\* Numbers do not include data on tenants who refused to respond to relocation specialist's requests for an interview or to provide demographic data.

<sup>1</sup> For unknown reasons, there is no space numbered 50 at the Park. That number is simply skipped in the numbering of the spaces. For the sake of consistency with the Housing Relocation Specialist's data only, this CIR treats Space 50 as "vacant" even though it does not exist.

<sup>2</sup> The Relocation Specialist conducted a total of 47 interviews, but one of those households subsequently vacated the Park.

<sup>3</sup> For parties who own their mobilehomes but do not reside in the Park; rather, they rent their mobilehome to a Sub-Tenant. The owners of the homes at spaces 6, 7 and 34 are "Absentee mobilehome owners."
