Project Description Letter

Dear Reader

RE: IDEC Corp.
1175 Elko Dr.
Sunnyvale, Ca

Thank you for taking the time to review this document. We have been contracted by the IDEC Corporation to procure & install 6 Vertical wind turbines at their Campus in Sunnyvale. Our scope of work includes obtaining necessary clearances from the City Of Sunnyvale, construction & inspection of foundations for the Turbines, trenching, wiring and completing the interconnection agreement with PG&E.

The proposed location of the turbines can be reviewed on the plans.

Please contact us with any questions, concerns and comments you may have.

Thank you for your support
