Good Evening, All,

On behalf of NLC President Steve Patterson, I am writing to congratulate you on your appointment to the 2025 Information Technology and Communications (ITC) Federal Advocacy Committee. Your experience and commitment will bring great value to NLC, communities around the country and the efforts of this committee. Your membership on the ITC Committee begins with the receipt of this notification and concludes at the adjournment of City Summit 2025 in November.

The NLC staff contact for your committee is Angelina Panettieri, and their email address is panettieri@nlc.org. Angelina will be in touch with you to share additional details about the committee and its meetings. We look forward to working with you this year on the issues that matter the most to America's cities, towns, and villages.

I hope you are already planning to attend NLC's Congressional City Conference (CCC) from March 10-12 in Washington, DC! More information about CCC will be shared in the coming weeks.

To register for CCC, click [here](#). You must be registered for the conference to attend the committee meeting.

Again, congratulations on your appointment, and I look forward to working with you this year!

Best,

Clarence
