Subject: 590 W. El Camino Real

Hi Margaret,

I have lived on Russet Drive for 17 years and since the housing, hotel and Chik-fil-e the traffic is severely impacted. Adding another hotel there makes no sense, the traffic is already a mess backing up through Hollenbeck. How do we register opposition to this project?

Thanks
Brad Larson

Message	I will be out of town on the 22nd, so I can't attend the meeting to express my displeasure with this development. Right now El Camino between Hollenbeck and Mathilda is often at total GRIDLOCK. If you want to turn right at Mathilda, you may sit through 2 or more cycles of the traffic light as people try to turn in and out of these businesses. Another development is planned for the corner of Hollenbeck and El Camino, creating even more ingress/egress issues. I can't tell from the rendering, but any development along El Camino should not be right on top of the sidewalk; it is not at all pleasant for pedestrians.
