#### **CONSENT CALENDAR**

1.A [17-0650](#) Approval of Draft Meeting Minutes of May 30, 2017

#### **PUBLIC HEARINGS/GENERAL BUSINESS**

2 [17-0485](#) Recommend to City Council Approval of the Conceptual Design for the Washington Community Swim Center Project

**Recommendation:** Alternative 1: Approve the recommended concept design as shown on Attachment 5 to the report.

The recommended conceptual design is a combination of the architectural building style and sports pool preferred by the public and the splash pad recommended by staff. This results in an attractive and functional design that meets the project objective while also providing water play, lesson, therapeutic and lap swim facilities for a wide range of swimming abilities.

During the public outreach process some residents requested that the pool include more lanes for competitive and/or fitness lap swimming be added to the pool. The intent of the project is to provide a recreational facility for families and residents. Adding more lap swim lanes would require reducing the amount of shallower pool and other water play features that are critical aspects to the project. The recommended conceptual design includes the ability to provide four lanes to provide some lap swimming while still fulfilling the other project objectives.

- 3      [17-0328](#)      Approve the Concept of Constructing an Inclusive Playground at Fair Oaks Park and Authorize the City Manager to Execute an Agreement Between Magical Bridge Foundation and the City of Sunnyvale for Design and Construction Services Related to the Playground.

**Recommendation:** Recommend to City Council Alternatives 1 and 3: 1) Approve the Concept of Constructing an Inclusive Playground at Fair Oaks Park; 3) Authorize the City Manager to Execute an Agreement Between the Magical Bridge Foundation and the City of Sunnyvale for Design and Construction Services Related to the Playground.

Staff recommends approval of the concept of constructing an inclusive playground at Fair Oaks Park to better serve all residents of Sunnyvale. An all abilities playground would provide inclusive play opportunities for children and adults of all ages and abilities. All-inclusive playgrounds promote the healthy development of physical, cognitive and sensory abilities. An all-inclusive playground would add play opportunities to residents that the current Sunnyvale playground inventory does not provide and be a unique community asset.

Staff recommends authorizing the City Manager to execute an agreement between the Magical Bridge Foundation and the City of Sunnyvale for design and construction services related to the playground. The Magical Bridge Foundation has constructed a similar playground in Palo Alto and has a proven record of being able to raise donations for funding.
