PRESENTATION

[17-1195](#) Safe Routes to Schools Project Update

Norma O'Connell, Safe Routes to Schools (SRTS) Coordinator, gave an update on the SRTS program.

Currently, the SRTS program is focusing on two areas:

1. Mapping of SRTS
2. Looking for funding sources

- They conducted training for parents, volunteers and faculty on the mapping project.
- They are currently working on collecting data for suggested routes for bicycles and pedestrians.
- There will be a work group meeting on January 24, at the Department of Public Safety (DPS) to discuss potential Measure B funding and grants.
- They have been working with a grant writer, but since they are a government agency, qualifying for grants has been a challenge so they are looking into becoming a non -profit organization, so that the SRTS program can apply for grants.
- They are encouraging the Parent-Teacher Association (PTA) to do fundraisers for bike rodeos.
- Map training will be held at Lakewood Elementary on January 5, at 8:00 a.m. and at Laurelwood Elementary on January 10, at 8:45 a.m.
- DPS will be supporting two citywide bike rodeos in the spring. One will be held at the Fit and Fun Fair and the other has yet to be determined.
- Next steps would include getting support to extend SRTS program with coordinator.

ORAL COMMUNICATIONS

Dave Simons, speaking as a member of the public, stated at the last VTA BPAC meeting there was a deferral of a motion for Complete Streets policy which may be continued or go to VTA Board . He also explained that the BPAC was created due to state law to qualify for funding for roads and pedestrian projects. VTA BPAC was created to seek Measure B funding for go-to projects that are difficult to fund in any other way.

Kevin Jackson, member of the public, mentioned that SB-760 is currently going through legislature that will require Caltrans to consider Complete Streets treatment during maintenance of their roadways. Mr. Jackson also pointed out that the two deferred study issues from last year, DPW 17-10 and DPW 17-06, are not on the December Agenda. They were replaced with DPW 18-05 and DPW 18-06 with changes to wording from the original study issues.

PUBLIC HEARINGS/GENERAL BUSINESS

[17-1196](#) BPAC 2018 Annual Work Plan

Mr. Garcia stated that since there was no formal vote taken in November to approve the Annual Work Plan, a vote will need to take place during this meeting.

Chair Cordes inquired about the Americans with Disabilities Act (ADA) Transition Plan. He would like know if it will be on the 2018 Work Plan. Mr. Garcia stated it will be presented to the Advisory Committee on Accessibility, but not to the BPAC.

Chair Cordes inquired about the status of the Homestead Road Full Time Bike Lane Conversion. Mr. Garcia said according to the Report to Council, the project can not be re-evaluated until Apple Campus 2 becomes fully occupied. It is expected that the campus will be fully occupied in late spring.

Commissioner Bremond inquired about the budget review in May. She would like to see it on the Work Plan earlier in the year. Mr. Garcia stated that is the soonest it can be discussed due to the timing of information released by the Finance department.

Commissioner Welch requested that a review of the previous application to the League of American Bicyclists be added to the Work Plan to discuss ways the City can improve its ranking.

Chair Cordes moved and Commissioner Swail seconded the motion to add the ADA Transition Plan to the 2018 Work Plan. The motion carried by the following vote:

Yes 6 - Chair Cordes
Vice Chair Oey
Commissioner Barry
Commissioner Bremond
Commissioner Swail
Commissioner Welch

[17-1201](#) Ranking of Study Issues

Mr. Garcia stated there are ten Study Issues to vote on and pointed out the voting process instructions that are included in the Agenda Packet. Mr. Garcia then gave a brief description of each Study Issue.

- DPW 17-07 Develop Mobile Version of Sunnyvale Bicycle Map
- DPW 17-12 Evaluate the Development of a Class I Bicycle and Pedestrian Trail along Evelyn Avenue adjacent to the Caltrain Railroad Tracks, Between Sunnyvale and Mountain View
- DPW 18-01 Evaluate the Effectiveness of Shared Lane Markings for Roadways with Speeds Above 25 MPH
- DPW 18-02 Close Murphy Avenue Between Evelyn Avenue and Washington Avenue to Vehicular Traffic
- DPW 18-03 Update Bicycle Master Plan Every Seven Years
- DPW 18-04 Develop an Ordinance to Keep Bicycle Parking Clear and Accessible
- DPW 18-05 Street Maintenance Roadway Re-Allocation
- DPW 18-06 Alternatives to On Street Parking to Maximize the Street Space for All Modes of Transportation
- DPW 18-08 Develop a Dockless Bicycle Share Pilot Program
- DPW 18-10 Sidewalk Standards Based on Adjacent Property Density or Use

In regards to DPW 18-10, Mr. Simons stated the BPAC was not given the opportunity to review the present policy which has three standard sidewalk widths. The correct width of the sidewalk, as well as the landscaping, contributes to the amount of heat for pedestrians and therefore he sees this as a high priority study issue.

Mr. Jackson encouraged the Commissioners to pursue DPW 18-06 and to clarify what it means.

Commissioner Bremmond suggested in the future if study issues get changed by staff, that the Commissioners get notified ahead of time so they can compare and make a clear decision.

Chair Cordes questioned why two of the Study Issues were re-written. Mr. Garcia replied by saying the City Manager made changes to the wording as appropriate.

Commissioner Welch moved and Chair Cordes seconded the motion to go back to

the original version of DPW 18-05 and DPW 18-06. The motion failed by the following vote:

Chair Cordes mentioned he attended the third Climate Action Plan 2.0 committee meeting.

-Staff Comments

Mr. Garcia stated there was nothing scheduled for January on the 2018 Work Plan and asked the Commissioners if they wanted to cancel the meeting. All were in favor.

Mr. Garcia suggested the Commissioners research the TDA funding recommendations and concepts for the Utility Bill Insert prior to the February meeting.

Commissioner Barry asked Mr. Garcia for recommendations on where to find information on the TDA and the Utility Bill concepts. Mr. Garcia suggested she look at the Metropolitan Transportation Commission (MTC) website for information on TDA funding and he will send Commissioner Barry examples of past Utility Bill concepts to look at.

Vice Chair Oey asked when they could see the staff's TDA list of recommendations. Mr. Garcia said he will look into it.

Active Items List

Item #	Item	PR	Due Date (Approx)	Status	Last Updated
1	Old Mountain View-Alviso Road	Ng, Javed	Completed 2018	The Bridge construction is completed. A ribbon cutting ceremony was held on January 22, 2018.	2/15/2018
2	Utility Bill Insert	Tsang	Annual	BPAC to see proof during June 2018 meeting, Scheduled to go out in July/Aug.	2/15/2018
3	Bike to Work Day	Tsang	Annual	Bike to Work Day is scheduled for May 10, 2018.	2/15/2018
4	Vision Zero Plan	Garcia	N/A	Vision Zero Plan was awarded to the Consultant in May 2017. Since then, the Consultant has finished the existing conditions assessment summarizing the current safety conditions citywide. The City shared findings from the existing conditions assessment and sought feedback from the community on the preferred direction for the Plan at the first public workshop and a Bicycle and Pedestrian Advisory Commission (BPAC) meeting in Fall 2017. Public input was also provided in Fall 2017 via an online survey for the Vision Zero Plan. Based on the public inputs and the data obtained, the Consultant has developed the collision profiles identifying Sunnyvale's key collision types, locations where key collision types occur, and the modes of travel involving in the collisions. The Consultant has also identified a list of priority project locations based on the data.	2/15/2018
5	Safe Routes to Schools Projects	Price	Design, March 2017	Project under construction (40% complete), anticipated completion in 2018.	12/21/2017
6	Establishment of Bike Lanes on Mary Avenue (Evelyn to Maude)	Nguyen	Construction 2018	Construction anticipated to begin in spring 2018.	12/21/2017
7	Fair Oaks Bicycle Project	Nguyen	TBD	100% construction plans are under review.	11/16/2017
8	Maude Avenue Bike Lanes	Racca-Johnson	TBD	The Bid Documents for Maude Avenue Bikeway and Streetscape Project is nearly complete. 100% plans were submitted and commented on. We submitted the request for federal funds to be released and we should hear from State by end of December. We will then advertise for construction bids late January or early February of 2018, pending their authorization to release the funds.	11/16/2017
9	Stevens Creek Trail	Steffens, Lo	TBD	The next step for the Stevens Creek Trail Project is development of Segment 1 (Dale / Heatherstone Bridge to Fremont Avenue). The City of Mountain View is leading development of this segment and they plan to assemble a multi-city staff group to gauge interest and commitment from the affected Cities. As discussed with Council as part of the budget process, no work will occur on Segment 2 (Fremont Avenue to Homestead Road) until the City has more clarity on the location of connection points for Segment 1. For Segment 3 (Homestead Road / SR 85 Bridge), the City of Sunnyvale will need to collaborate with the cities of Cupertino and Los Altos to seek out grant funding. Recent passage of Measure B appears to be a good potential funding source and staff is following this and other transportation grant sources as potential opportunities.	10/19/2017
10	Road Overlay, Slurry, Reconstruction & Chip Schedule	T. Pineda	Annual	Transmitted at Mar. 2017 BPAC meeting.	10/19/2017
11	East-West Channel Trail	Abbas	Annual	Feasibility study/concept plan for the West Channel Trail corridor capital project approved by Council. East and West Channel trail concepts provided to SCVWD for inclusion in flood control project. City can't begin on trail projects until SCVWD is done with the flood control project. The anticipated completion date of the project is 2020.	9/21/2017
12	Bernardo Caltrain Undercrossing	R. Lo	TBD	The Bernardo Ped/Bike Undercrossing was listed in VTP 2040, the 2008 Countywide Bicycle Plan (as Tier 1 project), the City of Sunnyvale's Traffic Impact Fee, and VTA's Measure B preliminary bicycle-pedestrian project list. The estimated cost in the TIF and Measure B was approximately \$10 million, which reflects an undercrossing under the railroad and at grade crossing across Central Expressway. In 2016, an OBAG grant in the amount of \$500,000 was awarded for preliminary concept design. In 2017, the City awarded a contract for environmental review and preliminary concept design to WMH. The project team is now working with the City of Sunnyvale, Caltrain/JPB, County Roads & Airports, and the City of Mountain View to understand existing conditions, and define potential opportunities and constraints.	9/21/2017
13	Priority Development Area Grants	Abbas, Uribe, Zulueta	2017	Mathilda Avenue Plan Line is completed. Precise Plan for El Camino Real is on-going.	2/16/2017

Bicycle and Pedestrian Advisory Committee

The **Bicycle and Pedestrian Advisory Committee (BPAC)** is an advisory body to the City Council on matters relative to modifying or expanding the City's recreational and commuter bikeway system. Its goal is to encourage recreational and commuter bicycling by promoting safe, convenient, well-designed facilities and by evaluating local bicycle-related projects.

Meeting information

BPAC meetings are held on the third Wednesday in January, March, June, August and October at 4:00pm at City Hall and are open to the public. Agendas are posted [online](#), at the City Clerk's office or available through Traffic Engineering at (408) 615-3000.
