Project Background

Civic Center Modernization

- The Civic Center Master Plan was adopted by City Council in 2018
- The Master Plan was broken into three phases for implementation
 - Phase 1: City Hall & Emergency Operations Center
 - Phase 2: Main Library
 - Phase 3: DPS Headquarters

Civic Center Master Plan Project Success Criteria

Improve the Quality of Services – Leaders in New Service Innovation

Fiscally Responsible

Accessible to All Members of Our Diverse Community

Civic and Community Engagement

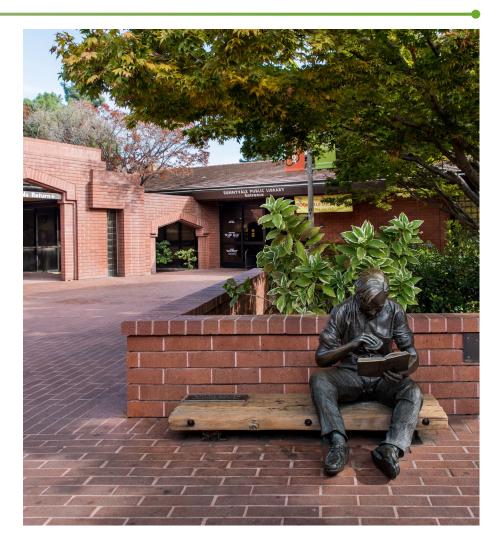

Increase Usability of Open Space

Leaders in Sustainability

Phase 2 Project Overview

- Funding for planning is currently available for the Main Library.
- We are anticipating that an item will need to be placed on the **voter ballot** to raise the necessary funding.
- The focus right now is to determine and prioritize needs of the main library for current and future use.
- Next, the team will design three concepts that will be presented to Council in the spring. Council will choose a concept and decide whether that concept is placed on the ballot in November 2024.

Library Options that will be Explored

• Renovate Existing Library and Addition

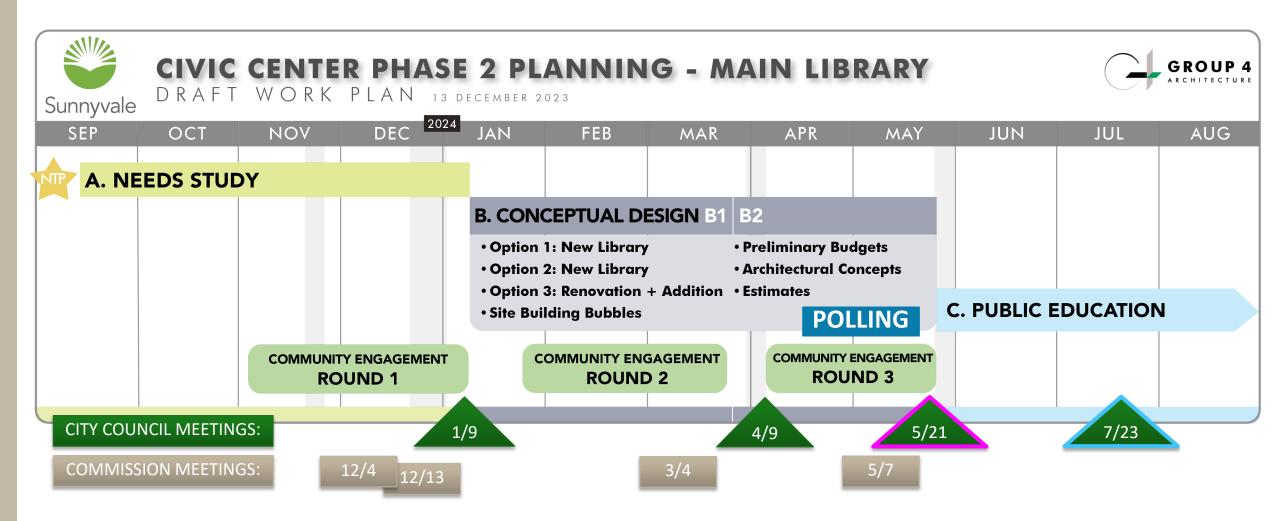

Library Options that will be Explored

- New Library that meets medium and high priorities
- New Library that meets all needs

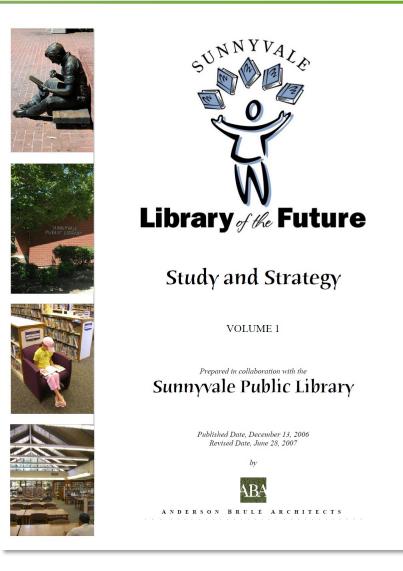

Project Schedule & Work Plan

Project Development

Library of the Future Needs Study (2007)

- Children's Services: only 11% of total space in library, lacking room for display, seating, play, storytelling
- Configuration of library limits flexibility
- Technological demands on facility exceed data wiring infrastructure
- Lacking in group study rooms, selfcontained teen area, presentation room large enough for programs

Sunnyvale Library is vibrant, vital center of community life

We Have Outgrown the Facility

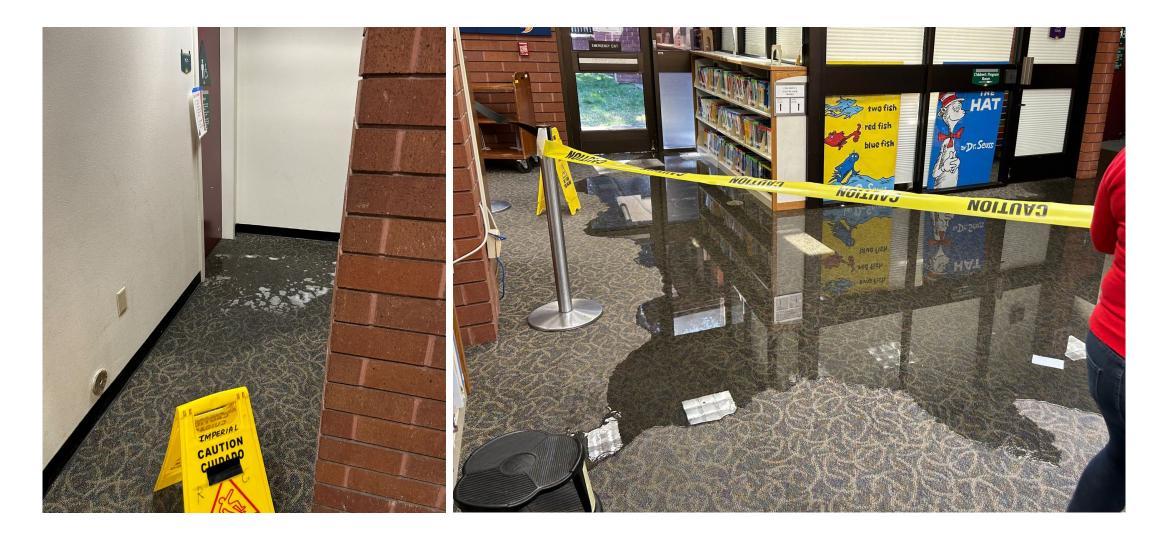

- Materials (books, videos, etc.)
- Program Space
- Technology

Current facility unable to meet program & service demand

Old Building in Need of Serious Maintenance

The Future of the Sunnyvale Main Library

READ

Libraries will always be a place for people who love to read

The library is a place of discovery...

the Library is an essential place to study...

Our Community Engagement Process

Engaging the Community

- Pop Up Kiosks at Local Events
- iPad Kiosks at the Main Library & Recreation Center
- Online Community Survey

For more information, visit: <u>Sunnyvale.ca.gov</u>, Search: Future Main Library

what is your vision FOR OUR FUTURE MAIN LIBRARY? |cuál es tu visión PARA LA NUEVA BIBLIOTECA PRINCIPAL? |你對主圖書館的 構想是什麼?

Over **2,500**

Our Community Engagement Process

Commissions Presentations Highlights

- Ensure community engagement is accessible for hard-to-reach populations and diverse areas of the community
- **PDF funds** may be utilized for the new open space features
- Maximum 4 floors in height, EIR looked at **2 floors** will analyze
- Continue hosting a **welcoming space** for people who are experiencing houselessness and/or unemployment
- Create flexible, adaptable space for future generations
- Integrate outdoor space for library programming
- Balance community **wants** vs community **needs**
- Pursuing LEED Gold Equivalent or higher

City of Sunnyvale | Future of the Sunnyvale Main Library - Civic Center Phase 2: Planning - Main Library | January 2024

The library has not kept up with community growth

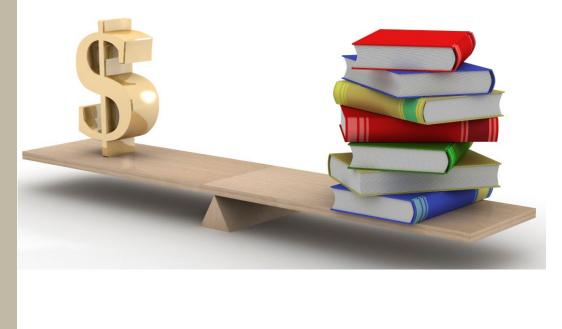

Expansions over Time

- Built in 1959, the Library has been expanded twice to double its original size
- But Sunnyvale population has more than tripled!

Library Spaces - Building Program

 We have prepared a building program that is scalable so that cost and funding can be balanced
