Charter Section 611 (Regular Meetings)

Ad-Hoc Advisory Committee 2 – Members Davis, Filley, Oey

Charter Section 605 (Compensation)

Ad-Hoc Advisory Committee 3 – Chair Larsson, Vice Chair Wickham, Member Rubino

Topics:

Vice Chair Wickham provided an overview of the next steps which include committee reports that capture information on assigned topics such as public engagement/outreach. In addition, Committees will select one assigned topic and include in their report's information related to research/background, questions of staff, and resources that are needed from staff. Reports are to be submitted to City staff a week before a scheduled meeting and in Adobe PDF format.

Committee Members provided comments or questions related to assignments:

- Question regarding the availability and reservation process of City facilities to host a public outreach or community meeting.
- Question regarding the availability and timeline process for conducting an online survey.

- Question regarding funds available for outreach/community meetings.
- Suggestion that community outreach can be accomplished via neighborhood association meetings, Parent Teacher Association (PTA) meetings, and school district meetings.
- Question regarding hosting community discussions via Nextdoor, Facebook, Threads, etc.
- Question regarding the possibility of conducting focus groups.
- Question regarding Members conducting outreach on their own. For example, Members are permitted to attend a Rotary Meeting to get feedback on an assigned topic.
- Suggestion that Committee reports identify substantive issues and options that address issues.

Staff provided comments and answers:

- Comment that staff should be provided with potential community outreach meeting dates so that staff can identify City facilities that are available for reservation.
- Comment that Staff can assist with conducting online surveys via available City platforms. Members were encouraged to submit requests to staff with a five-day lead time. It was suggested that one or two surveys be conducted instead of various surveys.
- Comment that there are allocated funds for polling that may be used for outreach.
- Comment that Members hosting community discussions on social network platforms would increase the risk of a Ralph M. Brown Act violation.
- Comment that Staff would have to determine if funds are available to conduct focus groups.
- Comment that individual Members are permitted to attend meetings to gather feedback on assigned topics.

Members were polled on their availability for a CRC meeting on June 30 or July 3. Staff announced that the next CRC meeting is scheduled for 5:30 p.m. on June 30.

Public Hearing reopened at 6:16 p.m.

Steve Scandalis communicated support for the work and discussion on the prioritized Charter amendments be conducted in a public meeting by the entire Committee as opposed to Ad-Hoc Advisory Committees working independently and that outreach meetings be conducted in public settings.

Zachary Kaufman spoke towards the workload of each Ad-Hoc Advisory Committee.

Public Hearing closed at 6:19 p.m.
