

RESOLUTION NO. \_\_\_\_\_

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUNNYVALE  
ESTABLISHING CITY COUNCIL POLICY 7.3.32, PROHIBITING THE USE  
OF CITY PROPERTIES FOR CIVIL IMMIGRATION ENFORCEMENT  
PURPOSES AND PROVIDING IMMIGRATION RESOURCES FOR CITY  
PROPERTY OWNERS, BUSINESSES, AND RESIDENTS

WHEREAS, the City of Sunnyvale is home to people of diverse backgrounds, including a large immigrant population; and

WHEREAS, immigrants are valuable and essential members of the City of Sunnyvale community who contribute to the City’s economic, civic, and cultural vitality; and

WHEREAS, Sunnyvale has repeatedly stated its core values related to its diverse community, most recently on January 14, 2025, when the City Council unanimously approved the “Statement on Our City Values and Public Service;” and

WHEREAS, the City’s approved values include: (1) valuing our individual experiences and supporting and protecting people of any race, religion, ancestry, ethnicity, ability, gender, sexual orientation, or gender identity; (2) honoring cultural and religious traditions; (3) valuing and embracing the diverse backgrounds, race, nationalities, ancestries, and ethnicities; and (4) welcoming immigrants and refugees; and

WHEREAS, a strong and trusting relationship between the City and its residents contributes to the public safety and well-being of all residents; and

WHEREAS, actions by local, state, or federal government agencies that cause immigrant community members to fear reporting crimes, seeking health services, accessing City facilities, or engaging in civic life, detract from the safety and welfare of the entire community; and

WHEREAS, the federal government, through U.S. Immigration and Customs Enforcement (ICE), has recently undertaken broad civil immigration enforcement operations in ways that have generated concern among local communities; and

WHEREAS, state and local governments bear primary responsibility for ensuring the safety and well-being of their communities and possess the discretion and authority to adopt policies best suited to those communities; and

WHEREAS, current City policies do not explicitly restrict federal civil immigration enforcement agencies from using City-owned land or facilities for operations, staging, processing, or surveillance; and

WHEREAS, the City does not want its assets or properties to be used by federal immigration authorities for purposes of immigration enforcement because such use is likely to undermine trust in local government and the City wants to use its limited resources for its own purposes and goals, including fostering an environment of inclusiveness and trust between City government and its residents; and

WHEREAS, the City seeks to approve a City Council policy that furthers Sunnyvale's core values by (1) prohibiting federal civil immigration enforcement agencies from using City-owned land or facilities for operations, staging, processing, or surveillance; and (2) authorizing City staff to provide certain, limited resources to support businesses and individuals seeking tools and education about immigration rights; and

WHEREAS, the United States Supreme Court has long recognized that state and local governments retain primary authority over matters affecting the health, safety, and welfare of their residents, and that decisions concerning local public resources are best made by governments closest and most accountable to the people they serve, and California Constitution Article XI, Section 7 grants cities the authority to enact and enforce laws and policies that do not conflict with general state law; and

WHEREAS, regulating the use of City-owned or City-controlled property, without regulating the conduct of federal agencies, is a lawful exercise of municipal authority and an appropriate and necessary means of promoting public safety, community trust, and the responsible use of public resources that will help ensure community members feel safe accessing City services and facilities.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SUNNYVALE THAT:

1. The City Council hereby adopts City Council Policy 7.3.32, Prohibiting the Use of City Properties for Civil Immigration Enforcement Purposes and Related Policies to Provide Resources for City Property Owners, Businesses and Residents, attached to this Resolution as Exhibit A.
2. The City Council finds that the action described in this resolution is a general policy that does not have the potential to cause a physical environmental impact and therefore is not a project subject to CEQA (CEQA Guidelines sections 15378(a) and 15378(b)(5)).
