RE : Project 2016-7685

Dear Aastha,

On behalf of Lucy and Cherry, we would like to file an appeal to the Planning Commission. We understand the zoning administrator made her decision based on Traffic's recommendation. However, we believe vision triangle was met on a separate basis : that drivers can plainly see oncoming traffic of either side of Duane ave and Worley ave through the iron work of the fence.

We are seeking the approval of the variance permit to keep the fence as is and not modify it because the owners and the neighbors like it the way it is and it is a barrier from future car accidents crashing into the house.

It is plain to see for anybody driving around the corner of E Duane Ave and Worley Ave that vision is not at all affected.

With this in mind, please process the appeal and let us find a satisfying conclusion to this matter.

Sincerely,

Lucy Mahnel
