Subject: Re: Bilingual Translation Request - Public Comment Received for Planning Project #2021-7826

Hi Guia,

Here is what I got.

The construction building has an additional floor (a total of three floors) and the increase in height compared to the original second floor will affect my living environment.

Thank you.

Subject: Bilingual Translation Request - Public Comment Received for Planning Project #2021-7826

Good morning,

I hope this email finds you well!

Attached, please find a public comment we received for a Planning item that will be reviewed at tonight's Planning Commission meeting. At your earliest convenience, may one of you please provide translation of these comments to English?

Thank you,

Guia Sharma

Follow us on: Sunnyvale.ca.gov

* The Sunnyvale Planning Division continues to provide virtual services, such as [electronic permit submittals](#) and virtual meetings. In-person services are also available at the [One Stop Permit Center](#), located on the second floor of the new City Hall building at 456 W. Olive Avenue. Underground parking is available and can be accessed on W. Olive Avenue. Masks and appointments (pcappointment@sunnyvale.ca.gov) are strongly encouraged.

General zoning information is also available on the [Planning Division webpage](#). Due to high call/email volumes, a Planner will respond to you within 4 business days, please be patient with us during this time.
