Subject: Rezoning hearing tonight, application #2017-7095

Dear Mr. Mayor, Sunnyvale Planning Commission, and Sunnyvale Council,

We have received a notification in the mail, as we are within 300 feet of the proposed zoning change.

I wholehearted endorse the application to REZONE 63 contiguous single family home lots from R-1 (Low Density Residential) to R-1/S (Low Density Residential/Single Story). I feel it is important for these homes to retain the unique character that makes them Eichlers, including retaining their contemporary modern styling, backyard privacy, and beautiful skyline views, all of which would be threatened by multi-story buildings popping up in the neighborhood.

I urge you to strongly support application #2017-7095, which comes up for a vote at the Planning Commission Hearing tonight, Monday, May 22, 2017 at 7PM, and hopefully again at the City Council Hearing on Tuesday, June 20, 2017 at 7PM.

With many warm regards for approving our own single-story rezoning application last year, and thank you!

Reference: Please approve SSCD in Fairbrae Northwest, File 2017-7095,

Dear Planning Commissioners:

We are writing today to request your approval of the subject Single Story Combining District in the Fairbrae Northwest neighborhood. We were the applicants for the 116 property SSCD that was passed in 2007.

We urge that you approve the district as submitted (Alternatives 1 and 2), as recommended by Staff.

The district as proposed meets all requirements set forth by the city, and is in accordance with the policy direction of the original ordinance creating the SSCD designation in Sunnyvale.

Sincerely,

The block contains two handwritten signatures in black ink. The signature on the left is 'Patrick M. Shea' and the signature on the right is 'Suzanne Shea'.
