## Community Workshop

The City of Sunnyvale invites you to the  
Downtown Specific Plan Update Community Workshop!

**Tuesday, February 11, 2020**

**6:00 p.m. – 8:00 p.m.**

**Washington Park Building**

**840 W. Washington Avenue, Sunnyvale**

The City of Sunnyvale is preparing an update to the Downtown Specific Plan (DSP) which includes changes to the land use plan and development intensities as well as related design guidelines and standards. A map showing the DSP boundary is shown on the next page.

The City published the draft DSP and environmental document and made it available for public review on November 22, 2019. City staff and the consultant team will provide information on the draft DSP and environmental documents to residents and other stakeholders at the workshop. The workshop participants will be able to ask questions and provide input on the presented materials. Please join us to learn more about this process and contribute your thoughts to this important effort.
