Sustainability Speaker Series Update

Madeline Khair, Environmental Programs Manager
Sustainability Commission, March 2026

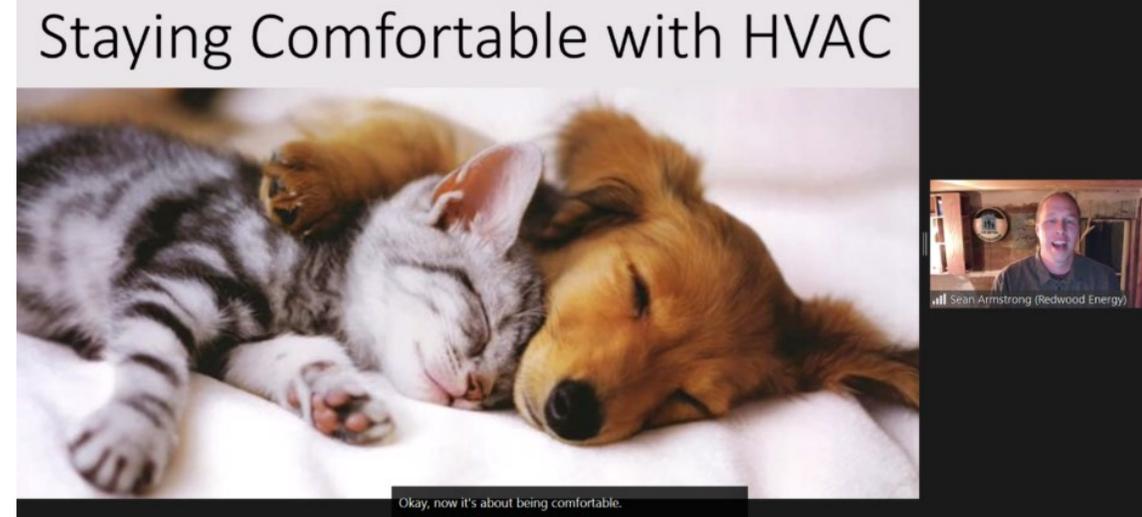

Sustainability Speaker Series Attendance

Sustainability Speaker Series Attendance

- Lowest Attendance Topics (below 30):
 - ◆ Seraph White, Waves of Change: Ensuring Equity in Coastal Access, 2025
 - ◆ Daphne Frias, United for Disability and Climate Justice, 2025
- Highest Attendance Topics (above 120):
 - ◆ Bea Johnson, Zero Waste Home, 2017
 - ◆ Sunnyvale ESD, Recycling – Beyond the Triangle, 2021
 - ◆ Sean Armstrong, This Old Zero-Emission Home, 2022

New Approach for 2026-2028

- Pivoting back to in-person events, with a more interactive component
- Proposing fewer events over longer time frame
 - ◆ 3 events between 2026-2028
- Maintain process: Sub-committee proposes topics/ideas, Commission ranks, Council approves
 - ◆ Do not have to come back next year
