

Date: May 2, 2023

To,  
Zoning Administrator  
City of Sunnyvale, California

**Subject:** Project Description - Planning Project PLNG-2023-0173  
Addition of a small bar in place of buffet tables in an existing restaurant space.

**Scope of Work:** This letter is in support of a proposed 142 square foot interior, non-structural bar and counter addition, in place of exiting buffet tables and counter along a wall, in an existing restaurant space at Urban Grill. There will be no changes to the exterior frontage, roof, door or windows of the restaurant. There will be no new plumbing or mechanical work since there will be no cooking or reheating service at the bar counters (there is an adjacent full service kitchen, not part of this scope). Existing pendant and spot lights over the buffet tables will be reused for new bar. The retail block has other existing bars and restaurants within its area.

The restaurant will continue its previous food service, and type of dining.  
Building Project #B20222929

**Alcoholic Beverage License:**

There is a current State of California, Department of Alcoholic Beverage Control license on file:
