SECTION I

INTRODUCTION

ENGINEER'S REPORT

SUNNYVALE DOWNTOWN PARKING MAINTENANCE DISTRICT

FISCAL YEAR 2017-18

HISTORY

On September 1, 1964, the City Council adopted Resolution No. 6643, which authorized the City of Sunnyvale to levy an ad-valorem assessment on all taxable properties within the boundaries of the Sunnyvale Downtown Parking Maintenance District. This ad-valorem assessment was used to pay for the operation and maintenance of existing public parking facilities and the debt service payments associated with the acquisition and construction of various public parking facilities within the boundaries of the Sunnyvale Downtown Parking Maintenance District ("District").

IMPACTS OF PROPOSITION 218

Proposition 218 requires that all affected property owners be given the opportunity to vote either in favor or against their proposed assessment. Therefore, in order to comply with the requirements of Proposition 218 and the levy of assessments commencing in FY 1997-98 and each fiscal year thereafter, the City implemented the following procedures:

- 1) Every property owner subject to the proposed assessment was mailed a ballot allowing the property owner to vote either in favor or against the proposed formation of the Sunnyvale Downtown Parking Maintenance District and the levying of assessments within the proposed District. The ballots were accompanied by a public notice describing the total assessment, the individual property owner's assessment, the duration of the assessment, the reason for the assessment and the basis upon which the assessment was calculated.
- 2) The ballots returned to the City Clerk before the close of the public input portion of the public hearing were tabulated to determine whether a majority protest against the assessment levy existed. A majority protest existed if over 50% of the ballots received, weighted by assessment amount, oppose the levy of assessment.
- 3) The levy of assessments each year thereafter is modified by adjusting the annual assessment based upon the prior year's change in the Consumer Price Index (All Urban Consumers, for the San Francisco-Oakland-San Jose area as determined by the U.S. Department of Labor).

SECTION II

ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF THE CITY OF SUNNYVALE MUNICIPAL CODE (CHAPTER 14.26)

FISCAL YEAR 2017-18

Pursuant to City of Sunnyvale Municipal Code (Chapter 14.26), I, Joseph A. Francisco, the duly appointed Engineer of Work and acting for Francisco & Associates, Inc., Assessment and Administration Engineer for the District, submit the following Report, consisting of Section I (Introduction) above, which is largely based on information provided by the City of Sunnyvale and this Section II, which consists of five (5) parts, as follows:

PART I

DESCRIPTION OF IMPROVEMENTS

Parking Facilities:

The parking facility improvements that can be operated, maintained, and serviced by the Maintenance District for Fiscal Year 2017-18 consist of the public parking facilities shown in Appendix "A" of this report.

PART II

ESTIMATE OF COST

The City of Sunnyvale Municipal Code (Chapter 14.26) provides that the total cost of operation, maintenance and servicing of public parking facilities can be recovered by the levying of assessments.

Operation, maintenance and servicing costs include, but are not limited to; the repair and replacement of existing parking facilities, personnel, electrical energy, utilities such as water, materials, contractual services and other items necessary or appropriate for the parking facilities. Incidental expenses include the administration of the Maintenance District, engineering fees, legal fees, printing, posting and mailing of notices. Insurance and all other costs associated with the annual collection process are also included.

The operation, maintenance and servicing costs for Fiscal Year 2017-18 are summarized below in Table 1. These cost estimates were provided by the City of Sunnyvale.

| TABLE I City of Sunnyvale Downtown Parking Maintenance District Budget FY 2017-18 | |
|--|-----------------------|
| | FY 2017-18 Amounts |
| <u>Revenues:</u> | |
| Assessment Revenue | \$192,742.68 |
| Total Revenues | \$192,742.68 |
| <u>Expenses:</u> | |
| Parking Lot Maintenance | \$ 238,485.55 |
| County Administration | \$1,927.43 |
| Reserve Fund ¹ | (\$47,670.30) |
| Total Expenses | \$192,742.68 |

¹ The projected reserve fund balance for June 30, 2018 is \$ 322,239.

The City of Sunnyvale Municipal Code (Chapter 14.26) requires that a special fund be set up for the revenues and expenditures of the District. Funds raised by assessments shall be used only for the purpose as stated herein. The City of Sunnyvale or, subject to the discretionary approval of the City of Sunnyvale City Council, any other person may contribute to the District to reduce assessments. Any balance remaining on July 1 must be carried over to the next fiscal year unless the funds are being accumulated for future capital improvements or operating reserves.

PART III

MAINTENANCE DISTRICT DIAGRAM

The boundaries of the Maintenance District are within the boundaries of the City of Sunnyvale. A diagram (the "Downtown Parking Maintenance District Diagram") of the District showing the exterior boundaries of the District has been prepared by the Engineer of Work and is on file in the Office of the Clerk of the City of Sunnyvale and a copy of the Assessment Diagram is shown in Appendix "A" of this Report. For a detailed description of the lines and dimensions of each lot or parcel within the Downtown Parking Maintenance District are those lines and dimensions shown on the maps of the Assessor of the County of Santa Clara for Fiscal Year 2017-18. The Assessor's parcel maps for the lots and parcels within the Downtown Parking Maintenance District are incorporated by reference herein and made part of this Report.

PART IV

METHOD OF APPORTIONMENT OF ASSESSMENT

GENERAL

The City of Sunnyvale Municipal Code (Chapter 14.26) permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, which include the operation, maintenance and servicing of public parking facilities.

The City of Sunnyvale Municipal Code (Chapter 14.26) requires that the assessments must be levied according to benefit rather than according to assessed value. In addition, Article XIII D, Section 4(a) of the California Constitution, limits the amount of any assessment to the proportional special benefit conferred on the property.

Because assessments are levied on the basis of benefit, they are not considered to be a tax governed by Article XIII A of the California Constitution.

The City of Sunnyvale Municipal Code (Chapter 14.26) permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location and extent of the improvements, the various areas will receive different degrees of benefit from the improvement".

Article XIII D provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts, and public parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities.

PUBLIC PARKING BENEFIT ANALYSIS

Property owners within the Downtown Parking Maintenance District receive a special and direct benefit from the District parking facilities because this allows property owners to develop or redevelop their properties without providing needed on-site parking to support their development. This Parking District allows property owners to maximize their parcel's development capabilities (i.e. by only requiring property owners who construct additional building square footage on their parcel to provide additional on-site parking for that additional building square footage constructed). The ability to maximize a parcel's development capabilities increases the value of these properties within the boundaries of the District.

BENEFIT ASSESSMENT METHODOLOGY

The total cost to operate, maintain and service the parking facilities are apportioned to each parcel within the boundaries of the Maintenance District in accordance with a methodology that is consistent with standard assessment engineering practices. The method for spreading the costs to each parcel is based on each parcel's pro-rata share of deficit parking spaces. The number of deficit parking spaces for each parcel is equal to the number of parking spaces needed per the City's Parking Demand Guidelines (see Table 2 below) less the number of existing parking spaces located on their parcel.

| TABLE 2 City of Sunnyvale Downtown Parking Maintenance District Parking Demand Guidelines | |
|--|-----------------------|
| Current Type of Use | One Parking Space Per |
| Apartments (1 Bedroom) | 0.66667 Units |
| Apartments (2-3 Bedrooms) | 0.57143 Units |
| Churches | 3 Seats |
| Condos | 0.50 Units |
| Financial Institutions | 180 sq. ft. |
| General Offices (Free Standing) | 250 sq. ft. |
| General Offices (In Center) | 250 sq. ft. |
| Hotels | Rooms + Employees |
| Industrial Warehouses | 2,500 sq. ft. |
| Medical/Dental | 180 sq. ft. |
| Nightclubs and Bars | 50 sq. ft. |
| Other Uses ¹ | 180 sq. ft. |
| Repair Garages | 180 sq. ft. |
| Research & Development | 500 sq. ft. |
| Rest Homes | 2.25 Units |
| Restaurants w/ Bars | 75 sq. ft. |
| Restaurants w/o Bars | 110 sq. ft. |
| Retail | 250 sq. ft. |
| Senior Citizen Apartments | 2.0 Units + Employees |
| Shopping Centers | 225 sq. ft. |

¹ Each year in May all parcels within the boundaries of the Maintenance District are analyzed to determine their current use. If a parcel is vacant and the proposed use is not available it will be classified as "Other Uses". Other Uses has been used for Vacant parcels because it is the average of all land uses within the Maintenance District.

Because of the varying size and location of parking facilities located within the Maintenance District, special benefit zones have been established to accurately track the operation and maintenance costs and assess only those properties that benefit from the improvements located within their respective benefit zone. All parcels within the boundaries of the District are located within either Benefit Zone No. 1, 2, 3 or 4. Properties located within each benefit zone will only be required to pay for the operation and maintenance of the parking facilities located within their respective benefit zone. The total cost to operate and maintain the parking

**SUNNYVALE DOWNTOWN PARKING
MAINTENANCE DISTRICT - FY 2017-18**

facilities within each benefit zone will be spread to each parcel within that benefit zone based upon their proportionate number of deficit parking spaces.

Parcels will be assessed based upon their pro-rata share of the number of parking spaces they are in deficit of based upon the City of Sunnyvale Parking Demand Guidelines. If the parcel has fewer parking spaces than that which is required under the City of Sunnyvale Parking Demand Guidelines, then they are considered in deficit.

For example, if an office building has 25,000 square feet of office space, the City of Sunnyvale would require one (1) parking space for every 250 square feet of office space. Therefore, in this case, the office building would require 100 parking spaces (25,000 sq. ft./ 1 parking space per 250 sq. ft.). If the property owner for the office building had 100 or more parking spaces, then the property owner would not be placing a demand for additional parking and therefore would not be assessed. However, if the property owner only had 70 on-site parking spaces then there would be a parking deficit of 30 parking spaces for that parcel.

Based upon the annual budget needed to operate and maintain the existing public parking facilities for Fiscal Year 2017-18, the assessment rates per deficit parking space for each benefit zone are summarized below in Tables No. 3.

| TABLE 3 | | | | | | |
|--|--|---------------------------------|----------------------------------|---------------------------------|--|--|
| FY 2017-18 - Assessment Rates per Benefit Zone | | | | | | |
| Benefit Zone No. | Total No. of Deficit Parking Spaces ¹ | FY 2017-18 Budgeted Maintenance | FY 2017-18 County Administration | FY 2017-18 Transfer to Reserves | FY 2017-18 Total Assessment Revenue ² | FY 2017-18 Assessment Rate Per Deficit Parking Space |
| 1 | 56.80 | \$0.00 | \$0.00 | \$0.00 | \$0.00 | \$0.00 |
| 2 | 172.38 | \$35,679.19 | \$288.36 | (\$7,131.83) | \$28,835.72 | \$167.28 |
| 3 | 2,142.46 | \$192,536.06 | \$1,556.07 | (\$38,485.57) | \$155,606.56 | \$72.63 |
| 4 | 379.36 | \$10,270.30 | \$83.00 | (\$2,052.90) | \$8,300.40 | \$21.88 |
| Total | 2,751.00 | \$238,485.55 | \$1,927.43 | (\$47,670.30) | \$192,742.68 | |

¹ The Total Number of Deficit Parking Spaces for Benefit Zone No. 3 decreased by 2.81 spaces from the prior fiscal year. The decrease was due to the remodeling of the 15,806 sq. ft. shopping center located at 122 S. Sunnyvale Avenue and minor adjustments to the 7,500 sq. ft. allocation to restaurant w/bar and nightclub use located at 146 S. Murphy Avenue.

² The County Tax Collector requires all individual assessments to be levied in even pennies so that the property tax bills can be split evenly into two payments. Therefore, in some Benefit Zones the Total Deficit Parking Demand multiplied by the FY 2017-18 Assessment per Deficit Space does not equal the FY 2017-18 Assessment Revenue and is off by pennies.

Maximum Annual Assessment Rate Increases

The FY 2017-18 assessment rates per deficit parking space shown above for each Benefit Zone are the maximum annual assessment rates that can be levied in FY 2017-18. Each subsequent

fiscal year the maximum annual assessment rates shown above will be increased based upon the change in the Consumer Price Index (All Urban Consumers) for the San Francisco-Oakland-San Jose Area as determined by the U. S. Department of Labor. The base CPI index used to calculate last year's maximum assessment rates was 262.600 (February 2016). For FY 2017-18 City staff will use the February 2017 CPI Index which is 271.626. Therefore, the CPI increase is +3.437% for FY 2017-18 (271.626/262.600).

Exempt Parcels. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities. A variance may be granted by the District for any parcel, which is determined not to benefit from the assessment.

PART V

PROPERTY OWNER LIST & ASSESSMENT ROLL

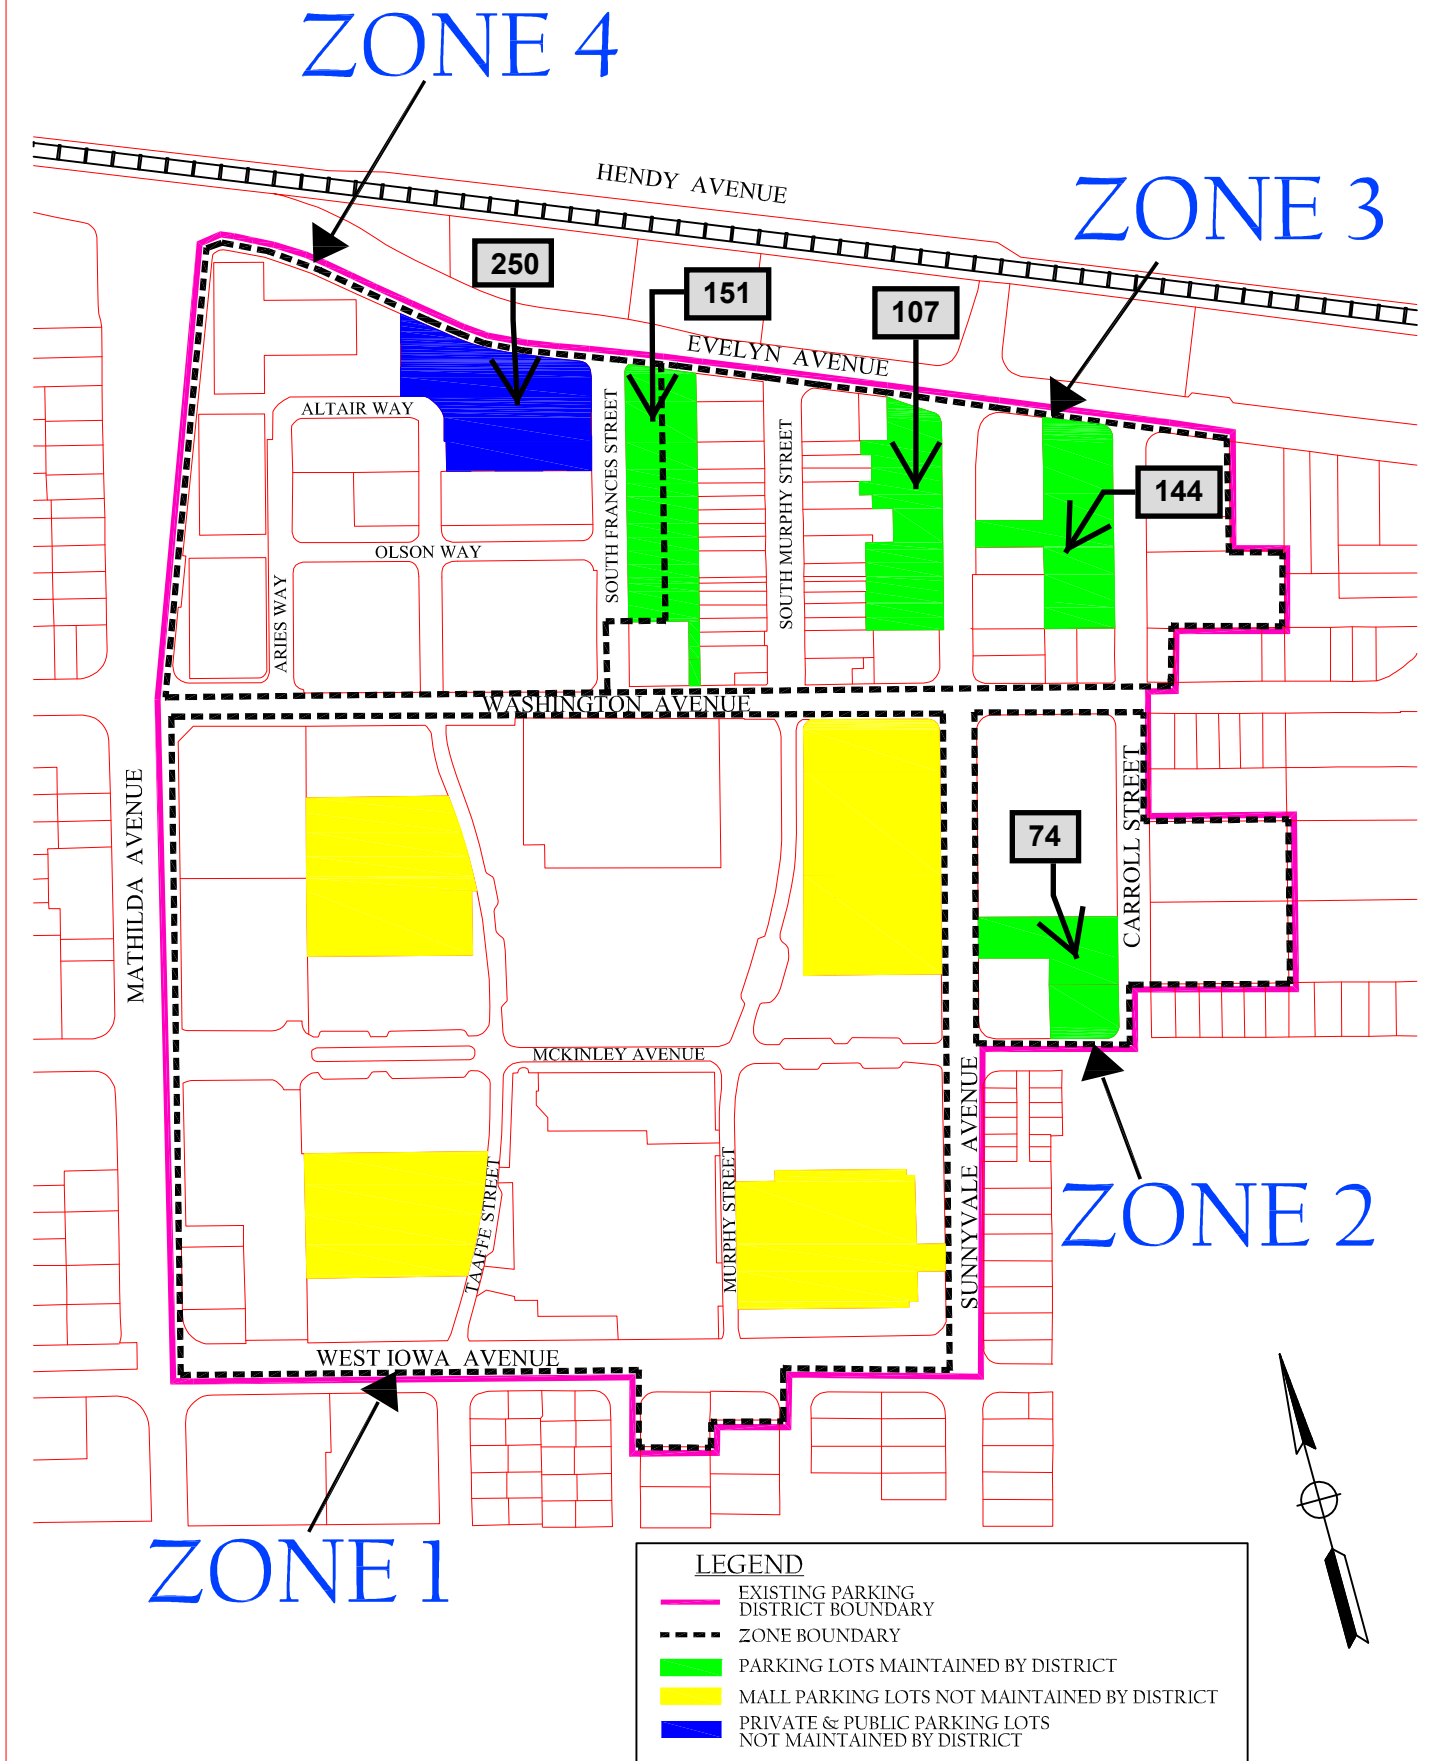

A list of names and addresses of the owners of all lots and parcels of land within the Maintenance District was compiled from the last equalized secured property tax assessment roll of the Assessor of the County of Santa Clara. Such list was further defined by excluding from it all parcels that are not being assessed by the District, and as so defined, is a part of the Assessment Roll. The Assessment Roll is keyed to Assessor's parcel numbers referenced in Appendix "B" to this Report.

The total proposed annual assessment for FY 2017-18 is \$192,742.68.

APPENDIX C

MUNICIPAL CODE (CHAPTER 14.26)

ALTERNATE MAINTENANCE DISTRICTS

CITY OF SUNNYVALE

MUNICIPAL CODE (CHAPTER 14.26)

ALTERNATIVE MAINTENANCE DISTRICTS

Section 14.26.010 Short title.

The procedures provided in this chapter are alternative. (Ord. 2576-98 § 1 (part)).

Section 14.26.020 Chapter not exclusive.

This chapter is not exclusive, but any proceeding under an act or general law may be supplemented by this chapter. The words "general law" or the word "act" mean an enactment of the legislature of the state of California. Unless herein otherwise provided, any reference to any general law or act shall apply to the law or act as now or hereafter amended or codified. (Ord. 2576-98 § 1 (part)).

Section 14.26.030 Chapter superior.

The provisions of the chapter shall be controlling over the provisions of any general law or act in conflict with this chapter in any proceeding taken pursuant hereto. (Ord. 2576-98 § 1 (part)).

Section 14.26.040 Authority for adoption.

This chapter is adopted pursuant to Section 400 of Article IV of the Charter of the city of Sunnyvale. In proceedings had pursuant to this chapter which are a municipal affair, the general laws referred to herein are deemed a part of this chapter. (Ord. 2576-98 § 1 (part)).

Section 14.26.050 Severability.

In the event any portion of this chapter shall be declared illegal, unenforceable or unconstitutional, such provision shall be deemed severable from the rest of the provisions of this chapter. (Ord. 2576-98 § 1 (part)).

Section 14.26.060 Maintenance districts.

Whenever the city council determines that the costs and expenses of maintaining and operating any or all public improvements of a local nature have not been adequately financed and provided for, proceeding therefore may be undertaken pursuant to this chapter. (Ord. 2576-98 § 1 (part)).

Section 14.26.070 Council powers.

The city council may, in its resolution declaring its intention to order work done or improvements made or by separate resolution, declare its intention to order that the costs and expenses of maintaining and operating any or all public improvements of a local nature, including the cost of necessary repairs, replacements, fuel, power, electrical current, care supervision, and any and all other items necessary for the proper maintenance and operation thereof, shall be assessed, either partly or wholly, upon such district as the city council shall determine will be benefited by the maintenance and operation of the public improvements proposed to be maintained; the amounts so assessed

to be collected in the same manner and by the same officers as taxes for city purposes are collected. (Ord. 2576-98 § 1 (part)).

Section 14.26.080 Applicable general law.

When the city council has declared its intention pursuant to Section 14.26.070, the applicable provisions of Part 2 of Division 15 of the Streets and Highways Code of the state of California (Section 22500 et seq.) shall apply, excepting as modified by the following:

(a) "Maintain" or "maintenance" shall be deemed to include the maintenance of any or all public improvements of a local nature.

(b) Except for the creation of new maintenance districts or annexations to existing maintenance districts, no separate diagram shall be required in each year and it shall be sufficient to refer to the existing diagram on file with the city clerk with suitable changes upon the record, annually, to update such diagram.

(c) "Annexation" shall be deemed to include annexation of any maintenance districts existing as of the effective date of the ordinance creating this code.

(d) For purposes of the collection of assessments or any portion thereof upon the general tax roll, it shall be sufficient for the city clerk to provide to the county auditor a certified copy of the assessment roll without supplying a copy of the assessment diagram. (Ord. 2576-98 § 1 (part)).
