PUBLIC HEARINGS/GENERAL BUSINESS

- 2** [17-1031](#) Approve Agreement between the City of Sunnyvale and Bay Area Children's Theatre for Use of Theater Facilities at the Community Center for the period January 5, 2018 through March 25, 2018.

Community Services Superintendent, Dan Wax, and Community Services Manager, Trenton Hill presented a staff report on the proposed agreement between the City of Sunnyvale and Bay Area Children's Theatre (BACT).

Commissioners inquired about promoting ticket sales and performances, local children participation and sign-ups and why California Theatre Center (CTC) did not extend its current agreement with the City.

Staff indicated BACT has a built-in network in the Bay Area for promotion and marketing of ticket sales and performances. In addition, promotion and marketing can be done through the City's theatre bulletin boards and other theatre promotions such as constant contact emails and event posters/fliers. BACT is an established group of professional actors that provide children an opportunity to experience live theatre. CTC terminated the agreement with the City due to the closure of their organization.

Chair Kenton opened for public hearing, and there being no public comments, closed the public hearing.

Commissioner McCune moved and Commissioner Gabashvili seconded to approve the agreement between the City of Sunnyvale and Bay Area Children's Theatre for use of theater facilities for the period January 5, 2018 through March 25, 2018.
