

Electrifying Our Transportation System

Rod Diridon Sr.

Mineta Transportation Institute

Fueled by Sunnyvale's new carbon-free electricity, electric transportation options are better for our health, our environment, our wallets, and our busy schedules. Rod Diridon Sr. will discuss how our daily commutes and traffic woes will be transformed by new transportation alternatives, including the electrification of Caltrain, California High Speed Rail, and electric cars and buses.

Wednesday, August 2, 2017

7:00 p.m. to 8:30 p.m.

City Council Chambers

456 W. Olive Ave., Sunnyvale
