| 16     | Old Mountain View-Alviso Road                                       | Ng                            | Summer, 2016           | The City of Sunnyvale is currently designing a bridge replacement project on Old Mountain View-Alviso Road between Patrick Henry Drive and Reamwood Avenue. The proposed project will replace the existing bridge with a wider bridge structure that accommodates pedestrian and bicycle facilities. Construction is anticipated to last 9-12 months. To help facilitate construction and ensure pedestrian/bicyclist/motor safety, there will be temporary trail and road closures. The road closure is anticipated to last for 2-3 months and trail closure is anticipated to last for 3-4 months. | 5/7/2015     |
