MPP”) or Special Development Permit (“SDP”) processes
- I. Environmental Review. The City examined the environmental effects of the MPSP in an Environmental Impact Report (the “EIR”) prepared pursuant to the California Environmental Quality Act (Public Resource Code Section 21000 *et seq.*; “CEQA”) (State Clearinghouse No. 2021080338). On July 11, 2023, the City Council reviewed and certified as adequate and complete the EIR by Resolution No. 1199-23, and adopted written findings and approved a Mitigation Monitoring and Reporting Program. The City Council adopted a Statement of Overriding Considerations in connection with its approval of the MPSP pursuant to Section 15093 of Title 14 of the CEQA Guidelines. The City prepared a CEQA Checklist to examine the environmental effects of this Agreement and the Development Approvals (as defined in Recital O below) which concluded that the Project is consistent with and within the scope of the previously

certified EIR (the “CEQA Checklist”). The City Council considered and approved the CEQA Checklist on [REDACTED].

J. Purposes. The Landowners and City desire to enter into an agreement for the purpose of implementing the plan for development of the Project as set forth herein, and in the MPSP and Development Approvals. The City has an expressed interest in ensuring the adequacy of public facilities and infrastructure improvements to support well-planned growth, and entering into development agreements is a method whereby a level of assurance can be achieved to meet that interest. The City has determined that the development of the Project pursuant to the MPSP is a development for which a development agreement is appropriate. A development agreement will provide certain benefits to the City, as described in Article 2, will eliminate uncertainty in the City's land use planning, will provide orderly development of the Property in accordance with the policies and goals set forth in the City's General Plan and MPSP, and will otherwise achieve the goals and purposes of Resolution No. 371-81, which was adopted by the City on December 15, 1981. The Landowners have incurred and will incur substantial costs in order to comply with the conditions of approval and to assure development of the Property in accordance with this Agreement. In exchange for these benefits to the City and the public, the Landowners desire to receive assurance that the City shall grant permits and approvals required for the development of the Property in accordance with existing city laws, subject to the terms and conditions contained in this Agreement. In order to effectuate these purposes, the Parties desire to enter into this Agreement.

K. Relationship of City and Landowners. It is understood that this Agreement is a contract that has been negotiated and voluntarily entered into by City and Landowners and that the Landowners are an independent entity and not an agent or partner of City. City and Landowners hereby renounce the existence of any form of joint venture or partnership between them, and agree that nothing contained in this Agreement or in any document executed in connection with this Agreement shall be construed as making City and Landowners joint ventures or partners.

L. Planning Commission Recommendations of Approval. The application for approval of this Agreement and the appropriate CEQA documentation required for approval of this Agreement, including the CEQA Checklist, were considered by the Planning Commission, on [REDACTED]. After conducting a duly noticed public hearing, the Commission recommended the adoption of this Agreement to the City Council.

M. Development Agreement Adoption. After conducting a duly noticed public hearing and making the requisite findings, the City Council approved and introduced this Agreement by the first reading of Ordinance No. [REDACTED] on [REDACTED]. On [REDACTED], the City Council adopted this Agreement by the second reading of Ordinance No. [REDACTED] (the “Adoption Date”), and authorized its execution.

N. Consistency with Sunnyvale General Plan and MPSP. Development of the Property in accordance with this Agreement will provide for orderly growth and development in accordance with the policies set forth in the City General Plan, the MPSP, and the Development Approvals as further described in Recital O, below. Having duly examined and considered this Agreement and having held properly noticed public hearings hereon, the City Council finds and declares that this Agreement is consistent with the MPSP, General Plan of the City and with the

Development Approvals. This Agreement satisfies the requirements of Government Code Section 65867.5

O. Development Approvals. The following approvals, entitlements, and findings have been adopted by the City with respect to the Property, and constitute the Development Approvals:

1. The Environmental Impact Report for the MPSP (SCH# 2021080338) (comprised of the Draft Environmental Impact Report and the Final Environmental Impact Reports, collectively the “FEIR”), the written findings and a Mitigation Monitoring and Reporting Program adopted on July 11, 2023.
2. The MPSP adopted by Resolution No. 1199-23, on July 11, 2023.
3. This Agreement as more fully set forth in Recital M above.
4. The Site Master Plan Permit (Number PLNG-2025-0137) and Special Development Permit (Number PLNG-2025-0072) authorizing development of the Project on the Property. The Site Master Plan and Special Development Permit will be considered concurrently with this Agreement.
5. CEQA Checklist

P. Development Agreement Resolution. City and Landowners have taken all actions mandated by and fulfilled all requirements set forth in the Development Agreement Resolution.

NOW THEREFORE, pursuant to the authority contained in Government Code Sections 65864-65869.5 and City of Sunnyvale Resolution No. 371-81, and in consideration of the mutual covenants and promises contained herein, the adequacy and sufficiency of which is hereby acknowledged, the Landowners and the City, each individually referred to as a Party and collectively referred to as the Parties, agree as follows.

ARTICLE 1

RECITALS, DEFINITIONS AND DATES

1.1 Incorporation of Recitals. The Preamble, the Recitals and all the defined terms set forth in both, are hereby incorporated into this Agreement as if set forth herein in full.

1.2 Definitions. In addition to the defined terms in the Preamble and the Recitals, each reference in this Agreement to any of the following terms shall have the meaning set forth below for each such term. Certain other terms shall have the meaning set forth for such term in this Agreement.

1.2.1 Applicable Laws. The laws and Constitution of the State of California, excluding its conflict of laws provisions, the laws and Constitution of the United States and any codes, statutes or executive mandates in any court decision, state or federal, thereunder.

1.2.2 Assignee. Any person, business entity, association, organization or other similar entity succeeding to some or all of Landowners' rights and obligations under this Agreement by sale, transfer, or otherwise, including, but not limited to, purchasers, mortgagees, or long term ground lessees of individual lots, parcels, or of any of the buildings located within the Property.

1.2.3 City Laws. The ordinances, resolutions, codes, rules, regulations and official policies of the City, governing the permitted uses of land, density, design, improvements and construction standards and specifications applicable to the development of the Property and property upon which required off-site public improvements (if any) will be constructed. Specifically, but without limiting the generality of the foregoing, City Laws shall include the City's General Plan, the MPSP, the City's Zoning Code (Title 19 of the Sunnyvale Municipal Code), the City's Subdivision Code (Title 18 of the Sunnyvale Municipal Code).

1.2.4 Conditions. All conditions, exactions, fees or payments, dedication or reservation requirements, obligations for on or off-site improvements, services or other conditions of approval called for in connection with the development of or construction of the Project pursuant to the Development Approvals and Vested Entitlements (including Subsequent Approvals) and under City Laws, whether such conditions of approval constitute public improvements, or mitigation measures in connection with environmental review of any aspect of the Project.

1.2.5 Director. The Director of the Community Development Department of the City of Sunnyvale or the Director's designee.

1.2.6 Enacting Ordinance. Ordinance No. [REDACTED], introduced by the City Council on [REDACTED], and adopted by the City Council on [REDACTED], approving this Agreement.

1.2.7 City Manager. The City Manager of the City of Sunnyvale or the City Manager's designee.

1.2.8 Party. A signatory to this Agreement, or a successor or assign of a signatory to this Agreement.

1.2.9 Property. That property described on Exhibits A.

1.2.10 Development Agreement Resolution. Resolution No. 371-81 entitled "Resolution of the City of Sunnyvale Establishing Procedures and Setting a Fee for Processing Development Agreements" adopted by the City Council of the City of Sunnyvale on December 15, 1981.

1.2.11 Reach Codes. The subset of Applicable Rules (as defined in Section 3.2) establishing energy efficiency requirements for building design and construction that are only applicable in the City and exceed the minimum energy efficiency requirements for building design and construction established by California state laws, including, but not limited to, the California Building Code and California Energy Code, as those terms are defined in Title 16 of the Sunnyvale Municipal Code.

1.2.12 Subsequent Approvals. Any and all Development Approvals applied for by Landowners and approved by City following the Effective Date of this Agreement, including, but not limited to, site master plans, special development permits, variances, miscellaneous plan permits, subdivision approvals, street abandonments, design review approvals, demolition permits, improvement agreements, infrastructure agreements, grading permits, building permits, right-of-way permits, lot line adjustments, site plans, sewer and water connection permits, parcel maps, lot splits, landscaping plans, master sign programs, transportation demand management programs, encroachment permits, and amendments to the Development Approvals. At such time as any Subsequent Approval applicable to the Property is approved by the City, then such Subsequent Approval shall become subject to all the terms and conditions of this Agreement applicable to Development Approvals and shall be treated as a “Development Approval” under this Agreement.

1.3 Effective Date; Recordation. The Enacting Ordinance became effective thirty days after the Adoption Date on [REDACTED]. The obligations of the Parties under this Agreement shall be effective as of the effective date of the Enacting Ordinance (the “Effective Date”), pursuant to Government Code Section 36937. Not later than ten (10) days after the Effective Date, the Parties shall cause this Agreement to be recorded in the Official Records of the County of Santa Clara, State of California, as provided for in Government Code Section 65868.5 and the Development Agreement Resolution. However, failure to record this Agreement within ten (10) days shall not affect its validity or enforceability by and between the Parties.

1.4 Term. Except as provided herein, the term of this Agreement shall commence on the Effective Date and terminate eight (8) years thereafter (“Term”); provided however, that if the Parties have not completed their obligations pursuant to Section 4 hereto by the expiration of such term but the Landowners have made the Community Benefit Fund Payment to City as described in Section 4.2.1, the Term of this Agreement may be extended upon written modification executed by both Parties. The extended term may not exceed five (5) years and must be for good cause as determined by the City Manager, supported by substantial evidence. Good cause shall include but not be limited to, economic factors or market conditions impacting the Project's feasibility, costs of materials and labor, and other factors beyond Landowners' control. Landowners may submit documentation to the City Manager to demonstrate Project infeasibility constituting substantial evidence of good cause. Following the expiration of the Term, this Agreement shall be deemed terminated and of no further force and effect; provided, however, said termination of the Agreement shall not affect any right or duty emanating from the Development Approvals, including Subsequent Approvals, on the Property approved concurrently with or subsequent to the approval of this Agreement and/or any development rights conferred by Applicable Law, and as provided in Section 5.3.

1.4.1 If a building permit (partial or complete, including permits for grading and/or foundation construction) is issued by the City prior to expiration of the Term, including any extensions, then pursuant to that building permit, the Landowners may continue to pursue permitting, construction and occupancy of the Project as contemplated under the Development Approvals, including the rights vested under this Agreement as provided in Section 3.

1.5 Capitalized Terms. If any capitalized terms contained in this Agreement are not defined above, then any such terms shall have the meaning otherwise ascribed to them in this Agreement.

ARTICLE 2

BENEFITS TO THE CITY AND LANDOWNERS

2.1 Community Benefits. Landowners shall provide the following community benefits to the City, as more particularly described in Section 4.2 below, and which community benefits are over and above those dedications, conditions, and exactions required by laws or regulations:

2.1.1 Payment of \$3,100,000 for additional square footage and related site improvements for the Project (the "Community Benefit Fund Payment");

2.1.2 In addition to the Building Code requirements the Project will include the design and construction of a LEED Platinum, all electric building with no natural gas infrastructure and with USGBC Certification, based on LEED requirements in effect as of the Effective Date ("Existing LEED Requirements"), in furtherance of the City's Climate Action Plan goals; and

2.1.3 Designation by Landowners that the City is the point of sale for California sales and use tax purposes during Project construction. Landowner shall require all contractors and subcontractors to apply for a jobsite sub-permit with the California Department of Tax and Fee Administration prior to the purchase of any materials, fixtures, furniture, machinery, equipment and supplies for any construction work to be performed on the Project (a "Jobsite Sub-Permit"). Landowner shall furnish a copy of contractors' and subcontractors' Jobsite Sub-Permit prior to the issuance of any building permit.

2.1.4 Other benefits as included in the Site Master Plan and depicted in Exhibits B-1 and B-2 hereto:

- Moffett Park Drive Privately Owned and Publicly Accessible ("POPA") areas
 - approximately 12,119 square feet
- Hillside Pollinator Garden "Mini Park"
- Bike Repair Station POPA
 - approximately 964 square feet
- Connector Shuttle drop off area along Moffett Park Drive

2.2 Landowners' Benefits. City shall provide the following benefits to the Landowners as more particularly described in this Agreement.

2.2.1 Development Reserve Allocation. City shall provide Landowners with 204,888 net new square feet from the MPSP Development Reserve for the Project.

2.2.2 Parking adjustment. The Project may provide shared public parking in excess of two (2) parking spaces per 1,000 square feet and up to a maximum of three (3) parking spaces per 1,000 square feet, as allowed under the MPSP. The provision and location of public parking spaces in excess of two parking spaces per 1,000 square feet shall be at the Landowners' discretion and may be adjusted at Landowners' discretion, subject to concurrence of the Director, and Landowners' on-site posting of public notice at a conspicuous location on each frontage of the Project's parking structure at least five (5) calendar days in advance of the public parking adjustment. Landowners agree to review and adjust shared parking operating hours with the future MPSP Transportation Management Association ("TMA") on an annual basis to reflect utilization and to accommodate tenant security requirements and reimbursement of operating costs. Prior to the establishment of a TMA, adjustments will be subject to City approval.

2.2.3 Laneway. Landowners agree to provide the Laneway as shown in the Site Master Plan PLNG-2025-0137 and Special Development Permit PLNG-2025-0072 and Exhibits B-1 and B-2 hereto, subject to the City's agreement that the City shall: (i) not require any modifications to existing private easements in the Laneway area, (ii) not require Landowners to perform any work or install any improvements on private property outside of the Property, and (iii) only require the Landowners to perform the "Phase 2" improvements (shifting the curb 2 feet), as described in the Development Approvals, if and when (a) one of the neighboring properties is redeveloped and (b) the neighboring property owner is required to shift the curb on their property.

(a) The City shall make good faith efforts to resolve any third party opposition to the Laneway, including authorizing alterations to the Laneway to enable its timely implementation. The City shall allow permitting, construction, inspection, occupancy, and all other aspects of Project development to proceed notwithstanding any third party opposition, challenges or delays pertaining to the Laneway.

ARTICLE 3

GENERAL DEVELOPMENT

3.1 Project Development. Landowners shall have a vested right to develop the Project on the Property in accordance with the Vested Entitlements (defined in Section 3.2) in effect as of the Effective Date and pursuant to all the terms of this Agreement.

3.2 Vested Entitlements. The Landowners have certain vested entitlements including the CEQA Checklist, the Site Master Plan PLNG-2025-0137, Special Development Permit PLNG-2025-0072, and this Agreement (collectively, "Vested Entitlements"). Upon approval, all Subsequent Approvals shall be considered Vested Entitlements. Any other conditions of development applicable to the Property are as set forth in the General Plan, the MPSP, the Zoning Code, the Subdivision Code and other City Laws, applicable on the Effective Date of the Agreement ("Applicable Rules"). The Landowners shall have the vested right to develop the

Project on the Property in accordance with the Applicable Rules and the terms and conditions of the Vested Entitlements, as the same may be amended from time to time upon application by the Landowners. Except as otherwise specified herein, the Vested Entitlements shall control the overall design, development, construction, use and occupancy of the Project, and all improvements and appurtenances in connection therewith, including without limitation, the permitted uses on the Property, density and intensity of uses, the maximum height and sizes of buildings, the allowable floor area ratios, the number of required or allowable parking spaces, and the taxes, assessments, impact fees of any type, or other monetary and non-monetary exactions imposed by the City (as set forth in Section 3.5.2), consistent with the requirements of California Government Code Section 65865.2 and the Development Agreement Resolution.

3.2.1 Except as provided herein, development of the Property shall be governed by the Vested Entitlements and Applicable Rules. The vested rights established in this Agreement, including Sections 3.5.2 and 5.3, shall not be considered to conflict with the MPSP, but to the extent the provisions of this Agreement conflict with the applicable zoning provisions of the MPSP, the MPSP shall take precedence.

3.2.2 This Agreement does not impose affirmative obligations on the Landowners to commence development of the Project, or any phase thereof, in advance of their decision to do so.

3.2.3 City agrees that it will accept, in good faith, for processing, review and action all applications for use and development of the Property in accordance with the Vested Entitlements, and shall act upon such applications in a diligent and timely manner as set forth in this Agreement.

3.2.4 As set forth in Recitals G, H, and I, above, the environmental effects of the Project, Site Master Plan and Special Development Permit (including, but not limited to, the land use and development standards, the design guidelines and the infrastructure requirements contained therein) and this Agreement (including, but not limited to, the development rights and obligations vested hereby) have been thoroughly and fully examined in the CEQA Checklist. The Development Approvals as of the Effective Date do not include laboratory uses, and as stated in Recital H, if laboratory uses are later proposed as part of a Subsequent Approval, the environmental effects would require additional review under CEQA.

3.3 Timing of Development. The Parties acknowledge and agree that presently the Landowners cannot predict the timing of the Project. Therefore, the Landowners have no obligation to develop or construct all or any component of the Project. The timing, sequencing, and phasing of the Project are solely the right and responsibility of Landowners in the exercise of their business judgment so long as it is consistent with the Vested Entitlements and Applicable Rules. Because the California Supreme Court held in *Pardee Construction Co. v. City of Camarillo* (1984) 37 Cal.3d 465 that failure of the parties therein to provide for the timing of development resulted in a later-adopted initiative restricting the timing of development to prevail over the parties' agreement, it is the Parties' intent to cure that deficiency by acknowledging and providing that the Landowners shall have the right to develop the Property in such order, at such rate, and at such times as Landowners deem appropriate within the exercise of its subjective business judgment and the provisions of this Agreement.

3.4 Compliance with Requirements of Other Government Entities.

3.4.1 During the term of this Agreement, Landowners, at no cost to City, shall comply with lawful requirements of, and obtain all permits and approvals required by other local, regional, State and Federal agencies having jurisdiction over Landowners' activities in furtherance of this Agreement. Landowners shall pay all required fees when due to Federal, State, regional, or other local governmental agencies and acknowledge that City does not control the amount of any such fees.

3.4.2 As provided in California Government Code Section 65869.5, this Agreement shall not preclude the application to the Property of changes in laws, regulations, plans, or policies, to the extent that such changes are specifically mandated and required by changes in State or Federal laws or regulations ("State or Federal Law"). In the event changes in State or Federal Law prevent or preclude compliance with one or more provisions of this Agreement, this Agreement shall be modified or suspended as may be necessary to comply with such State or Federal Law. The Parties shall meet and confer in good faith in order to determine whether such provisions of this Agreement shall be modified or suspended as may be necessary to comply with changes in the law and City and Landowners shall agree to such action as may be reasonably required. It is the intent of the Parties that any such modification or suspension be limited to that which is necessary and to preserve to the extent possible the original intent of the Parties in entering into this Agreement. This Agreement, as modified or suspended upon mutual consent of the Parties, shall remain in full force and effect to the extent it is not inconsistent with such State or Federal Law. Nothing in this Agreement shall preclude the City or Landowners from contesting by any available means (including administrative or judicial proceedings) the applicability to the Property of any such State or Federal Law.

3.5 Reservations of Authority. Notwithstanding any other provision of this Agreement, at the time Subsequent Approvals are applied for, the following regulations and provisions shall apply only to those Subsequent Approvals:

3.5.1 Processing fees and, subject to the terms of Section 3.6 of this Agreement, charges of every kind and nature imposed by the City, including application, inspection, and monitoring fees, which are in force and effect within the jurisdiction of the City for the class of Subsequent Approvals being applied for on an area-wide basis, which shall be paid at the rate then in effect.

3.5.2 All taxes, assessments, impact fees of any type, including housing impact fees and transportation impact fees, or other monetary and non-monetary exactions imposed by the City, which are in force and effect within the jurisdiction of the City for other similarly situated projects in the City on a City-wide or area-wide basis, discretionary or ministerial approvals, or taxpayers, as applicable, on which they are imposed, existing as of the Effective Date. For an eight (8) year period commencing on the Effective Date and ending on the 8th anniversary thereof, the City shall not impose any new taxes, assessments, impact fees, or other monetary and non-monetary exactions, which were not in effect within the jurisdiction and applicable to the Project and Subsequent Approvals on the Effective Date (this provision on new fees does not include annual Consumer Price Index ("CPI") (or equivalent index) increases or adjustments to

the taxes, assessments, impact fees of any type, and/or other monetary or non-monetary exactions imposed by the City as shown in Exhibit C—Fee Schedule). Nothing herein shall prevent the City from imposing on the Project new City-wide general and City-wide special taxes adopted in accordance with California Const. Art. XIII C and D et seq., otherwise known as Proposition 218. “City-wide” refers to City Laws, including Proposition 218, generally applicable to a category of development or use of one or more kinds in the City; City Laws that only apply to or impact the Project shall not be considered “City-wide”. After the eight (8) year period has run, the City may impose all taxes, assessments, impact fees of any type, or other monetary and non-monetary exactions, which are in force and effect within the jurisdiction of the City for a broadly based class of land, projects, discretionary or ministerial approvals, or taxpayers, as applicable, on which they are imposed, regardless of when they were first adopted. Any new taxes, assessments, impact fees of any type, or other monetary and non-monetary exactions applied to the Project following the eight (8) year period shall comply with all applicable legal requirements, including Government Code Section 66000 et seq. Landowners retain all applicable legal rights to challenge such new taxes, assessments, impact fees of any type, or other monetary and non-monetary exactions not listed in Exhibit C.

3.5.3 Notwithstanding subsection 3.5.2, above, if the City forms an assessment district including the Property and the assessment district is City-wide or area-wide, as defined in Section 3.5.6, the Property may be legally assessed through such district based on the benefit to the Property, which assessment shall be consistent with the assessment of other property in the district similarly situated. Any subsequently created assessment district is subject to collection solely based on the special assessment statute and shall not affect the development rights for the Project.

3.5.4 Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals and any other matter of procedure, which are in force and effect within the jurisdiction of the City for the class of Subsequent Approvals being applied for, subject to the provisions of Section 3.6 of this Agreement.

3.5.5 With the exception of the Reach Codes and the Existing LEED Requirements, regulations governing construction standards and specifications including, without limitation, the City's building code, plumbing code, mechanical code, electrical code, fire code and grading code, and all provisions of the Sunnyvale Municipal Code, and all other uniform construction codes, which are in force and effect within the jurisdiction of the City for the class of Subsequent Approvals being applied at the time the building permit in question is applied for.

3.5.6 For purposes of this Agreement, “area-wide” shall cover not only the Property, but also at least all parcels zoned and/or developed in a manner similar to the Property and located in the combined area of the MPSP. The Parties acknowledge that the provisions contained in this Section are intended to implement the intent of the Parties that the Landowners have the right to develop the Project pursuant to specified and known criteria and rules, and that the City receives the benefits which will be conferred as a result of such development without abridging the right of the City to act in accordance with its powers, duties and obligations.

3.6 Subsequently Enacted Rules and Regulations. The City may, during the term of this Agreement, apply such newer City Laws that are in force and effect within the jurisdiction of the City for the class of Subsequent Approvals being applied for and which are not inconsistent or in conflict with the intent or purposes or any terms, standards or conditions of this Agreement or that preclude development of the Project pursuant to the Vested Entitlements, or that exceed or modify the requirements in the Reach Codes or Existing LEED Requirements. To the extent any changed City Law is in conflict with the terms of this Agreement, the terms of this Agreement shall prevail.

3.7 Moratorium, Quotas, Restrictions or Other Limitations. Without limiting the generality of any of the foregoing, no moratorium or other limitation (whether relating to the rate, timing, phasing, sequencing or permission of development or construction of all or any part of the Property, whether imposed by ordinance, resolution, policy, order or otherwise, and whether enacted by the City Council, an agency of City, or otherwise) affecting parcel or subdivision maps (tentative, vesting tentative or final), building permits or any other Approvals (including entitlements to use or service, such as water, sewer and/or storm drains) shall apply to the Property. Landowners agree and understand that the City does not have authority or jurisdiction over another public agency's authority to grant a moratorium or impose any other limitation that may affect the Property.

3.8 Construction Agreements. In connection with the development and construction of the Project, Landowners may request that the City approve shoring agreements, tie-back agreements, crane and staging easements, and encroachment permits (collectively, "Construction Agreements") in the street right of way. City consideration of such Construction Agreements will be consistent with City Laws and standard City practices and procedures.

3.9 Initiatives and Referenda. If any City Laws are enacted or imposed by a citizen-sponsored initiative or referendum, or by the City Council directly or indirectly in connection with any proposed initiative or referendum, which City Laws would conflict with this Agreement, such City Laws shall not apply to the Property. The Parties, however, acknowledge that the City's approval of this Agreement and the MPSP are legislative actions subject to referendum.

3.10 Mutual Obligations of the Parties. City has agreed to provide Landowners with the long term assurances, Vested Entitlements, and other City obligations described in this Agreement in consideration for the Landowners' obligations contained in this Agreement. Landowners have agreed to provide City with the Landowners' obligations contained in this Agreement. To ensure that the understanding of the Parties and mutual consideration remain effective, should either Party bring any administrative, legal, or equitable action or other proceeding to set aside or otherwise make ineffective any of the City or Landowners' obligations described in this Agreement, this Agreement may be terminated by the Party against whom the proceeding is brought at that Party's sole discretion.

3.11 Landowners' Right to Rebuild. Landowners may rebuild the Project or element of the Project should it become necessary due to damage from any event, natural disaster or changes in seismic requirements during the Term of this Agreement, notwithstanding the provisions of the City of Sunnyvale Municipal Code Section 19.50.030. Landowners may

renovate the Project at any time within the Term of this Agreement as long as such renovation does not cause a change of use to a use not allowed by this Agreement or the MPSP. Any such rebuilding or renovation shall be subject to the Vested Entitlements, shall comply with the Development Approvals, including any Subsequent Approvals, and the building regulations existing at the time of such rebuilding or reconstruction, as well as the requirements of CEQA.

3.12 Infrastructure Capacity. Subject to Landowner's installation of improvements for City-operated water and sewer utilities required for the Project and imposed as conditions of approval in the Subsequent Approvals, if applicable, City hereby acknowledges that the City-operated water and sewer infrastructure and utility systems have the capacity necessary to serve the Project.

ARTICLE 4

SPECIFIC CRITERIA OF THE PROJECT

4.1 Permitted Square Footage and Height. Notwithstanding anything to the contrary herein or in the Development Approvals, the Landowners are hereby allowed to develop the Project, including up to a total development of approximately 294,500 square feet, as more particularly described in Special Development Permit Number PLNG-2025-0072, Site Master Plan Number PLNG-2025-0137, and Exhibits B-1 and B-2, conditioned upon Landowners meeting the requirements of the MPSP and the provisions of this Agreement. The Project's authorized 294,500 square feet has a Floor Area Ratio ("FAR") of 135%, and is comprised of 89,612 existing square feet (41% FAR) and 204,888 net new square feet (94% FAR) allocated from the MPSP Development Reserve.

4.2 Landowners' Obligations. As a material consideration for the long term assurances, Vested Entitlements, and other City obligations provided by this Agreement, and as a material inducement to City to enter into this Agreement, Landowners have offered and agreed to provide the public benefits to the City listed in this Section 4.2, and has further agreed to comply with all of its obligations under this Agreement, including in particular the obligations set forth in this Section 4.2.

4.2.1 Community Benefit Fund Payment. Landowners shall pay to the City \$3,100,000.00. Landowners intend this Community Benefit Fund Payment shall be in addition to any other fee that is in force and effect within the jurisdiction for a broadly based class of land, projects, discretionary or ministerial approvals, or taxpayers as applicable, on which it is imposed, as set forth in Section 3.5.2 of this Agreement. The Community Benefit Fund Payment shall be made in full at the time of and prior to issuance of the building permit for Core and Shell construction.

4.2.2. All Electric LEED Platinum Building. In furtherance of the City's Climate Action Plan goals, the Project shall be an all electric, LEED Platinum building with no natural gas infrastructure and with USGBC Certification based on Existing LEED Requirements.

4.2.3 Point of Sale. Landowners shall designate the City as point of sale for California sales and use tax purposes during construction of the Project. Landowners

shall require all contractors and subcontractors to apply for a Jobsite Sub-Permit with the California Department of Tax and Fee Administration prior to the purchase of any materials, fixtures, furniture, machinery, equipment and supplies for any construction work to be performed on the Project. Landowners shall furnish a copy of contractors' and subcontractors' Jobsite Sub-Permit prior to issuance of any building permit.

4.2.4 Other benefits as included in the Site Master Plan and depicted in Exhibits B-1 and B-2 hereto:

- Moffett Park Drive Privately Owned and Publicly Accessible (“POPA”) areas
- Hillside Pollinator Garden "Mini Park"
- Bike Repair Station open to the public
- Connector Shuttle drop off area along Moffett Park Drive

4.3 Timing of Fee and Community Benefit Payments. Payment of all development impact fees, monetary and non-monetary exactions, and the Community Benefits Fund Payment, shall be due no later than the issuance of the building permit for Core and Shell construction, and shall not be a prerequisite for issuance of demolition or grading permits. If multiple building permits for Core and Shell construction are required, the Community Benefits Fund Payment shall be due no later than issuance of the first building permit for Core and Shell construction, and development impact fees and any other monetary exactions shall be based on the square footage to be constructed in a given building permit for Core and Shell construction.

ARTICLE 5 **CONCURRENT AND SUBSEQUENT APPROVALS**

5.1 Concurrent Approvals. The Project will be subject to site and architectural development review through a Site Master Plan (PLNG 2025-0137) and Special Development Permit (PLNG-2025-0072) for approval by the Planning Commission.

5.2 Subsequent Approvals. The development of the Project will require additional future discretionary and ministerial approvals from the City, potentially including, but not limited to, Special Development Permit(s), Miscellaneous Plan Permit(s), easement vacations, encroachment permits, demolition permits, grading permits, building permits and certificates of occupancy, sign permits, and other permits necessary to facilitate the construction of the Project.

5.2.1 Applications for Subsequent Approvals are anticipated to be submitted to the City by the Landowners. Applications for Subsequent Approvals shall be accepted, reviewed for completeness, and processed to completion diligently and expeditiously in good faith by the City and considered in a manner consistent with the rights granted by this Agreement and the Applicable Laws.

5.2.2 With the Vested Entitlements, the City has made a final policy decision that the development of the Project on the Property, consistent with the MPSP and

the Applicable Laws, is in the best interests of the public health, safety, and general welfare. Accordingly, the City shall not use its authority in considering any application for a Subsequent Approval that is consistent with the Vested Entitlements and Applicable Laws to change the policy decisions reflected by this Agreement. In reviewing and approving Subsequent Approvals, City shall exercise City's discretion in a manner which will not prevent the development and completion of the Project as provided in this Agreement pursuant to the Vested Entitlements. Nothing herein shall limit the ability of the City to require the necessary reports, analysis, or studies to assist in determining whether the requested Subsequent Approval is consistent with the Applicable Laws and this Agreement. City's review of the Subsequent Approvals shall be consistent with City Laws and this Agreement, including without limitation Section 3.5 of this Agreement.

5.2.3 The Project has been subject to review under CEQA. To the extent that it is consistent with CEQA, as determined by the City in its reasonable discretion, City shall utilize the MPSP EIR certified on July 11, 2023 and the CEQA Checklist to review the environmental effects of any Subsequent Approvals. In the event that any additional CEQA documentation is legally required for any discretionary Subsequent Approval for the Project, then the scope of such documentation shall be focused, to the extent possible consistent with CEQA, on the specific subject matter of the Subsequent Approval, and the City shall conduct such CEQA review as expeditiously as possible. Landowners shall defend, indemnify and hold the City harmless from or in connection with any litigation seeking to compel the City to perform additional environmental review of any Subsequent Approvals.

5.2.4 Any Conditions, terms, restrictions, procedures or requirements imposed by the City on Subsequent Approvals shall not be inconsistent with the Development Approvals, this Agreement, or the Applicable Laws, and shall not prevent development of the Property for the uses and the density of development, and at the rate, timing and sequencing, contemplated by this Agreement, except as and to the extent required by state or federal law. In connection with approval of any Subsequent Approvals that implement and are consistent with the Development Approvals in effect on the Effective Date (including without limitation any minor modifications thereto), the City shall not impose conditions of approval that require dedications or reservations for, or construction or funding of, public infrastructure or public improvements beyond those already included in the Development Approvals, except to the extent required by CEQA review conducted in accordance with Section 5.1.2 of this Agreement. Landowners may protest any Conditions imposed on Subsequent Approvals while continuing to develop the Project, such protest by Developer shall not delay or stop the issuance of building permits or certificates of occupancy.

5.3 Life of Development Approvals. The terms of the Development Approvals shall automatically be extended for the duration of this Agreement (including any extension to this Agreement as permitted by Section 1.4) if the term otherwise applicable to such Approval is shorter than the duration of this Agreement (including any extension). Upon expiration or termination of this Agreement, if any Development Approvals have terms that extend beyond the expiration or termination of this Agreement, said Development Approvals shall revert to their vested rights and respective remaining terms, if any, to allow for completion of the Project as allowed under the Applicable Rules, Applicable Laws, and as set forth in Section 1.4.1 of this Agreement.

ARTICLE 6
AMENDMENT OF AGREEMENT AND DEVELOPMENT APPROVALS

6.1 Amendment or Cancellation. Either Party may propose an amendment to or cancellation of this Agreement in whole or in part, in the manner provided for in Government Code Section 65868 and Resolution No. 371-81. No amendment to or cancellation of this Agreement or any provision hereof shall be effective for any purpose unless adopted pursuant to the procedures included in Resolution No. 371-81 and specifically set forth in a writing, which refers expressly to this Agreement and is signed by duly authorized representatives of the Parties.

6.2 Recordation. Any amendment, termination or cancellation of this Agreement shall be recorded by the City Clerk not later than ten (10) days after the effective date of the action effecting such amendment, termination or cancellation; however, a failure to record shall not affect the validity of the amendment, termination or cancellation.

6.3 Amendments to Development Agreement Statute. This Agreement has been entered into in reliance upon the provisions of California Government Code Section 65864 et seq. relating to development agreements, as those provisions existed at the date of execution of this Agreement. No amendment or addition to those provisions which would materially affect the interpretation or enforceability of this Agreement shall be applicable to this Agreement unless such amendment or addition is specifically required by the California State Legislature, or is mandated by a court of competent jurisdiction. If such amendment or change is permissive (as opposed to mandatory), this Agreement shall not be affected unless the Parties mutually agree in writing, after following the procedures in Section 6.1, to amend this Agreement to permit such applicability

6.4 Amendment of Development Approvals. To the extent permitted by local, state, and federal law, any Development Approval may, from time to time, be amended or modified by submittal of an application from the Landowners and following the procedures for such amendment or modification contained in the Sunnyvale Municipal Code. Upon any approval of such an amendment or modification, the amendment or modification shall automatically be deemed to be incorporated into the Development Approvals without any further procedure to amend this Agreement.

ARTICLE 7
ANNUAL REPORT

7.1 Time of Review. To determine Landowner's good faith compliance with this Agreement, in accordance with Government Code Section 65865.1, and in compliance with the Development Agreement Resolution, Landowners shall submit a report approximately every twelve (12) months from the Effective Date, commencing on the first anniversary of the Effective Date, detailing all actions taken with respect to the development of this Property. Upon receipt of the report, the Community Development Director shall schedule an annual review of the report to be heard by the Planning Commission. This obligation for annual reporting shall expire upon Project occupancy.

Consistent with Development Agreement Resolution No. 371-81, or its successor provision, the Community Development Director or designee shall give notice to the Landowners that the City intends to schedule an annual review of the Agreement at least thirty (30) days in advance of the time at which the matter will be considered by the Planning Commission and shall include the statement that review may result in an election to terminate this Agreement as provided herein.

7.2 Determination of Good Faith Compliance. Such annual report shall be limited in scope to compliance with the terms of this Agreement pursuant to Government Code Section 65865.1. The Planning Commission shall conduct a public hearing. If the Planning Commission determines that, based upon substantial evidence in the record, Landowners have substantially complied in good faith with the terms and conditions of this Agreement during the period under review, the review for that period shall be concluded. If the Planning Commission determines that, in good faith and based upon substantial evidence in the record, Landowners have not complied in good faith with the terms and conditions of this Agreement during the period under review, the Planning Commission shall forward its report and recommendation to the City Council.

If the City Council determines, in good faith and based upon substantial evidence in the record, that Landowners have not complied in good faith with the terms and conditions of this Agreement during the period under review, the City Council may issue a Notice of Breach (as defined in Section 8.2) and the Parties shall be entitled to exercise their respective rights and remedies set forth in Section 8.1.

7.3 No Waiver. Failure of Landowners to provide an annual report or failure of City to conduct an annual review hearing shall not constitute a default under this Agreement or a waiver by City of its rights to otherwise enforce the provisions of this Agreement nor shall Landowners have or assert any defense to such enforcement by reason of any failure to conduct an annual review. City does not waive any claim of defect or breach by Landowners if, following periodic review pursuant to this Article 7, City does not propose to modify or terminate this Agreement.

ARTICLE 8

DEFAULT, REMEDIES AND TERMINATION

8.1 Remedies for Breach. City and Landowners acknowledge that the purpose of this Agreement is to carry out the Parties' objectives as set forth in the recitals. City and Landowners agree that to determine a sum of money which would adequately compensate either Party for choices they have made which would be foreclosed should the Property not be developed as contemplated by this Agreement is not possible and that damages would not be an adequate remedy. Therefore, City and Landowners agree that in the event of a breach of this Agreement, the only remedies available to either Party shall be: (1) suits for specific performance to remedy a specific breach, (2) suits for declaratory or injunctive relief, (3) suits for mandamus under Code of Civil Procedure Section 1085, and/or 1094.5, and (4) termination or cancellation of this Agreement or, at the option of City in the event of breach by Landowners, termination of the rights of Landowners under this Agreement. Except for attorney's fees and associated costs as set forth herein, monetary damages shall not be awarded to either Party. This exclusion on damages is limited to a breach of this Agreement and shall not preclude actions by a Party to enforce payments

of monies due or the performance of obligations requiring the expenditures of money under the terms of this Agreement or Applicable Laws. All of these remedies shall be cumulative and not exclusive of one another, and the exercise of any one or more of these remedies shall not constitute a waiver or election with respect to any other available remedy.

8.2 Notice of Breach. Prior to the initiation of any action for relief specified in Section 8.1 above because of an alleged breach of this Agreement, the Party claiming breach (the "Complaining Party") shall deliver to the other Party (the "Defaulting Party") a written notice of breach (the "Notice of Breach"). The Notice of Breach shall specify the reasons for the allegation of breach with reasonable particularity. The Defaulting Party shall have thirty (30) days to either: (a) use good faith efforts to cure the breach or, if such cure is of the nature to take longer than 30 days, to take reasonable actions to commence curing the breach during the thirty (30) day period and diligently complete such cure; or (b) if in the determination of the Defaulting Party, the event does not constitute a breach of this Agreement, the Defaulting Party, within thirty (30) days of receipt of the Notice of Breach, shall deliver to the Complaining Party a "Notice of Non-Breach," which sets forth with reasonable particularity the reasons that a breach has not occurred. Failure to respond within the thirty (30) days shall not be deemed an admission of the breach, but the Complaining Party may proceed to pursue its remedies under this Article 8.

8.2.1 Mutual Agreement for Cure of Certain Defaults. If the Defaulting Party believes that the breach cannot practically be cured within the thirty (30)-day period, the Defaulting Party shall not be deemed in breach provided that: (a) the cure shall be commenced during the thirty (30)-day period after receipt of the Notice of Breach; (b) within the thirty (30)-day period, the Defaulting Party provides a schedule to the Complaining Party for cure of the breach, subject to the reasonable approval of the Complaining Party; and (c) the cure is completed in accordance with the schedule agreed to by the Parties, or such additional time as may be agreed to by the Complaining Party. If the Parties cannot mutually agree on a schedule for cure of the breach, at the conclusion of the initial thirty (30)-day period, the Complaining Party may issue a Notice of Breach and proceed to pursue its remedies under this Article 8.

8.3 Failure to Assert; No Waiver. Any failures or delays by a Complaining Party in asserting any of its rights and remedies as to any breach shall not operate as a waiver of any breach or of any such rights or remedies. Delays by a Complaining Party in asserting any of its rights and remedies, irrespective of the length of the delay, shall not deprive the Complaining Party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies, nor constitute a waiver of such party's right to demand strict compliance by such other Party in the future. No waiver by a Party of a breach shall be effective or binding upon such Party unless made in writing by such Party, and no such waiver shall be implied from any omission by a party to take any action with respect to such breach.

8.4 Termination by Mutual Consent. This Agreement may be voluntarily terminated in whole or in part by the mutual consent of the Parties or their successors in interest, in the sole and absolute discretion of each as to its consent, in accordance with the provisions of Resolution No. 371-81 and the Development Agreement Statute.

8.5 Effect of Termination on Landowners' Obligations.

8.5.1 Notwithstanding any other provision to the contrary, termination or cancellation of this Agreement or termination of the rights of Landowners as to the entire Property, or any part the Property, shall not affect any requirement to comply with the Vested Entitlements the terms and conditions of any other Subsequent Approval, nor any payments then due and owing to City, nor shall it affect the covenants of Landowners specified in Section 8.5.2 below, to continue after the termination or cancellation of this Agreement, nor shall termination of this Agreement as to all or any portion of the Property result in termination of Subsequent Approvals that would not otherwise have expired pursuant to the Applicable Rules.

8.5.2 Notwithstanding anything in this Agreement to the contrary, the following provisions of this Agreement shall survive and remain in effect following termination or cancellation of this Agreement for so long as necessary to give them full force and effect with respect to claims or rights of City arising prior to termination or cancellation:

- (a) Section 8.1 (Remedies; limitation on damages and exceptions thereto; accrued obligations);
- (b) Section 8.5.1 (Landowners' obligations upon termination or cancellation);
- (c) Section 12.2 (Indemnification); and
- (d) Section 14.1 and 14.1.1 (Third Party Challenges; Indemnification).

ARTICLE 9

ESTOPPEL CERTIFICATE

Either Party may, at any time, and from time to time, deliver written notice to the other Party requesting such Party to certify in writing that, to the knowledge of the certifying Party, (a) this Agreement is in full force and effect and is a binding obligation of the Parties, (b) this Agreement has not been amended or modified or, if so amended or modified, identifying the amendments or modifications, and (c) the requesting Party is not in default in the performance of its obligations under this Agreement, or if in default, to describe the nature of any defaults, and (d) such other information as the other Party may reasonably request. The Party receiving a request under Article 9 shall execute and return the certificate within thirty (30) days following receipt of the request. The City Manager shall be authorized to execute any certificate requested by Landowners. Landowners and City acknowledge that a certificate hereunder may be relied upon by transferees, tenants, investors, partners, bond counsel, underwriters, and Mortgagees. The request shall clearly indicate that failure of the receiving Party to respond within the thirty (30) day period will lead to a second and final request. Failure to respond to the second and final request within fifteen (15) days following receipt of the second request shall be deemed approval of the estoppel certificate.

ARTICLE 10

TRANSEERS. ASSIGNMENTS

10.1 Agreement Runs with the Land.

10.1.1 This Agreement and all of its provisions, agreements, rights, powers, standards, terms, covenants and obligations, shall be binding upon the Parties and their respective

heirs, successors (by merger, consolidation, or otherwise) and assigns, devisees, administrators, representatives, lessees, and all other persons or entities acquiring the Property or any portion thereof, or any interest therein, whether by sale, operation of law, or in any manner whatsoever, and shall inure to the benefit of the Parties and their respective heirs, successors (by merger, consolidation or otherwise) and assigns.

10.1.2 All of the provisions of this Agreement shall be enforceable during the Term as equitable servitudes and constitute covenants running with the land pursuant to applicable law, including, but not limited to Section 1468 of the California Civil Code. Each covenant to do or refrain from doing some act on the Property hereunder, (a) is for the benefit of the Property and is a burden upon the Property, (b) runs with the Property, and (c) is binding upon Landowners and each successive owner during its ownership of the Property or any portion thereof (subject to the terms of Section 11.2 below), and each person or entity having any interest in the Property. Every person who now or hereafter owns or acquires any right, title or interest in or to any portion of the Property is and shall be conclusively deemed to have consented and agreed to every provision contained herein, whether or not any reference to this Agreement is contained in the instrument by which such person acquired an interest in the Property.

10.2 Right to Assign. Landowners shall have the right to assign (by sale, transfer, or otherwise) its rights and obligations under this Agreement as to any portion of the Project to any person, business entity, association, organization, or other similar entity ("Assignee"). Landowners' right to assign shall not be subject to City's approval.

10.3 Release Upon Assignment. Upon the express written assumption by the Assignee of any or all of Landowners' rights and interests under this Agreement (the "Assignment Agreement"), and Landowners' delivery of a conformed copy of the recorded Assignment Agreement to City, Landowners shall be free from any and all liabilities accruing on or after the date of assignment with respect to those obligations assumed by the Assignee pursuant to the Assignment Agreement.

ARTICLE 11

MORTGAGEE PROTECTION

11.1 Mortgage Protection. This Agreement shall be superior and senior to any lien placed upon the Property or any portion of the Property after the date of recording of this Agreement, including the lien of any deed of trust or mortgage ("Mortgage"). Notwithstanding the foregoing, no breach of this Agreement shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value, but all of the terms and conditions contained in this Agreement (including but not limited to City's remedies to terminate the rights of Landowners (and their successors and assigns) under this Agreement, to terminate this Agreement, and to seek other relief as provided in this Agreement) shall be binding upon and effective against any person or entity, including any deed of trust beneficiary or mortgagee ("Mortgagee") who acquires title to the Property, or any portion thereof, by foreclosure, trustee's sale, deed in lieu of foreclosure, or otherwise.

11.2 Mortgagee Not Obligated. Notwithstanding the provisions of Section 11.1 above, no Mortgagee shall have any obligation or duty under this Agreement to construct or complete the construction of improvements on the Property, or to guarantee such construction or completion; provided, however, that a Mortgagee shall not be entitled to devote the Property to any uses or to construct any improvements on the Property other than those uses or improvements provided for or authorized by this Agreement, or under Applicable Law.

11.3 Notice of Default to Mortgagee. If City receives a written notice from a Mortgagee, Landowners or any approved assignee requesting a copy of any notice of default given Landowners or any approved or permitted assignee and specifying the address for service, then City shall deliver to the Mortgagee at Mortgagee's cost (or Landowner's cost), concurrently with service to Landowners, any notice given to Landowners with respect to any claim by City the Landowners are in default under this Agreement, and if City makes a determination of default, City shall if so requested by the Mortgagee likewise serve at Mortgagee's cost (or Landowners' cost) notice of noncompliance on the Mortgagee concurrently with service on Landowners. Each Mortgagee shall have the right during the same period available to Landowners to cure or remedy, or to commence to cure or remedy, the event of default claimed or the areas of noncompliance set forth in City's notice.

11.4 No Supersedure. Nothing in Article 11 shall be deemed to supersede or release a Mortgagee or modify a Mortgagee's obligations under any subdivision improvement agreement or other obligation incurred with respect to the Property outside this Agreement, nor shall any provision of Article 11 constitute an obligation of City to the Mortgagee, except as to the notice requirements of Section 11.3.

ARTICLE 12

INDEMNIFICATION

12.1 No Duty of City; Hold Harmless. It is specifically understood and agreed by the Parties that the development contemplated by this Agreement is a private development, that City has no interest in or responsibility for or duty to third persons concerning any of said improvements, and that Landowners shall have full power over and exclusive control of the Property subject only to the limitations and obligations of Landowners under this Agreement.

12.2 Indemnification and Duty to Defend.

(a) To the fullest extent permitted by law, Landowners hereby agree to and shall immediately defend, indemnify, and hold City and its elected and appointed representatives, officers, agents, and employees harmless from any liability for damage or claims for damage for personal injury, including death, as well as from claims for property damage which may arise from Landowners' operations under this Agreement, excepting suits and actions brought by Landowners for default of the Agreement or to the extent arising from the intentional acts, sole negligence, or willful misconduct of City, its elected and appointed representatives, officers, agents, employees, contractors or subcontractors, or of a third party ("Indemnified Party").

(b) This indemnification and hold harmless agreement apply to all damages and claims for damages suffered or alleged to have been suffered by reason of Landowners'

performance of its obligations under this Agreement, regardless of whether or not City prepared, supplied, or approved plans or specifications for the Property, but does not apply to damages and claims for damages caused by City with respect to public improvements and facilities after City has accepted responsibility for them.

(c) The duty to defend is a separate and distinct obligation from Landowners' duty to indemnify. Subject to the limitations or requirements stated in this Agreement, Landowners shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, with counsel reasonably approved by the Indemnified Party immediately upon tender to Landowners, which shall be made to Landowners promptly upon it becoming known to the Indemnified Party. An allegation or determination of the sole negligence or willful misconduct by the Indemnified Party shall not relieve Landowners from its separate and distinct obligation to defend the Indemnified Party. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes the obligation to provide independent defense counsel of Landowners' sole choosing if Landowners assert that liability is caused in whole or in part by the sole negligence or willful misconduct of the Indemnified Party. If it is finally adjudicated that liability was caused by the sole negligence or willful misconduct of the Indemnified Party, Landowners may submit a claim to City for reimbursement of its reasonable attorneys' fees and defense costs.

ARTICLE 13

NOTICES

13.1 Notices. Any notice to either Party shall be in writing and given by delivering the notice in person or by sending the notice by registered or certified mail, or Express Mail, return receipt requested, with postage prepaid, to the Party's mailing address.

13.2 Mailing Addresses. The respective mailing addresses of the Parties are, until changed as hereinafter provided, the following:

City: Director of Community Development
City of Sunnyvale
456 W. Olive Avenue
Sunnyvale, CA 94088

With a copy to: City Attorney
City of Sunnyvale
456 W. Olive Avenue
Sunnyvale, CA 94088

Landowners:

With a copy to:

Either Party may change its mailing address at any time by giving ten (10) days' notice of such change in the manner provided for in this section. All notices under this Agreement shall be deemed given, received, made or communicated on the date personal delivery is effectuated or, if mailed, on the delivery date or attempted delivery date shown on the return receipt. Nothing in this provision shall be construed to prohibit communication by facsimile transmission or email, so long as an original is sent by first class mail, commercial carrier or is hand-delivered.

ARTICLE 14 **MISCELLANEOUS**

14.1 Third-Party Legal Challenge. In the event of any legal action, claim, or proceeding instituted by a third party or other governmental entity or official challenging the validity of any provision of this Agreement, the CEQA Checklist, or the Vested Entitlements ("Third Party Challenge"), the responsibilities of the Parties shall be as follows.

14.1.1 Indemnification

(a) The Landowners shall defend, indemnify, and hold harmless the City or its agents, officers, and employees from any Third Party Challenge against the City or its agents, officers, and employees to attack, set aside, void, or annul this Agreement, or the Vested Entitlements and shall indemnify and hold harmless City against any and all third-party attorneys' fees, court costs and other liabilities determined by a court to be arising out of such Third Party Challenge.

(b) The City shall promptly notify the Landowners of the Third Party Challenge and shall cooperate fully in the defense of the Third Party Challenge, including but not limited to decisions about selection of counsel, settlement, preparation of the administrative record (if any) and litigation strategies.

(c) Under no circumstances shall subsections (a) – (b) above require Landowners to pay or perform any settlement arising out of a Third Party Challenge unless the settlement is expressly approved by Landowners.

14.1.2 Invalidity. If any part of this Agreement is held by a court of competent jurisdiction to be invalid or unlawful as the result of a Third Party Challenge or otherwise, the Parties shall use their best efforts to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Agreement, and then to adopt or re-enact such part of this Agreement as necessary or desirable to permit implementation of this Agreement.

14.2 Applicable Law/Venue/Attorneys' Fees and Costs. This Agreement shall be construed and enforced in accordance with the laws of the State of California, excluding its conflict of laws provisions. Any legal actions under this Agreement shall be brought only in the Superior Court of the County of Santa Clara, State of California. Should any legal action or arbitration be brought by either Party because of breach of this Agreement or to enforce any provision of this Agreement, the prevailing Party shall be entitled to reasonable attorney's fees and such other costs as may be found by the court.

14.3 Severability. Invalidation of any of the provisions contained in this Agreement, or of the application thereof to any person, by judgment or court order, shall in no way affect any of the other provisions hereof or the application thereof to any other person or circumstance and the same shall remain in full force and effect, unless enforcement of this Agreement as so invalidated would be unreasonable or grossly inequitable under all the circumstances or would frustrate the purposes of this Agreement.

14.4 Nondiscrimination Clause. Landowners covenant by and for itself and any successors in interest that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, ancestry, or national origin in the development of the Property in furtherance of this Agreement. The foregoing shall run with the land.

14.5 Construction of Agreement. The provisions of this Agreement and the Exhibits shall be construed as a whole according to their common meaning and not strictly for or against any Party in order to achieve the objectives and purpose of the Parties. The captions preceding the text of each Article, Section, Subsection and the Table of Contents are included only for convenience of reference and shall be disregarded in the construction and interpretation of this Agreement. Wherever required by the context, the singular shall include the plural and vice versa, and the masculine gender shall include the feminine or neuter genders, or vice versa. All references to "person" shall include, without limitation, any and all corporations, partnerships or other legal entities.

14.6 Other Necessary Acts. Each Party covenants, on behalf of itself and its successors, heirs and assigns, to take all actions and do all things, and to execute, with acknowledgment or affidavit if required, any and all further instruments, documents and writings as may be reasonably necessary or proper to achieve the purposes and objectives of this Agreement and to secure the other party the full and complete enjoyment of its rights and privileges hereunder.

14.7 Applicable Law. This Agreement, and the rights and obligations of the Parties, shall be construed by and enforced in accordance with the laws of the State of California, excluding its conflict of laws provisions.

14.8 Equal Authorship. This Agreement has been reviewed by legal counsel for both the Landowners and City, and no presumption or rule that ambiguities shall be construed against the drafting Party shall apply to the interpretation or enforcement of this Agreement.

14.9 Time. Time is of the essence of this Agreement and of each and every term and condition hereof.

14.10 Subsequent Projects. After the Effective Date of this Agreement, the City may approve other projects that place a burden on the City's infrastructure; however, it is the intent and agreement of the Parties that the Landowners' right to build and occupy the Project, as described in this Agreement, shall not be diminished despite the increased burden of future approved development on public facilities.

14.11 Entire Agreement. This written Agreement and the Exhibits contain all the representations and the entire agreement between the Parties with respect to the subject matter hereof. Except as otherwise specified in this Agreement, any prior correspondence, memoranda, agreements, warranties or representations are superseded in total by this Agreement and Exhibits.

14.12 Form of Agreement; Exhibits. This Agreement is executed in three duplicate originals, each of which is deemed to be an original. This Agreement, including its exhibits constitutes the entire understanding and agreement of the parties. Said exhibits are identified as follows:

- Exhibit A: Property Descriptions
- Exhibit B-1: Landscape and Open Space
- Exhibit B-2: Laneway
- Exhibit C: Fee Schedule

14.13 No Third Party Beneficiary. This Agreement and all of its terms, conditions, and provisions are entered into only for the benefit of the Parties executing this Agreement (and any successor in interest) and not for the benefit of any other individual or entity.

14.14 Authority. The Parties hereby represent that the person hereby signing this Agreement on behalf of each respective Party has the authority to bind the Party to the Agreement.

14.15 Extensions of Time for Performance. Times for performance under this Agreement may be extended by mutual written agreement of the City Manager and Landowner, which upon full execution shall become a part of this Agreement.

14.16 Counterpart Signatures. This Agreement may be executed in counterparts, each of which shall be an original, but all of which shall constitute one and the same Agreement.

(SIGNATURES ARE ON THE FOLLOWING PAGE)

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first above written.
