Event Details

1. Please describe your event (you may attach additional details or supporting documentation).

The San Miguel Elementary PTA holds Multicultural Night as an annual tradition. It's an opportunity for our school to share and celebrate the different, vibrant cultures within our community. This night is a chance for families to celebrate their country of origin. We also support a broader definition of "culture", celebrating cultures such as family culture and cultures of different identity groups. Volunteer parents and/or staff host tables for their cultures. Each table has food samples, books from their culture, and/or other items representative of their culture. Families may also wear traditional clothes.

The PTA is responsible for finding families to sign up to host tables, for providing supplies to make posters, and for bringing plates/utensils for serving food. To limit financial barriers that may prevent low-income families from hosting a table, the PTA offers a reimbursement per table to help cover the costs of food and supplies. Last year, we had tables representing Mexico, El Salvador, Guatemala, Argentina, India, China, Japan, Azerbaijan, the Philippines, and cultures of gender. Other years have included tables from South Korea, Ireland, Peru, and more.

Multicultural Night also celebrates cultures through music and dance by including performances and/or demonstrations. Last year, we had two teachers perform a Danza Folklorica, a demonstration by local Brazilian jiu jitsu business Daruma Dojo, a Colombian dance group, and an Indian dance group.

2. Have you held this event before? If so, when and where?

Yes, we held our first Multicultural Night in 2019 at San Miguel (in our multi-purpose room).

Additional Multicultural Nights were held:

March 11, 2022

May 12, 2023

April 26, 2024

This event is always held at San Miguel Elementary in Sunnyvale, typically as an outdoor event.

3. How does your event encourage a celebration of community, including the character, diversity, and quality of Sunnyvale? How does it provide vitality and identity to the community?

Everyone has culture. Maybe it's culture specific to a country of origin, maybe it's a culture associated with an identity group or a regional culture. In Sunnyvale, we live at the intersection of multiple cultures that brings together a vast array of languages, cuisines, and discourse. At San Miguel, we make space for communities with traditionally marginalized identities to share the richness and vibrancy of their culture. We uplift the value of everyone's experiences and provide a space for that to nourish our school community. Multicultural Night celebrates the diversity of cultures at San Miguel Elementary. Everyone is able to experience cultures through

all five senses - taste, touch, sight, smell, and hearing. This event provides students and families with the opportunity to better understand each other and our different backgrounds. Parents and kids share culture with their friends, and students learn more about their own heritage. This celebration strengthens our community and identities in our community and values the diversity of Sunnyvale.

Marketing & Promotion

4. Is your event citywide or targeted to a particular neighborhood, demographic or geographic area? If targeted, describe your target audience?

Multicultural Night is an event for the whole city, although most of our attendees are from San Miguel Elementary. Our school is a Title 1, majority-Hispanic school, and about 50% of students are ELL (English Language Learners). We also invite elected officials, including staff and board members from Sunnyvale School District (SSD) and Fremont Union High School District (FUHSD).

4a. How many people do you expect to attend your event, how did you arrive at this estimate?

We expect 200-250 people to attend, which is the same as attendance at past events (around 200-250 people). Our student population has grown by about 10% since last year, so we hope to have closer to 250 people this year.

5. Please describe your marketing plan, including the type of advertisements to be used and where they will be placed. Please attach additional sheets as needed to fully describe your marketing plan.

Our marketing plan includes the following:

- Listing information in the school's weekly Parent Bulletin, which is emailed to all families
- Posting on our San Miguel Elementary PTA Facebook page and PTA webpage
- Posting flyers around the school
- Posting in grade-level WhatsApp groups
- Posting in ClassDojo
- Word of mouth

We will reach out to families who hosted tables in past years to see if they are willing to host tables again this year. We will also post sign up sheets to host a table; and we will have meetings to coordinate the event.

Organization Information

6. Please describe your organization's mission and goals, as well as information about your membership and total organizational budget, if applicable (feel free to

attach literature about your organization). Please attach your organization's most recent financial statements if available.

The San Miguel Elementary PTA mission is for every student, family, and teacher to feel welcome and supported at San Miguel. As a PTA, we are about community, enrichment, advocacy and volunteering. We host fundraisers each year (e.g., fall catalog sales, family photoshoot, partnering with local restaurants for Dine Out Nights, a silent auction, walkathon). Money that is raised by the PTA supports school assemblies, extracurricular activities, band, music, art scholarships, and more. For many of our students, the field trips and enrichment programs funded by the PTA are educational opportunities they would not otherwise have.

We have 133 PTA members at the moment. We expect to raise about \$90,000 this year (primarily through fundraising, donations, and grants). Our PTA supports the entire San Miguel Elementary school, with ~425 students total (grades TK-5).

For additional information, please see our website (www.sanmiguelpta.org) and our Facebook page (www.facebook.com/SanMiguelElementaryPTA).

Event Logistics and Budget

7. What steps are you taking to ensure a well-planned, safe event?

We will hold Multicultural Night outdoors. We will ensure adequate lights to keep everyone safe as it gets dark in the evening. Volunteers and school staff will be present throughout the event to provide support as needed. We will also have a first aid kit on hand. Finally, San Miguel has a code of conduct that all students know to follow.

8. Describe controls you have in place to ensure your event will be cost-effective with strong financial management and effective overall event management? How has your organization demonstrated these qualities in the past?

Our event coordinator will lead the planning and logistics for the event. There is a set budget for the event, and our event coordinator will stay in close coordination with the PTA board to ensure that the event stays within budget. The sign-up sheet will let us make sure we have a reasonable number of tables that we can support with our budget. Families will know upfront how much reimbursement is available, so they can manage their individual table budgets accordingly.

Per PTA rules, all expenses must be submitted with receipts and proper documentation for reimbursement. Events have to fall within budget and be approved by the PTA general assembly. All checks must be signed by two PTA board members. Our organization has demonstrated these skills in the past when hosting previous Multicultural Nights and other events (e.g., Welcome Back Picnic, Winterland) that have similar budget limitations.

9. Please attach a detailed budget for your event including:

- **Total expenses**
- **Anticipated revenue (if applicable)**
- **Net cost (total expenses less anticipated revenue)**
- **Volunteer assistance (1. List volunteer roles/tasks and the number of hours anticipated; 2. Multiply volunteer hours by \$37.32, the California volunteer rate per IndependentSector.org)**
- **Any expenses you expect to be donated/in-kind (include an estimated dollar value of each donated/in-kind expense in your budget)**
- **Funding amount being requested from City of Sunnyvale (cannot exceed 40 percent of total expenses, including the value of in-kind/donated services but excluding the value of volunteer time).**

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

We are requesting \$1500 from the City for this grant. The total event budget is \$4000. The remaining funds will come from the PTA budget (\$2000) and in-kind donations from San Miguel families and friends (\$500). There is no revenue, since this event is free for everyone.

This year, we have increased the PTA budget to help support a higher reimbursement rate for families who host tables, and the grant funding from the City will provide support for this higher reimbursement rate. Historically, we offered a \$50 reimbursement to families for their tables. However, after the 2023 Multicultural Night, we received feedback that \$50 was too low, and it was difficult for low-income families to host a table. So for the 2024 Multicultural Night, with support from the City grant, we increased the reimbursement to \$100 per table. Feedback was that this higher reimbursement offset the financial difficulty of hosting tables and helped ensure equitable participation by our families. We hope to maintain this same \$100 reimbursement rate for the 2025 Multicultural Night. However, the \$100 reimbursement rate is dependent on receiving this grant. As a Title 1 school, funds from this grant will support our community better - and allow us to host an amazing Multicultural Night - without affecting funds allotted to other much-needed activities like field trips, assemblies, and scholarships that support equitable access to extracurricular activities. Thank you for your consideration.

- Total expenses
- Anticipated revenue (if applicable)
- Net cost (total expenses less anticipated revenue)
- Volunteer assistance (1. List volunteer roles/tasks **and** the number of hours anticipated; 2. Multiply volunteer hours by \$37.32, the California volunteer rate per *IndependentSector.org*)
- Any expenses you expect to be donated/in-kind (include an estimated dollar value of each donated/in-kind expense in your budget)
- Funding amount being requested from City of Sunnyvale (cannot exceed 40 percent of total expenses, including the value of in-kind/donated services but excluding the value of volunteer time).

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

To obtain the remaining funding for the 2025 Art & Wine Festival, we are pursuing several avenues of financial support:

- Sponsorships from Local Businesses
- Vendor Participation Fees
- In-Kind Donations

We are requesting grant funding from the City to help ensure the festival's success by covering essential costs that cannot be fully met through sponsorships and vendor fees alone. Specifically, we seek funding to cover public safety, and other logistical costs that are critical to the smooth operation of a large scale event. Grant funding will also allow us to enhance the quality of the festival as we celebrate its 50th anniversary. By receiving this support, we can provide more activities, improved facilities, and better promotion, all of which contribute to making the event a signature experience for the Sunnyvale community and visitors.

State of the Downtown for 2023/2024 - 2024/2025

What is a BID?

A BID (Business Improvement District, authorized by State of California law) provides funding for promoting and improving a specific area. All business license holders inside the said district are self-assessed with an annual fee based on anticipated benefits they receive from the BID.

The BID is reauthorized yearly by the City Council at the request of the businesses' Board of Directors. A BID is used by over 200 business areas in California, including Mountain View, Palo Alto, Santa Clara, Morgan Hill, and San Jose. The BID has legal requirements to be reauthorized. Specifically, the City Council must approve the Annual Budget and adopt a Resolution of Intent (ROI) to reauthorize the BID for another year. Once the ROI is adopted, a public hearing must be held during a Council meeting.

Each year after the city has reauthorized the BID, businesses receive an invoice from the city finance department for BID fees. The city collects the fees annually, and businesses are invoiced at the beginning of June for the next fiscal year. Once received, funds can only be used for projects within the BID boundaries. The BID maintains complete control of all BID funds collected.

The formula for defining our BID assessment amount is as follows: the Sunnyvale Downtown Association (SDA) Board considers the businesses' type, size, and location. Then, it selects the most equitable formula for every business. Typically, BID assessments are included as a separate charge from the business license tax and are billed to every business within the BID boundaries.

Assessments are levied on businesses based on relative benefits from annual activities. All assessment funds collected by the City are returned to the BID through annual contract agreements. The city does collect a fee for administrative costs associated with this service. The price is reviewed and adjusted annually as needed.

By state law, we use the BID funds to support community business activities, promote public events, decorate public places, and provide entertainment within the BID. In addition, BID funds include advertising, marketing materials, digital guides, operational expenditures, websites, e-letters, street/holiday lighting, and events.

Our BID fees are a self-imposed tax on the downtown businesses, outside of paying their standard fees, taxes, and license fees associated with owning and operating a business in our downtown district.

The Mission of the Sunnyvale Downtown Association (SDA)

SDA is a non-profit membership-based organization whose mission is to promote, advocate and enhance the vitality of downtown Sunnyvale. The SDA is funded by BID fees, city grants, sponsorships, and revenue-producing events.

The current SDA Board of Directors includes Chair – Dr. Gary Gold of Dr. Gary Gold & Associates, Secretary – Leigh Odum of Leigh's Favorite Books, Treasurer - Amit Rajgarhia of Dish Dash, and Members At Large –Katie Voong of Mayan Kitchen/K'Tea Cafe, Justin Breining of Whole Foods Market, Amal Allan of City National Bank and Salvatore Foresta of Sweet Sicily.

The SDA also serves as the voice of downtown Sunnyvale by:

- Advocating for policies, programs, and events that support the economic growth of the downtown.
- Acting as the downtown marketing arm, voice, and ambassador for the City of Sunnyvale.
- Producing attractive events for the community.
- Promoting downtown as a premier venue for other groups to produce events.
- Working with other community-based organizations that share downtown Sunnyvale's growth and continued vitality.

Budget

2023/24 BID fees collected from the businesses totaled \$35,000 (approximately 9.8% of our Income), and the City of Sunnyvale's contributions combined with community grants of \$67,500 (19% of our Income) acts as SDA foundational funding. The rest of SDA revenue comes from a combination of developer support, corporate sponsorships, sales/concessions, and event participant fees.

As always stated, we cannot guarantee that we will have this same level of developer, community and/or corporate sponsorship support in any given year. So, we rely on all support channels to ensure fiscal accountability.

On February 14, 2024, the SDA Board of Directors approved the BID 2023/2024 budget.

Below we have included a brief overview of some significant expense areas:

Last fiscal year, we delivered twenty-six events. This fiscal year, the SDA increased the 2023/24 season to thirty-two events, including partnering events in 2023. Eighteen of these seasons’ events generated “No sales revenue” and supporting the community, the city, and downtown businesses.

Events for 2023/2024

- 16 Events: Dining and Dancing - Every Wednesday & Thursday - May and June. **No sales revenue is generated at these events. *New event for 2023/2024**
- 1 Day Event: Taste of the World Wine Stroll - May 11th
- 7 Events: Summer Music Series - Every Wednesday - July and August.
- 7 Events: Jazz & Beyond – Every Saturday – July and August.
- 1 Day Event: Rides for Donations (in partnership with the Sunnyvale DPS) - November. **No sales revenue is generated at this event.**
- 1-Day Event: Holiday Tree Lighting. **No sales revenue-generating event.**

These events attract new visitors from all over the Bay Area to our vibrant and growing downtown community.

Event Sponsorships & City Contribution

We are grateful for continued support from the city and sponsors who help keep our SDA events growing and serving the community in 2023/24. We thank the City of Sunnyvale, Cityline Sunnyvale, Minkoff Group, El Camino Health, Google, LinkedIn, Specialty Waste, PNC Bank, Murphy Square, Silicon Valley Clean Energy and StarOne Credit Union for continuing their support.

As we've always stated, more than ever, the SDA and our downtown businesses need city and other sponsorship support for these events. Due to the current economic uncertainty ahead, supply cost increases, ongoing fixed costs, and annual wage increases, these events allow business owners to weather these challenges during this unprecedented period.

Each year in January, the SDA evaluates what sponsorship support we have coming in. We always plan months in advance to ensure that we can deliver the events the SDA puts on annually. However, it is always hard to predict what our budget will look like six months before the coming fiscal year.

Event-Related Financial Breakdown

Our focus in 2023/2024 has continued to address our SDA businesses' needs amidst the economic challenges that have impacted our downtown district. We continued working through the many financial challenges despite corporate sponsorship reductions and were unable to host events throughout the downtown due to construction. Over the last couple of years, we were fortunate to have received support from community grants, annual City support, developer support, and critical local and corporate sponsorships to help.

Overview

The 2023/24 year proved successful despite the many challenges the SDA has experienced. We invested in better financial strategies, management tools, and marketing solutions early in the year. The downtown is continually building towards a better community, with new opportunities to advocate for new businesses and host events.

We delivered sixteen Dining and Dancing on Murphy events, the Taste of the World Wine Stroll, seven Summer Music concerts, seven Jazz & Beyond concerts, the Annual Holiday Tree Lighting Celebration, and other partnering events. This year, our Dining and Dancing events have enhanced the dining experience, while new partnerships with other community events have expanded our downtown footprint.

The SDA continues to work with Cityline Sunnyvale and other developers, property managers, and the City of Sunnyvale to promote cohesion between the existing businesses in Sunnyvale and the expansion of downtown Sunnyvale.

We also want to thank all the downtown Sunnyvale businesses that make this possible with their continued participation and support. We appreciate the sacrifices our BID members have endured with the changes in our downtown's new developments. We are excited and optimistic about the future and its possibilities. Downtown Sunnyvale continues to expand with many new commercial and retail businesses, and entertainment destinations.

Future

Keeping the BID fee assessment in conjunction with the city's contribution provides the foundational funding for our organization. The SDA's goal is to continue producing quality events and promoting downtown Sunnyvale as a great place to shop, dine, work, and live. In addition, these events attract new visitors to our vibrant and growing downtown with community pride.

This year the SDA will continue to focus on connecting more current and new businesses to our website to provide additional visibility with promotions, events, and job listings. We have also been reaching out to banking, financial planning, IT Services, social media experts, and other services based on business-specific requests. In addition, we offer a conference room and training room so our members can have an area to meet with clients and vendors and train their staff. The new construction is ongoing for the next few years; many new businesses are looking for direction and support in their new community; the SDA is here to assist them in navigating our city and downtown.

We appreciate the continued support of the SDA's BID, and we do not take the support for granted. The SDA continues to be good stewards of all funds, grants, and sponsorships we receive and considers this partnership with the common goals for a vibrant downtown.

State of the Downtown for 2023/2024 - 2024/2025

What is a BID?

A BID (Business Improvement District, authorized by State of California law) provides funding for promoting and improving a specific area. All business license holders inside the said district are self-assessed with an annual fee based on anticipated benefits they receive from the BID.

The BID is reauthorized yearly by the City Council at the request of the businesses' Board of Directors. A BID is used by over 200 business areas in California, including Mountain View, Palo Alto, Santa Clara, Morgan Hill, and San Jose. The BID has legal requirements to be reauthorized. Specifically, the City Council must approve the Annual Budget and adopt a Resolution of Intent (ROI) to reauthorize the BID for another year. Once the ROI is adopted, a public hearing must be held during a Council meeting.

Each year after the city has reauthorized the BID, businesses receive an invoice from the city finance department for BID fees. The city collects the fees annually, and businesses are invoiced at the beginning of June for the next fiscal year. Once received, funds can only be used for projects within the BID boundaries. The BID maintains complete control of all BID funds collected.

The formula for defining our BID assessment amount is as follows: the Sunnyvale Downtown Association (SDA) Board considers the businesses' type, size, and location. Then, it selects the most equitable formula for every business. Typically, BID assessments are included as a separate charge from the business license tax and are billed to every business within the BID boundaries.

Assessments are levied on businesses based on relative benefits from annual activities. All assessment funds collected by the City are returned to the BID through annual contract agreements. The city does collect a fee for administrative costs associated with this service. The price is reviewed and adjusted annually as needed.

By state law, we use the BID funds to support community business activities, promote public events, decorate public places, and provide entertainment within the BID. In addition, BID funds include advertising, marketing materials, digital guides, operational expenditures, websites, e-letters, street/holiday lighting, and events.

Our BID fees are a self-imposed tax on the downtown businesses, outside of paying their standard fees, taxes, and license fees associated with owning and operating a business in our downtown district.

The Mission of the Sunnyvale Downtown Association (SDA)

SDA is a non-profit membership-based organization whose mission is to promote, advocate and enhance the vitality of downtown Sunnyvale. The SDA is funded by BID fees, city grants, sponsorships, and revenue-producing events.

The current SDA Board of Directors includes Chair – Dr. Gary Gold of Dr. Gary Gold & Associates, Secretary – Leigh Odum of Leigh's Favorite Books, Treasurer - Amit Rajgarhia of Dish Dash, and Members At Large –Katie Voong of Mayan Kitchen/K'Tea Cafe, Justin Breining of Whole Foods Market, Amal Allan of City National Bank and Salvatore Foresta of Sweet Sicily.

The SDA also serves as the voice of downtown Sunnyvale by:

- Advocating for policies, programs, and events that support the economic growth of the downtown.
- Acting as the downtown marketing arm, voice, and ambassador for the City of Sunnyvale.
- Producing attractive events for the community.
- Promoting downtown as a premier venue for other groups to produce events.
- Working with other community-based organizations that share downtown Sunnyvale's growth and continued vitality.

Budget

2023/24 BID fees collected from the businesses totaled \$35,000 (approximately 9.8% of our Income), and the City of Sunnyvale's contributions combined with community grants of \$67,500 (19% of our Income) acts as SDA foundational funding. The rest of SDA revenue comes from a combination of developer support, corporate sponsorships, sales/concessions, and event participant fees.

As always stated, we cannot guarantee that we will have this same level of developer, community and/or corporate sponsorship support in any given year. So, we rely on all support channels to ensure fiscal accountability.

On February 14, 2024, the SDA Board of Directors approved the BID 2023/2024 budget.

Below we have included a brief overview of some significant expense areas:

Last fiscal year, we delivered twenty-six events. This fiscal year, the SDA increased the 2023/24 season to thirty-two events, including partnering events in 2023. Eighteen of these seasons' events generated "No sales revenue" and supporting the community, the city, and downtown businesses.

Events for 2023/2024

- 16 Events: Dining and Dancing - Every Wednesday & Thursday - May and June. **No sales revenue is generated at these events. *New event for 2023/2024**
- 1 Day Event: Taste of the World Wine Stroll - May 11th
- 7 Events: Summer Music Series - Every Wednesday - July and August.
- 7 Events: Jazz & Beyond – Every Saturday – July and August.
- 1 Day Event: Rides for Donations (in partnership with the Sunnyvale DPS) - November. **No sales revenue is generated at this event.**
- 1-Day Event: Holiday Tree Lighting. **No sales revenue-generating event.**

These events attract new visitors from all over the Bay Area to our vibrant and growing downtown community.

Event Sponsorships & City Contribution

We are grateful for continued support from the city and sponsors who help keep our SDA events growing and serving the community in 2023/24. We thank the City of Sunnyvale, Cityline Sunnyvale, Minkoff Group, El Camino Health, Google, LinkedIn, Specialty Waste, PNC Bank, Murphy Square, Silicon Valley Clean Energy and StarOne Credit Union for continuing their support.

As we've always stated, more than ever, the SDA and our downtown businesses need city and other sponsorship support for these events. Due to the current economic uncertainty ahead, supply cost increases, ongoing fixed costs, and annual wage increases, these events allow business owners to weather these challenges during this unprecedented period.

Each year in January, the SDA evaluates what sponsorship support we have coming in. We always plan months in advance to ensure that we can deliver the events the SDA puts on annually. However, it is always hard to predict what our budget will look like six months before the coming fiscal year.

Event-Related Financial Breakdown

Our focus in 2023/2024 has continued to address our SDA businesses' needs amidst the economic challenges that have impacted our downtown district. We continued working through the many financial challenges despite corporate sponsorship reductions and were unable to host events throughout the downtown due to construction. Over the last couple of years, we were fortunate to have received support from community grants, annual City support, developer support, and critical local and corporate sponsorships to help.

Overview

The 2023/24 year proved successful despite the many challenges the SDA has experienced. We invested in better financial strategies, management tools, and marketing solutions early in the year. The downtown is continually building towards a better community, with new opportunities to advocate for new businesses and host events.

We delivered sixteen Dining and Dancing on Murphy events, the Taste of the World Wine Stroll, seven Summer Music concerts, seven Jazz & Beyond concerts, the Annual Holiday Tree Lighting Celebration, and other partnering events. This year, our Dining and Dancing events have enhanced the dining experience, while new partnerships with other community events have expanded our downtown footprint.

The SDA continues to work with Cityline Sunnyvale and other developers, property managers, and the City of Sunnyvale to promote cohesion between the existing businesses in Sunnyvale and the expansion of downtown Sunnyvale.

We also want to thank all the downtown Sunnyvale businesses that make this possible with their continued participation and support. We appreciate the sacrifices our BID members have endured with the changes in our downtown's new developments. We are excited and optimistic about the future and its possibilities. Downtown Sunnyvale continues to expand with many new commercial and retail businesses, and entertainment destinations.

Future

Keeping the BID fee assessment in conjunction with the city's contribution provides the foundational funding for our organization. The SDA's goal is to continue producing quality events and promoting downtown Sunnyvale as a great place to shop, dine, work, and live. In addition, these events attract new visitors to our vibrant and growing downtown with community pride.

This year the SDA will continue to focus on connecting more current and new businesses to our website to provide additional visibility with promotions, events, and job listings. We have also been reaching out to banking, financial planning, IT Services, social media experts, and other services based on business-specific requests. In addition, we offer a conference room and training room so our members can have an area to meet with clients and vendors and train their staff. The new construction is ongoing for the next few years; many new businesses are looking for direction and support in their new community; the SDA is here to assist them in navigating our city and downtown.

We appreciate the continued support of the SDA's BID, and we do not take the support for granted. The SDA continues to be good stewards of all funds, grants, and sponsorships we receive and considers this partnership with the common goals for a vibrant downtown.

Last fiscal year, we delivered twenty-six events. This fiscal year, the SDA increased the 2023/24 season to thirty-two events, including partnering events in 2023. Eighteen of these seasons' events generated "No sales revenue" and supporting the community, the city, and downtown businesses.

Events for 2023/2024

- 16 Events: Dining and Dancing - Every Wednesday & Thursday - May and June. **No sales revenue is generated at these events. *New event for 2023/2024**
- 1 Day Event: Taste of the World Wine Stroll - May 11th
- 7 Events: Summer Music Series - Every Wednesday - July and August.
- 7 Events: Jazz & Beyond – Every Saturday – July and August.
- 1 Day Event: Rides for Donations (in partnership with the Sunnyvale DPS) - November. **No sales revenue is generated at this event.**
- 1-Day Event: Holiday Tree Lighting. **No sales revenue-generating event.**

These events attract new visitors from all over the Bay Area to our vibrant and growing downtown community.

*** The event expenses only reflect general marketing and promotional material, day of staffing, wine, beer, performers, and some equipment. It does not include pre-event preparation costs for staff labor to follow up with vendors, host location coordination, design time for marketing products, booking bands, volunteer coordination, poster/flyer design, social media outreach & website, ticket sales, beverage sales, and various other tasks required to deliver the SDA events annually.*

Overview

The 2023/24 year proved successful despite the many challenges the SDA has experienced. We invested in better financial strategies, management tools, and marketing solutions early in the year. The downtown is continually building towards a better community, with new opportunities to advocate for new businesses and host events.

We delivered sixteen Dining and Dancing on Murphy events, the Taste of the World Wine Stroll, seven Summer Music concerts, seven Jazz & Beyond concerts, the Annual Holiday Tree Lighting Celebration, and other partnering events. This year, our Dining and Dancing events have enhanced the dining experience, while new partnerships with other community events have expanded our downtown footprint.

The SDA continues to work with Cityline Sunnyvale and other developers, property managers, and the City of Sunnyvale to promote cohesion between the existing businesses in Sunnyvale and the expansion of downtown Sunnyvale.

We also want to thank all the downtown Sunnyvale businesses that make this possible with their continued participation and support. We appreciate the sacrifices our BID members have endured with the changes in our downtown's new developments. We are excited and optimistic about the future and its possibilities. Downtown Sunnyvale continues to expand with many new commercial and retail businesses, and entertainment destinations.

Future

Keeping the BID fee assessment in conjunction with the city's contribution provides the foundational funding for our organization. The SDA's goal is to continue producing quality events and promoting downtown Sunnyvale as a great place to shop, dine, work, and live. In addition, these events attract new visitors to our vibrant and growing downtown with community pride.

This year the SDA will continue to focus on connecting more current and new businesses to our website to provide additional visibility with promotions, events, and job listings. We have also been reaching out to banking, financial planning, IT Services, social media experts, and other services based on business-specific requests. In addition, we offer a conference room and training room so our members can have an area to meet with clients and vendors and train their staff. The new construction is ongoing for the next few years; many new businesses are looking for direction and support in their new community; the SDA is here to assist them in navigating our city and downtown.

We appreciate the continued support of the SDA's BID, and we do not take the support for granted. The SDA continues to be good stewards of all funds, grants, and sponsorships we receive and considers this partnership with the common goals for a vibrant downtown.

Event Details

1. Please describe your event (you may attach additional details or supporting documentation).

SUNN Swim Club (SUNN) is a nonprofit organization (501c) that mainly serves the residents of Sunnyvale and the surrounding communities. We are a competitive swim club sanctioned by the USA Swimming Association and our members are all student athletes, ranging in age from 5 to 18 years, with some collegiate alumni.

SUNN plans to host a **community picnic that has a “county fair’ like environment, featuring free food, games, and interactive information booths** for residents of the City of Sunnyvale, student athletes of the SUNN Swim Club, and participants of our Summer Splash Program.

The event will be held outdoors, at the Sunnyvale Community Center or a Sunnyvale City park, from 10 AM to 3 PM on a weekend day in August 2025. SUNN will provide food through catering services or provided by SUNN’s volunteers.

Informational and activity booths will be created and hosted by SUNN’s student athletes and volunteers. Student athletes will research the topic of interest and how the guests can benefit from the experiences and take advantage of the opportunities provided by the City of Sunnyvale to live healthy lives and be more productive and positive residents of Sunnyvale.

We will recruit a representative from the Red Cross, the City of Sunnyvale Aquatics,

our coaches, our high school athletes, our college athletes, and some of our parents that swim to talk about swimming for safety, sport and lifetime fitness. These representatives will be posted at educational booths (see below).

Additionally, we will offer other fun activities such as bounce house, face painting, and arts and crafts.

To encourage participation in these activities, we will have (free) raffle tickets that also serve as a meal ticket. The ticket will be given to all participants for free. The ticket will have a quiz printed on it that will test the participants on their knowledge gained from activities. Throughout the day, a number of tickets will be randomly chosen, the highest scores winning prizes.

The following are list of possible activity or educational booths:

Booth 1 Water Safety:

Educational in nature, we will have posters demonstrating the hazards of the waters, whether the pool or beach. We will inform the guest about the rate of drowning, the common scenario of drowning, the concept of dry drowning - the symptoms to watch for, and hazards of digging beach sandpits.

We will provide information to Sunnyvale's classes, private or public, that teach basic swim lessons to be water safe, such as Sunnyvale's SafeSplash classes held at Fremont Swim Complex or the British Swim School at the 24 Hrs Fitness in Sunnyvale. We will acquire permission from these entities prior to the event.

<https://www.safesplash.com/>

<https://britishswimschool.com/palo-alto/24-hour-fitness-sunnyvale/>

SUNN does not provide basic swim lessons, but this skill is very important to the community, and so we want to provide free advertisement for these programs.

Booth 2. Aquatic Activities, Youth and Adults:

This booth will feature Sunnyvale's Aquatic offerings: swim lessons, recreation swim, water fitness, and lifeguard training. The booth will show how living active lives through swimming can be healthy.

Living a healthy life through aquatic sports is not just through competition for the young, but rather a lifelong journey for all ages. We will use the following Sunnyvale City website as our primary source.

<https://www.sunnyvale.ca.gov/recreation-and-community/classes-and-activities/aquatics>

Booth 3: SUNN Swim Club and Summer Splash Achievements

SUNN swimmers achieve in the pool, as well as in the classroom. Our student athletes are top athletes, from being ranked in the community to state competitions. Our students are also academically successful, with multiple seniors swimmers admitted to top universities in the country. Our students also play active roles in the community by volunteering. **We plan to celebrate their achievements in this booth, showing our commitment to our mission of developing our student athletes to “become productive and successful people”.** We want to show to the community that the sport of swimming can bolster life skills that can lead to successful lives. SUNN also offers scholarships for academic achievement as a commitment to this mission.

Booth 4: Neighbors and History of Sunnyvale

SUNN strives for diversity. Sunnyvale is a diverse community and our team reflects our residents. The sport of swimming requires a significant cost due to pool rentals fees. We understand that not all households can afford to participate. **SUNN offers scholarships based on financial need. We plan to celebrate our diversity by showing off the history of Sunnyvale and how it has changed in the last 45 years that SUNN has been a part of the community.** We plan to use Sunnyvale Demographic Data USA

to provide some demographic data.

<https://datausa.io/profile/geo/sunnyvale-ca/>

Booth 5: Food and Drinks Station:

Sunn intends to provide free food and drinks for the event. We plan to cater food from local stores, vendors, or through a volunteer barbecue. We will provide an appropriate number of water and ice stations to cool off during the summer heat.

Games:

One goal of this picnic celebration is to bring the community together. Many of the guests will be non-SUNN members from the community. We plan several team oriented games to break the ice and create conversations between strangers.

2. Have you held this event before? If so, when and where?

We have not held this event before as proposed, but we plan to hold a similar gathering on October 20, 2024 that will gear towards SUNN members. This event will feature some of the proposed ideas stated above.

3. How does your event encourage a celebration of community, including the character, diversity, and quality of Sunnyvale? How does it provide vitality and identity to the community?

The goals of the event are to celebrate the achievements of the student athletes, **fulfill SUNN's core value of being a "pillar of the local community" by bonding with non-member residents of Sunnyvale**, introducing them to the sports of swimming and how it can build a healthy lifestyle and the life skills to be productive and successful members of the community, which is our Mission Statement.

Guests of the picnic will be open to any residents of Sunnyvale, the athletes of SUNN Swim Club and the Summer Splash Program, and their families.

We will run ice-breaker or team building games to introduce our guests to each other, and hopefully start the process of building friendships and just to have fun! This is how you start learning about the identity of individuals in Sunnyvale, thus the City of Sunnyvale itself.

Guests will have an opportunity to visit our education booths. Our “Neighbors and History of Sunnyvale” booth will bring to light Sunnyvale’s cultural diversity. It will show the differences and similarity of our culture and demographics. Educated, we can then all celebrate each other's culture.

Our “Water Safety” booth’s audience is young kids and their families. The objective of the booth is to teach how to be safe around water, the first step towards supporting life or “vitality” in the community.

Our next audience will be school age children who may benefit from the sport of competitive swimming. Our booth, “SUNN Swim Club and Summer Splash Achievements”, will show our guests how participating in competitive sport such as swimming will not only increase over all health and vitality of our children, but also that of the parents, who participate by volunteering with SUNN and just from being outside in the outdoors as a spectator. We will also show that swimming teaches discipline, grit and other life skills that can lead to personal success.

Our last booth, “Aquatic Activities: Youth and Adults”, will introduce the idea of sport as a lifelong journey to maintain overall health for young adults to seniors. We will essentially advertise the opportunities offered by our own city of Sunnyvale so that our guests can take advantage of these opportunities.

SUNN Swim Club's goal is to create or bolster the identity of being an active, healthy person, from childhood to adulthood, as an identity for the Sunnyvale residents. Through learning about each other, and playing team oriented games, we hope to build a stronger sense of community amongst our neighbors.

Our raffle will encourage participants to learn from the booths. The raffle tickets

(quiz cards) will have questions related to these booths. A set of raffle tickets will be picked at random, and the highest scores from these chosen will win free prizes. **Of note, purchases are not required to obtain these tickets.**

Marketing & Promotion

4. Is your event citywide or targeted to a particular neighborhood, demographic or geographic area? If targeted, describe your target audience?

Our target audience are school age children and their family and friends/neighbors. While SUNN's membership is diverse, we understand that belonging to a swim club requires a high level of financial access that is not available to many of our residents in Sunnyvale. Therefore, we hope to target our flyers to lower income communities in Sunnyvale, such as in churches or community centers. **Education about water safety, and the health benefits through aquatics should be available to the entire community, and we believe SUNN can be this vehicle. Of note, SUNN offers scholarships to students based on needs.**

4a. How many people do you expect to attend your event, how did you arrive at this estimate?

SUNN's goal is to reach at least 550 guests for our event. With a membership of 400 active student athletes and an average of 75 participants for Summer Splash, a conservative goal from these groups is 50%, resulting in about 240 athletes. These athletes will be accompanied by at least one parent, resulting in about 480 participants.

Our main method of advertisement is to engage the non-member residents of Sunnyvale through our relationships with the community. We will ask every athlete to do their best to bring at least one friend or neighbor from the community as a personal guest. Assuming a 25% success rate, we should increase our number by 60 guests, resulting in a total of 540 participants

Through widespread advertisements through flyers and posters and community events, we hope to draw about 50 additional guests, which will bring the total participants to 590 guests.

5. Please describe your marketing plan, including the type of advertisements to be used and where they will be placed. Please attach additional sheets as needed to fully describe your marketing plan.

Assuming a 25% success rate, we should increase our number by 60 guests, resulting in a total of 540 participants.

Our other method of advertisement is through posters and flyers. We will target summer classes and public forums. We will target low-income communities in our advertising efforts to be inclusive. We will ask within the advertisement for the potential guest to register with SUNN through an email so we can have an accurate counting of the number of guests.

Organization Information

6. Please describe your organization's mission and goals, as well as information about your membership and total organizational budget, if applicable (feel free to attach literature about your organization). Please attach your organization's most recent financial statements if available.

Sunnyvale Swim Club (SUNN) is a nonprofit organization (501c) that mainly serves the residents of Sunnyvale, established in 1979. We are a competitive swim club sanctioned by the USA Swimming Association.

SUNN mission is to foster a safe and positive culture where athletes develop the essential life skills to be productive and successful people. Our core values are that we lead with integrity, encourage responsibility in our members, embody passion for our sport, and have a strong work ethic beyond the end result.

The final core value that we want to emphasize is that “SUNN is a fundamental pillar of the local community. Our team is united to provide an inclusive and positive environment for our athletes. The SUNN family not only provides a safe place to practice, but also creates a fun atmosphere where classmates, friends, and mentors all grow as people.” Nearly all of our student athletes are residents of the City of Sunnyvale. **Thus, engaging with our community to bring a positive effect to the residents of Sunnyvale is important for us. This event allows us to do just that.**

Our team hosts daily practices at pools in the City of Sunnyvale: Fremont Swim Complex, Sunnyvale Middle School, Columbia Middle School, and Washington Park Pool. Every year, we organize and host 3-4 swim meets that are sanctioned by the USA Swimming at Fremont Swim Complex. These events may have as many as 300 participants and 200 spectators. During these swim meets, we provide food, and a support environment to ensure a well run and safe event. Our total membership is currently over 400 student athletes.

Each year, SUNN hosts SUNN Summer Splash, a 10 weeks swim program aimed at novice swimmers to help improve their swim skills, their confidence in the water, and to meet new friends across the Sunnyvale community. The goal is to introduce the sport of competitive swimming to the participants and to improve their level of safety in the water. On average, we have about 75 participants for this program yearly.

Our organizational budget annual budget for 2023-2024 was \$1,196,000. For this year, we had a net loss due to rising pool costs and payroll related to a rapidly expanding club membership. We have resolved this loss with a recent vote to raise membership dues, which projects a positive net income for the 2024 fiscal year.

Please see attached, Sunnyvale Swim Club’s most recent financial and bank statements.

Event Logistics and Budget

7. What steps are you taking to ensure a well-planned, safe event?

SUNN Swim Club is used to organizing large events, running swim meets, graduation, and picnics safely. These events may have as many as 500 participants and spectators. To ensure the event runs well and safely, SUNN has two board members, the Meet Director and the Ways and Means Director, who supervises a team of parent volunteers to run these events. The team provides monitors to ensure appropriate safe behaviors on pool decks. We also have a designated person to direct traffic.

We will work with the City of Sunnyvale to find a venue for our event, ideally at a Sunnyvale park or outdoor sporting facility. We will follow any requirements related to special event permitting and code of conduct for these facilities.

For this picnic, we will provide a similar monitoring system to ensure safe behavior. The monitors wear a bright orange safety vest for easy identification.

We will identify several possible parking options for our guests at the venue and nearby.

Our Meet Director or their surrogates will have access to a loudspeaker system to communicate to the guests. Direction can be given to the guest through this system to guide them throughout the day or if there is an emergency.

To ensure food safety, we will provide ingredient information, including allergy warnings.

During the summer, the weather can be dangerously hot outdoors. We will provide multiple event tents for shade and multiple water stations. We will aim to set up most of our activity under the shades of trees.

Finally, will we provide a first aid station to provide basic care or triage.

8. Describe controls you have in place to ensure your event will be cost-effective with strong financial management and effective overall event management? How has your organization demonstrated these qualities in the past?

SUNN Swim Club was established 45 years ago. Since then, we have been financially solvent and our membership has steadily grown over the years. The business side of SUNN is run by our Board of Directors, which is voted by the membership on an annual basis. Our Board of Directors includes our head coach, Bob Hill, a pillar in the Bay Area swim community, who has been in his position for 11 years. Our current Board of Directors is currently headed by individuals who are in management of local Fortune 500 companies, and have experience in accounting.

Our organization managerial strength was demonstrated by our response to COVID-19 in 2020. COVID-19 resulted in severe restrictions to many businesses, including our own. Operational costs skyrocketed, yet restrictions decreased participation and thus revenue. Many local swim clubs became bankrupt and folded. However, SUNN survived COVID through increasing membership dues, application for government grants, donations, as well as careful management of our cost. We were able to stay financially solvent through two years of restricted activities related to COVID-19. Despite these challenges, we were still able to offer safe swim activities and maintain full employment of our staff through the COVID years.

While many swim clubs in the Bay Area folded or reduced in size, SUNN not only survived COVID, **but expanded by 30% in the following few years.**

For this event, the cost to the SUNN will mostly be related to supplying food and beverages, and venue rental. Using a registration system for our guests, we will be able to approximate the turnout number, and thus, will not over purchase food. We will purchase food from local wholesalers, such as Costco, to keep costs down.

9. Please attach a detailed budget for your event, including:

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

We will obtain the remaining funding for our event through SUNN's general fund.

We are requesting grant funding from the City because this event benefits the members of SUNN Swimming, who are vastly residents of Sunnyvale. In addition, we will be opening up this event to non-members of SUNN, who are all residents of Sunnyvale. Thus, we request the City to aid us in our endeavor to provide the residents of Sunnyvale this service and opportunity to experience and learn.

Children are given passports to the event. As they visit the booths, they can earn passport stamps for answering questions about the countries represented at the event. Completing a passport entitles the child to an event-themed prize.

2. Have you held this event before? If so, when and where?

Yes, at Ellis Elementary School, May 3, 2024, on April 28, 2023, and for several years 2019 and prior. The hiatus was due to COVID.

3. How does your event encourage a celebration of community, including the character, diversity, and quality of Sunnyvale? How does it provide vitality and identity to the community?

This event fosters community unity through a celebration of cultural diversity and shared values of inclusivity and respect for all cultures. Sunnyvale is known for its rich cultural diversity, and the Ellis community in particular is especially representative of the diversity of Sunnyvale. The Ellis International Festival wants to echo this. It provides a platform for students and families to showcase and share their cultural heritage with fellow school families and the surrounding community, creating an atmosphere of cultural exchange and understanding. Through cultural performances, exhibits, food and interactive activities, the festival highlights the mosaic of cultures that enrich our community.

Marketing & Promotion

4. Is your event citywide or targeted to a particular neighborhood, demographic or geographic area? If targeted, describe your target audience?

The event is open to the Sunnyvale community. It is typically attended by surrounding families near Ellis and the Sunnyvale downtown.

4a. How many people do you expect to attend your event, how did you arrive at this estimate? The approximate attendance of the 2024 event was 800 - 1000, a significant growth from the 2023 event attendance of ~500. We expect the event to stay in the ~1000 attendee range as we plan to follow the same publicity used in last year's event. City funding allows us to support an event of this size, reaching a greater fraction of the Sunnyvale community.

5. Please describe your marketing plan, including the type of advertisements to be used and where they will be placed. Please attach additional sheets as needed to fully describe your marketing plan.

We advertise on school social media platforms including Facebook, Class Dojo (district teacher/parent tool, Peach Tree (Sunnyvale School district wide email platform) and on the new school marquee outside the school. We will also promote the event at local businesses (coffee shops, etc) and flyering in the school and neighborhood.

Organization Information

6. Please describe your organization's mission and goals, as well as information about your membership and total organizational budget, if applicable (feel free to attach literature about your organization). Please attach your organization's most recent financial statements if available.

The PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. We currently have 130+ members at Ellis PTA representing 750 students and their families.

Event Logistics and Budget

7. What steps are you taking to ensure a well-planned, safe event?

The event has a senior project lead with experience running events hosting 800-1000 people, as well as teacher leads, parent country leads and dozens of volunteers who participate to make this event happen. Food Safety: Providing safe food handling supplies for the volunteers and food storage for country food sampling. Family Safety: The event is coordinated with the school staff to ensure school safety concerns and rules are followed, to prepare the grounds ahead of time, ensure there are ample bathroom access, waste-disposal options, clean up afterwards.

8. Describe controls you have in place to ensure your event will be cost-effective with strong financial management and effective overall event management? How has your organization demonstrated these qualities in the past?

The PTA board proposed a budget and release of funds to the PTA association which votes to approve these measures. Funds can only be reimbursed with the approval of the PTA president and secretary and their signatures. Checks need to be signed by the Treasurer and Financial Secretary. All previous events have been kept within budget.

9. Please attach a detailed budget for your event including:

- Total expenses
- Anticipated revenue (if applicable)
- Net cost (total expenses less anticipated revenue)
- Volunteer assistance (1. List volunteer roles/tasks **and** the number of hours anticipated; 2. Multiply volunteer hours by \$37.32, the California volunteer rate per *IndependentSector.org*)
- Any expenses you expect to be donated/in-kind (include an estimated dollar value of each donated/in-kind expense in your budget)
- Funding amount being requested from City of Sunnyvale (cannot exceed 40 percent of total expenses, including the value of in-kind/donated services but excluding the value of volunteer time).

10. How will you obtain the remaining funding for your event? Why are you requesting grant funding from the City?

The ELLIS PTA will supply the required funds to ensure this event is hosted safely and represents the community of Sunnyvale. The additional grant will enable us to increase the subsidies provided to the families sharing their culture with the community through food and decorations. These funds will reduce the burden on the families who provide in-kind donations and the Ellis PTA, allowing the PTA to offer additional educational events.
