RESOLUTION NO. ____-15

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUNNYVALE ADOPTING HOUSING IMPACT FEES FOR NONRESIDENTIAL DEVELOPMENTS FOR THE CREATION OF AFFORDABLE HOUSING

WHEREAS, to mitigate the impact of high-intensity industrial development on the need for affordable housing within its boundaries, in 1983 the City created housing mitigation fees for certain employment-generating high-intensity industrial development in the M-S and M-3 zoning districts in accordance with Sunnyvale Municipal Code section 19.22.035; and

WHEREAS, in 2009, Council directed staff to study the possible expansion and/or increase of the City's housing mitigation fee as part of the 2009-2014 Housing Element implementation plan in order to meet the diverse needs of Sunnyvale's households of all income levels and to meet the regional housing needs as required by state law; and

WHEREAS, the current shortage of affordable housing has caused many lower- and middle-wage workers to commute longer distances from less expensive areas resulting in increased traffic in the City, and has also caused local residents' housing costs to increase due to high levels of demand for existing housing resulting in a severe housing cost burden for many residents; and

WHEREAS, to further implement the affordable housing goals, objectives, policies and programs of the City's 2009-2014 Housing Element and those of the recently adopted 2015-2023 Housing Element update, and to ensure that the housing impact fees adopted hereunder do not exceed the actual affordable housing impacts attributable to the development projects to which the fees relate, the City has received and considered a report from Economic & Planning Systems, Inc. ("EPS") dated September 8, 2014, entitled "Housing Mitigation Nexus and Fee Study" (the "Nexus Study"); and

WHEREAS, the Nexus Study documented a reasonable relationship between the need for affordable housing and the deleterious impacts of new nonresidential development; and

WHEREAS, the Nexus Study demonstrated that to fully mitigate the impacts of new nonresidential development on the need for affordable housing, the maximum nexus-supported housing impact fees would be equivalent to \$295 per square foot for retail & restaurants, \$114 per square foot for office, industrial and research & development, and \$76 per square foot for lodging developments (i.e., hotels and motels); and

WHEREAS, to ensure that nonresidential projects remain economically feasible, the adopted housing impact fees are lower than the amount needed to fully mitigate the impacts for each type of nonresidential development, as shown in the Nexus Study; and

WHEREAS, to encourage and support small business development, the adopted housing impact fees assessed on commercial, industrial and research & development projects shall be half the fee amount for the first 25,000 square feet; and

WHEREAS, after multiple community outreach meetings, Council study sessions and City commission meetings, the Council considered the Nexus Study and various staff reports at a public hearing on December 9, 2014, and directed staff to draft a Nonresidential Development Housing Impact Fees Ordinance and Resolution for Council adoption; and

WHEREAS, the Council desires to expand its existing housing impact fees for nonresidential development and to adopt the housing impact fees by resolution as authorized by section 19.75.030 of the Housing Impact Fees Ordinance, which fees do not exceed the justified fees needed to mitigate the actual affordable housing impacts attributable to the development projects to which the fees relate, as determined by the Nexus Study; and

WHEREAS, section 19.75.030 of the Housing Impact Fees Ordinance also allows the Council to adopt by resolution a standardized list of specific uses subject to the housing impact fees as well as uses exempt from the payment of housing impact fees, and the Council desires to do so; and

WHEREAS, the use of the Housing Impact Fees will be restricted to mitigating the affordable housing impacts of nonresidential developments and will be deposited into the City's Housing Mitigation Fund to be used for affordable housing programs and projects; and

WHEREAS, at least ten days prior to the date this resolution is being considered, data was made available to the public indicating the amount of cost, or estimated cost, required to provide the service for which the fee or service charge is levied and the revenue sources anticipated to provide the service, including general fund revenues in accordance with Government Code Section 66019; and

WHEREAS, no persons have requested notice of these fees in accordance with Government Code Section 66019; and

WHEREAS, notice of the hearing on the proposed fees was published twice in the manner set forth in section 6062a of the Government Code and was otherwise given in the manner required by law.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SUNNYVALE:

1. The Council hereby adopts the housing impact fees for nonresidential development projects shown on Exhibit "A", attached hereto and incorporated by reference herein.

2. The Council hereby adopts the "Nonresidential Land Use Matrix" set forth in Exhibit "B", attached hereto and incorporated by reference herein.

3. The Council further finds that all of the housing impact fees adopted pursuant to this Resolution do not exceed the actual affordable housing impacts of the development projects to which those housing impact fees relate, as further set forth in the Nexus Study.

4. The housing impact fees and land use matrix are adopted in conjunction with the Housing Impact Fee Ordinance and shall become effective 60 days from and after the date of adoption of this Resolution.

5. Staff shall return to the City Council within two years after adoption to reevaluate and possibly modify the housing impact fee.

Adopted by the City Council at a regular meeting held on _____, 2015, by the following vote:

AYES: NOES: ABSTAIN: ABSENT: RECUSAL:
