1980-Present- Anderson Design Group- Fairfield, CA  
1980-Present- Novelli Bail Bonds- Napa, CA.

Elevation rendering of Anderson's design proposal. Each of the four panels will incorporate an arched top and a 'windowsill' of Spanish tiles along the bottom to represent the Mission Revival-style architecture, which was popular during the mid-1800s when the Murphys arrived in Sunnyvale. Each panel will measure approximately 4'w x 4'h and include blue skies, foliage and trees found in the park (pine, eucalyptus, palm, magnolia, cypress).

Panel 1 - Illustrates the historical account of the Murphy family's journey to California in 1884. The family was among the first settlers to cross the Sierra mountain range.

Panel 2 - Illustrates the development of California's vineyards and Sunnyvale's agricultural history.

Panel 3 - Illustrates some of the park's current amenities, including the Hendy Stamp Mill, outdoor amphitheater and table tennis program.

Panel 4 - Illustrates additional park amenities, including picnic facilities, horseshoe pits, park benches, play structure and lawn bowling green.

Example of painted date palm silhouette.  
Palm will be approximately 5'w x 9'h and  
painted onto exterior of building.

Example of children silhouettes, which will be approximately 5'w x 5'h and painted on the building exterior.
