Standard Bibliotheca Terms and Conditions Apply

Prices quoted above include a standard Bibliotheca one year warranty. Refer to Bibliotheca Sales and Maintenance Agreement for additional Terms and Conditions. However, any required SIP configuration or ILS renewal fees are not covered by the Bibliotheca warranty. Please note that there may be an additional charge for electrical work.

Shipping is estimated and calculated using today's rates to one receiving location, unless otherwise noted. Additional shipping charges may apply.

Annual Support and Maintenance costs following the standard Bibliotheca one year warranty period:

- 17% Software Licenses: Percentage of unit price
- 12% Hardware Only Components: Percentage of unit price

Annual Support and Maintenance Charges automatically increase by 5% per year after the initial first year of paid Annual Support and Maintenance costs. Customer may qualify for savings of 3% for every year, up to five years, of pre-paid annual Support and Maintenance charges. Discount is based on the annual fee of the first year for which support and maintenance is charged (year 2) so that prepayment program also protects customer from yearly pricing escalations.
