2 [21-0201](#) Review and Recommendation to the City Council for the Final Park Design at One Redwood Place - Previous AMD Site

Recommendation: Alternative 1: Recommend that City Council approve the final design of AMD Park described in Attachment 5 with decomposed granite surfacing of the dog park.

Staff recommends decomposed granite surfacing due to ease of maintenance and low cost. Decomposed granite surfacing withstands heavy public use and allows for easy identification and cleanup of dog waste. Decomposed granite surfacing has been used successfully at Las Palmas Park and Seven Seas Park. Synthetic turf is more expensive to install, has a higher maintenance cost and has an estimated \$150,000 replacement cost every 10 years.
