SCOPE OF THE STUDY

What are the key elements of the study?

Determine the appropriate time in the development review process to establish land value for the purpose of required park dedication in-lieu fees. The study would include a review of other jurisdiction approaches, legal limitations and the effects associated with different options.

What precipitated this study?

During City Council discussion on an update to the Park Dedication in-lieu fee land valuation, questions arose about the sequencing of development review and the calculation and collection of park dedication in-lieu fees. Council is interested in understanding the options, the effects on development, the effects on the City, etc.
