Memorandum

To: Bicycle and Pedestrian Advisory Commission (BPAC)

From: Rosemarie Zulueta, Associate Planner

Through: Carol Shariat, Principal Transportation Engineer/Planner

Date: May 28, 2015

Re: Nomination of a BPAC Representative to the Sunnyvale El Camino Real Corridor Plan Advisory Committee (ECRPAC)

The City will be performing a comprehensive update of the Precise Plan for El Camino Real, as directed by City Council (Study Issues CDD 14-09 and CDD 14-14). The original Precise Plan for El Camino Real was completed in 1993 and last updated in 2007. Since that time, development interest in the Sunnyvale El Camino Real corridor has greatly increased. The main goal of this comprehensive update is to effectively engage stakeholders, leaders, businesses and the general community to update the vision, policies and development standards for the Plan area. The resulting product will be the Sunnyvale El Camino Real Corridor Plan (ECR Plan) that will update and replace the 2007 Precise Plan for El Camino Real.

To assist with this planning effort, a committee representing the multiple interests of the study area (map of study area attached) will be appointed to provide input and guidance throughout the planning process. The ECR Plan Advisory Committee (ECRPAC) will be responsible for reviewing information, providing feedback on topics, recommending priorities, soliciting the participation of the community at large and working to represent the various interests of the community. The Council has approved the following composition of the committee (RTC 15-0119):

Composition of the Sunnyvale El Camino Real Corridor Plan Advisory
Committee (ECRPAC)

REPRESENTATION		NUMBER OF MEMBERS
Boards and Commissions	Planning Commission	1
	Sustainability Commission	1
	Bicycle and Pedestrian Advisory Commission	1
	Housing and Human Services Commission	1
Study Area	Residents	3
	Business Representatives/Property Owners	3
City at Large	Residents	1
	Business Representatives/Property Owners	1
Total Number of ECRPAC Members		12

The ECRPAC is intended to represent a broad cross-section of the community and provide a balance of perspectives. In the next few weeks, the City will be inviting applications for participation on the ECRPAC from residents, property owners and business owners within the ECR Plan study area and the City at large.

Please nominate a member to represent your Commission on the ECRPAC during your next Commission meeting. A Council Ad Hoc Subcommittee will review the applications and your nominations, and make the final member appointments in July 2015.

The City anticipates the planning process to kick off in June 2015 and the first ECRPAC meeting to be held in August 2015. The ECRPAC will meet about 6 times within the estimated 12- to 15-month project schedule. Members will need to allow 2-3 hours for the first meeting and then 2 hours for each regular meeting. A more detailed schedule will be determined when the project work plan is finalized. A project webpage is being developed at PlanElCaminoReal.inSunnyvale.com to provide regular updates on the project. The webpage will be online when announcements to the general public are released.

Your interest and engagement in this project is greatly appreciated.

Sincerely,
Rosemarie Zulueta, Associate Planner

Study and Budget Issues Brainstorming

The Study and Budget Issues process is an annual City procedure for planning the consideration of important issues. The City Council, after receiving input on issues of importance from a number of sources including commissions, committees, staff, and the general public, holds a Study/Budget Issues Workshop. This workshop is a ranking exercise of all of the issues submitted for consideration. From this exercise, staff gains an understanding of the Council's priority issues for the following fiscal year, and future years to come. Staff then develops a realistic work plan for addressing the identified issues. Budget issues, essentially expenditure requests, are either considered for inclusion in the budget or dropped.

Staff recommends that the BPAC discuss potential 2016 study and budget issues.

H. Meetings, Attendance and Quorums (see also Council Policy 7.3.8 Posting of Agendas and Procedure for Confirming Proper Posting and Notice of Meetings)

(I) Meetings

Each board and commission shall hold regular meetings and special meetings as it may require. All meetings shall be open to the public and

COUNCIL POLICY MANUAL

meet Brown Act requirements (with the exception of certain disciplinary review proceedings of the Personnel Board).

All board and commission meetings shall operate under Parliamentary Procedure. Should this policy and Parliamentary Procedure conflict, this policy shall take precedence.

(II) **Attendance**

Each member of a City board or commission is expected to attend all regularly scheduled meetings*, and as many special meetings as possible. When a board or commission member knows in advance that he/she will be absent from a meeting, the member shall give advance notice to the chair and/or staff liaison.

The board/commission chair shall, in consultation with the staff liaison, propose that each absence be “excused” or “unexcused”. Each board or commission shall then determine by general consent (or, failing to achieve general consent, by majority vote) their members’ absences from regularly scheduled meetings as excused or unexcused** and shall include that record in official meeting minutes. Absences from special meetings shall be recorded but shall not be classified as “excused” or “unexcused”.

Unexcused absences from three consecutive regularly scheduled meetings, or from more than 25% of all regularly scheduled meetings over any twelve consecutive month period, shall result in that member’s seat being declared vacant by the city clerk. Any declaration of vacancy based on unexcused absence from more than 25% of all regularly scheduled meetings over any consecutive 12-month period shall be appealable to the City Council. (Declarations based on absence from three consecutive regularly scheduled meetings are Charter-based and are not appealable.)

Board and commission members are responsible for monitoring their own attendance records. Staff shall prepare for the City Council semi-annual reports of all the City’s boards and commissions showing the attendance of each member at both regular and special meetings during the past 12 months. The percent of regularly scheduled meetings attended shall only be shown for board and commission members having been in office at least six months.

Council shall take into consideration board and commission member attendance records, including tardiness, when evaluating the overall performance of board and commission members.

* *Regularly scheduled meetings* are defined as those in alignment with the general description provided the public as to the times that board or

COUNCIL POLICY MANUAL

commission routinely meets. For example, if the Heritage Preservation Commission is advertised as meeting the first Wednesday of every month, meetings held on these dates only shall be considered “regular meetings”. Any other meetings shall be considered special meetings. Regularly scheduled meeting *dates and times* for all boards and commissions shall be posted on the City’s Web site and in the Boards and Commissions Handbook.

**** *Excused absences*** shall be limited to those which meet both of the following requirements:

- (a) The absent member must have informed the chair and/or the City staff liaison to the board or commission, of their intended absence prior to the scheduled meeting. (Failure to inform the chair or the staff liaison prior to the meeting shall result in an unexcused absence, unless extenuating circumstances prevent advance notice), *and*
- (b) The absence is due to one of the following:
 - i A death in the family,
 - ii Personal illness,
 - iii Board or commission-related business,
 - iv Personal leave (limited to one per fiscal year for those boards/commissions meeting monthly or less frequently and to 10% of regularly scheduled meetings for those meeting more frequently)
 - v Emergency, or
 - vi Decision by member’s supervisor in employment or required military service,
 - vii Maternity leave.

(III) Quorums

Boards and commissions have a quorum present when a majority of their ~~total~~current membership is present. “~~Total~~Current membership” means the number of members indicated in Section 2.A (I) through (VIII) provided for when the board or commission was created; i.e., the Planning Commission has a total membership of seven.~~is defined as the official membership, less any seats that are formally vacant through resignation, unfilled vacancy or removal.~~

(IV) Majority and Abstentions

Board and/or commission motions shall be approved by a majority of legal votes cast. Members who fail to vote are presumed to have waived the

COUNCIL POLICY MANUAL

exercise of their right and to have consented to allow the will of the organization to be expressed by those voting. The tabulation of a vote is based on the number of members present *and* voting. Abstentions are not counted, since a member who abstains voluntarily relinquishes his or her vote, and is not counted in the results. (*Source: The Standard Code of Parliamentary Procedure, 4th Edition*)

(V) **Ad-hoc Committees**

Ad-hoc committees may be established as required to facilitate the study of Council-directed or staff-requested initiatives. These committees will be project-specific and will function only for the duration of the project.

J. Interaction with City Council, Public, Staff, and other Board and Commission Members

The city manager shall appoint a staff liaison to support each board and commission.

In addition to their role as advisors to the Council, boards and commissions serve as liaisons between the City and the general public regarding issues under their purview at City sponsored meetings or events. Each board and commission functions as a communication link between the community and the City,

COUNCIL POLICY MANUAL

explaining City programs and recommendations, advocating established City policy and services, as well as providing a channel for citizen expression.

Outside of official board or commission meetings, individual board and commission members are not authorized to represent the City or their board or commission unless specifically designated by the Council or the board or commission to do so for a particular purpose. In private settings, board and commission members may communicate at any time and on any subject with individual members of the City Council, and may express to them individual viewpoints and opinions. In public, however, all members shall represent the official policies or positions of their board or commission, with the following exception: during a Council public hearing on any item addressed by the board or commission, any member may speak under standard time limits, but shall indicate whether their testimony represents an official position (majority opinion) or a minority opinion of the board/commission to which they belong. The chair shall represent the majority view of the board or commission, but may report on any minority views as well, including his or her own. When an official board or commission position differs from staff's recommendation on a particular policy issue, then at the Mayor's discretion additional time may be provided to the chair of the board or commission (or his/her designee) to explain the position of the board/commission or to rebut statements made by staff or the public. If new information is brought to light during a public hearing which was not shared previously with the board or commission, the Mayor may allow the board or commission chair to respond. If the Council deems the new information sufficient to warrant additional study, then by majority vote Council may remand the issue back to the board or commission for further study prior to taking other action itself. (*Source: Code of Ethics and Conduct for Elected and Appointed Officials*)

Individual opinions and positions may be expressed by board and commission members regarding items that have not come before the particular board/commission to which they belong. When presenting their individual opinions and positions, members shall explicitly state they do not represent their body or the City of Sunnyvale, nor will they allow the inference that they do. (*Source: Code of Ethics and Conduct for Elected and Appointed Officials*)

Although a board or commission may disagree with the final decision the Council makes, the board or commission shall not act in any manner contrary to the established policy adopted by the Council. (*Source: Code of Ethics and Conduct for Elected and Appointed Officials*)

Board and commission members shall adhere to the City's Code of Ethics and Conduct for Elected and Appointed Officials. Council conduct with boards and commissions is also covered in the City's Code of Ethics and Conduct for Elected and Appointed Officials.

COUNCIL POLICY MANUAL

Council shall be kept informed of the activities of boards and commissions by virtue of the board and commission minutes.

Council shall conduct regular joint meetings with Chairs and Vice Chairs per paragraph G.(II)(h) with the intention to review and improve overall effectiveness of commission meetings.

Council shall consider joint study sessions with boards and commissions as warranted.

Council shall encourage members of the public to submit issues and/or concerns to the appropriate board or commission prior to Council considering the matter. (Source: *Community Engagement Sub-Element 7.2C.5(a)*)

Board and commission members with individual concerns of a non-operational nature may seek guidance in any of the following ways:

- (I) Consult with the board/commission chair. If possible, this is the preferred course of action.
- (II) Consult with the Mayor.
- (III) Consult with another Councilmember.

When a commission has questions about the commission's duties or the interpretation of Council policy, the commission may direct an inquiry to:

- (I) The Mayor.
- (II) The Council Subcommittee on Bylaws.
- (III) The full Council.

When sharing public correspondence with boards and commissions, staff shall be guided by the following principles:

- Facilitate communication of information on policy issues from the public to the boards and commissions
- Adhere to the law and Council policy (the two Council policies that most relate to this issue are: "Outside of official b/c meetings, individual b/c members are not authorized to represent the City or their b/c unless specifically designated by the Council or the b/c to do so for a particular purpose", and "Boards and commissions may serve as advisory bodies to staff regarding operational issues upon request by staff.")
- Treat all the City's boards and commissions equitably
- Provide all boards and commissions the information needed to do their jobs
- Avoid misleading the public

- Utilize staff time efficiently and effectively

K. Recognition

An annual event to recognize the service of all board and commission members, as well as citizens serving on special Council ad-hoc committees, shall be coordinated through the Office of the City Manager.

Outgoing board and commission members who have served their full term shall receive a certificate of appreciation and a small memento of appreciation. The type of certificates and mementos provided are at the discretion of the Office of the City Manager, shall not exceed the gift limit established by the Fair Political Practices Commission in effect at the time, and will be suitable for the occasion.

L. Resignation/Completion of Term

When a board or commission member resigns from his or her seat, the member shall notify the Mayor in writing (email, fax or letter), with copies to the staff liaison, city clerk and city manager, indicating the effective date and the reason(s) for resignation. When the resignation notice is received by the Office of the City Clerk, staff shall notify Council of the resignation and the status of recruitment efforts to fill the vacancy.

Upon resignation or completion of board or commission assignment, individuals shall not represent themselves further as a board or commission member.

M. Sanctions

Counseling, verbal reprimands and written warnings may be administered by the Mayor to board and commission members failing to comply with City policy. These lower levels of sanctions shall be kept private to the degree allowed by law. Copies of all written reprimands administered by the Mayor shall be distributed in memo format to the chair of the respective board or commission, the city clerk, the city attorney, the city manager, and the City Council. Written reprimands administered by the Mayor shall not be included in packets for public meetings and shall not be publicized except as required under the Public Records Act. (*Source: Code of Ethics and Conduct for Elected and Appointed Officials*)

Any form of discipline involving formal censure, or affecting board or commission member status (i.e., removal from office or removal of chairperson status), shall be imposed by a majority vote of at least a quorum of the Council at a noticed public meeting and such action shall be preceded by a Report to Council with supporting documentation. The Report to Council shall be distributed in accordance with normal procedures, including hard copies to numerous public facilities and posting online. Any Report to Council addressing alleged misconduct by a board or commission member shall be routed through the Office of the City Attorney for review of whether any information is exempt from

COUNCIL POLICY MANUAL

disclosure (subject to redaction) based on privacy interests authorized under the Public Records Act.

N. Investigations

When deemed warranted, the Mayor or majority of Council may call for an investigation of board or commission member conduct. Should the city manager or city attorney believe an investigation is warranted, they shall confer with the Mayor or Council. The Mayor or Council shall ask the city manager and/or the city attorney to investigate the allegation and report the findings.

The results of any such investigation shall be provided to the full Council in the form of a Report to Council, and shall be placed on the agenda of a noticed public meeting as “Information Only”. Any such report shall be made public and distributed in accordance with normal procedures (i.e., hard copies to numerous public locations and posted online). Any report to Council addressing the investigation of board and commission members shall be routed through the Office of the City Attorney for review of whether any information is exempt from disclosure (subject to redaction) based on privacy interests authorized under the Public Records Act.

It shall be the Mayor and/or the Council’s responsibility to determine the next appropriate action. These actions include, but are not limited to: take no further action; discussing and counseling the individual on the violations; placing the matter on a future public hearing agenda to consider sanctions; forming a Council ad hoc subcommittee to review the allegation, the investigation and its findings, as well as to recommend sanction options for Council consideration.

O. Removal

The members of each board or commission shall be subject to removal by motion of the City Council approved by at least four affirmative votes, for the following reasons:

- (I) Failure to maintain eligibility requirements
- (II) Failure to take the required Oath of Office
- (III) Failure to complete required training
- (IV) Failure to meet attendance requirements
- (V) Failure to fulfill board or commission duties
- (VI) Failure to adhere to Council policy governing boards and commission member interaction with City Council, the public, staff, and/or other board or commission members.
- (VII) Violation of Code of Ethics and Conduct

P. Administrative Policies

COUNCIL POLICY MANUAL

The city manager shall have full authority to develop and implement any administrative policies and practices deemed necessary to support the operation of all boards and commissions.

Q. Council Liaisons to Boards and Commission

The City Council shall appoint one councilmember to serve as a council liaison to each board and commission, except for the Planning Commission, the Personnel Board, and the Board of Building Code Appeals. Appointments shall change every six months, with the roster established annually as part of the City Council intergovernmental relations appointment process. The method of assignment shall be automatic rotation using seat numbering and alphabetic ordering of commissions. Attendance at board or commission meetings by the council liaison is encouraged but not mandatory. Council liaisons may informally arrange for a council alternate when scheduling conflicts arise.

During a board or commission meeting, the Council liaison shall serve a role similar to that of the staff liaison. The primary responsibility for providing information to boardmembers or commissioners belongs to the staff liaison, but the council liaison may provide additional information at the request of the chair when questions fall beyond the scope of staff's expertise. The council liaison may raise points of order when procedural issues arise.

During board or commission meetings, authority resides with the board or commission chair. Council liaisons shall refrain from:

- i. Interfering with the smooth operation of board or commission meetings
- ii. Acting in a manner that undermines the chair's authority
- iii. Participating in policy discussions except when providing factual information at the request of the chair
- iv. Speaking on behalf of the full Council without appropriate authority
- v. Acting as spokesperson for the board or commission.

When questions or concerns arise regarding the conduct of a council liaison, the chair of the board or commission should consult with the Mayor for possible resolution. When the liaison in question is the Mayor, the chair should consult with the Vice Mayor for possible resolution.

R. Bylaw Revisions

Boards and commissions may craft additional bylaw provisions specific to themselves as long as they do not conflict with Sections A through P above. Any additional bylaw provisions must be approved by the City Council.

A standing subcommittee of three members of City Council shall review all bylaw revisions. The role of the subcommittee shall be to review the proposed bylaws before consideration for action by the full Council. Subcommittee meetings are subject to Brown Act noticing requirements.
