

Project Description

Address:

520 Lawrence Expressway #300, Sunnyvale, CA 94085

Building Size: 1201 sq. sf.

Proposed Use:

Room Escape Game

This is a business focus on team building and young people intelligent training.

A team-based intellectual game, which requires a group of people (6 to 10 persons) looking for the clues and solving puzzles together to figure out the final answer of the puzzles and finish the game in a specific time slot (i.e. 60 minutes) with or without a game master. Only by working together, communicating and using the time wisely will the team in the room find the items, clues and answers to win.

It requires teamwork, communication, and delegation as well as critical thinking, attention to detail, and lateral thinking. It's the live-action game taking place in the physical world, it creates opportunities for players to engage directly with each other in the same way that tabletop games do. The game and rooms are HR appropriate, safe, and free of any dark, mature or scary content.

Customers will pay for playing game only and no bonus for the winners. The puzzles will be customized word crosses, sudoku, tangrams etc. Limited noise during the operation hours. The maximum number of person in our game is 10 . The game will be open once every 2 hours during operation hours. Once game starts, no entering is permitted. Usually, customer will stay in the store about 90 minutes. 15 minutes preview time before the start of the game, 60 minutes game time and 15 minutes review time after game is over. Game master will take care the whole game procedure, help customers on the puzzles if needed.
