April 7 2017

Project: **887 Spinosa Dr**
Sunnyvale CA 94087

Fr: Phan Architects
To: City of Sunnyvale Planning

Included is a letter from the owners of 887 Spinosa to the neighbors and a map showing the 43 neighbors we notified by mail. We hosted a neighborhood gathering on February 13 2017 at the Las Palmas park building. Of the roughly 7 neighbors in attendance, all were very supportive of our Project. In addition to the 7 signatures we also obtained two additional signatures in support of our project. All of the adjacent neighbors are in support with their signatures.

February 3, 2017

Dear Neighbors,

I hope you're off to a great start in 2017! This year is a special year for us as we are approaching our fifth anniversary in our home here at 887 Spinosa Drive. We would like to thank you for all the kindness that you have shown to us and our boys. Our oldest son is starting Cumberland Elementary School this fall. We love being in this neighborhood and plan to raise our family here for the long term.

In addition to being invested in our Las Palmas Park community, we would like to invest and improve our home for our family. We will be having an informal gathering to share our plans for our 1st and 2nd story additions. This will be held at Las Palmas Park Building 850 Russet Dr, Sunnyvale CA 94087 on Monday, February 13th from 7:00PM until 8:30PM. We welcome any comments or inputs that you may have as our goal is to make this a successful project within our community. Please feel free to come anytime that evening.

Thank you so much for your time.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew and Donna Le".

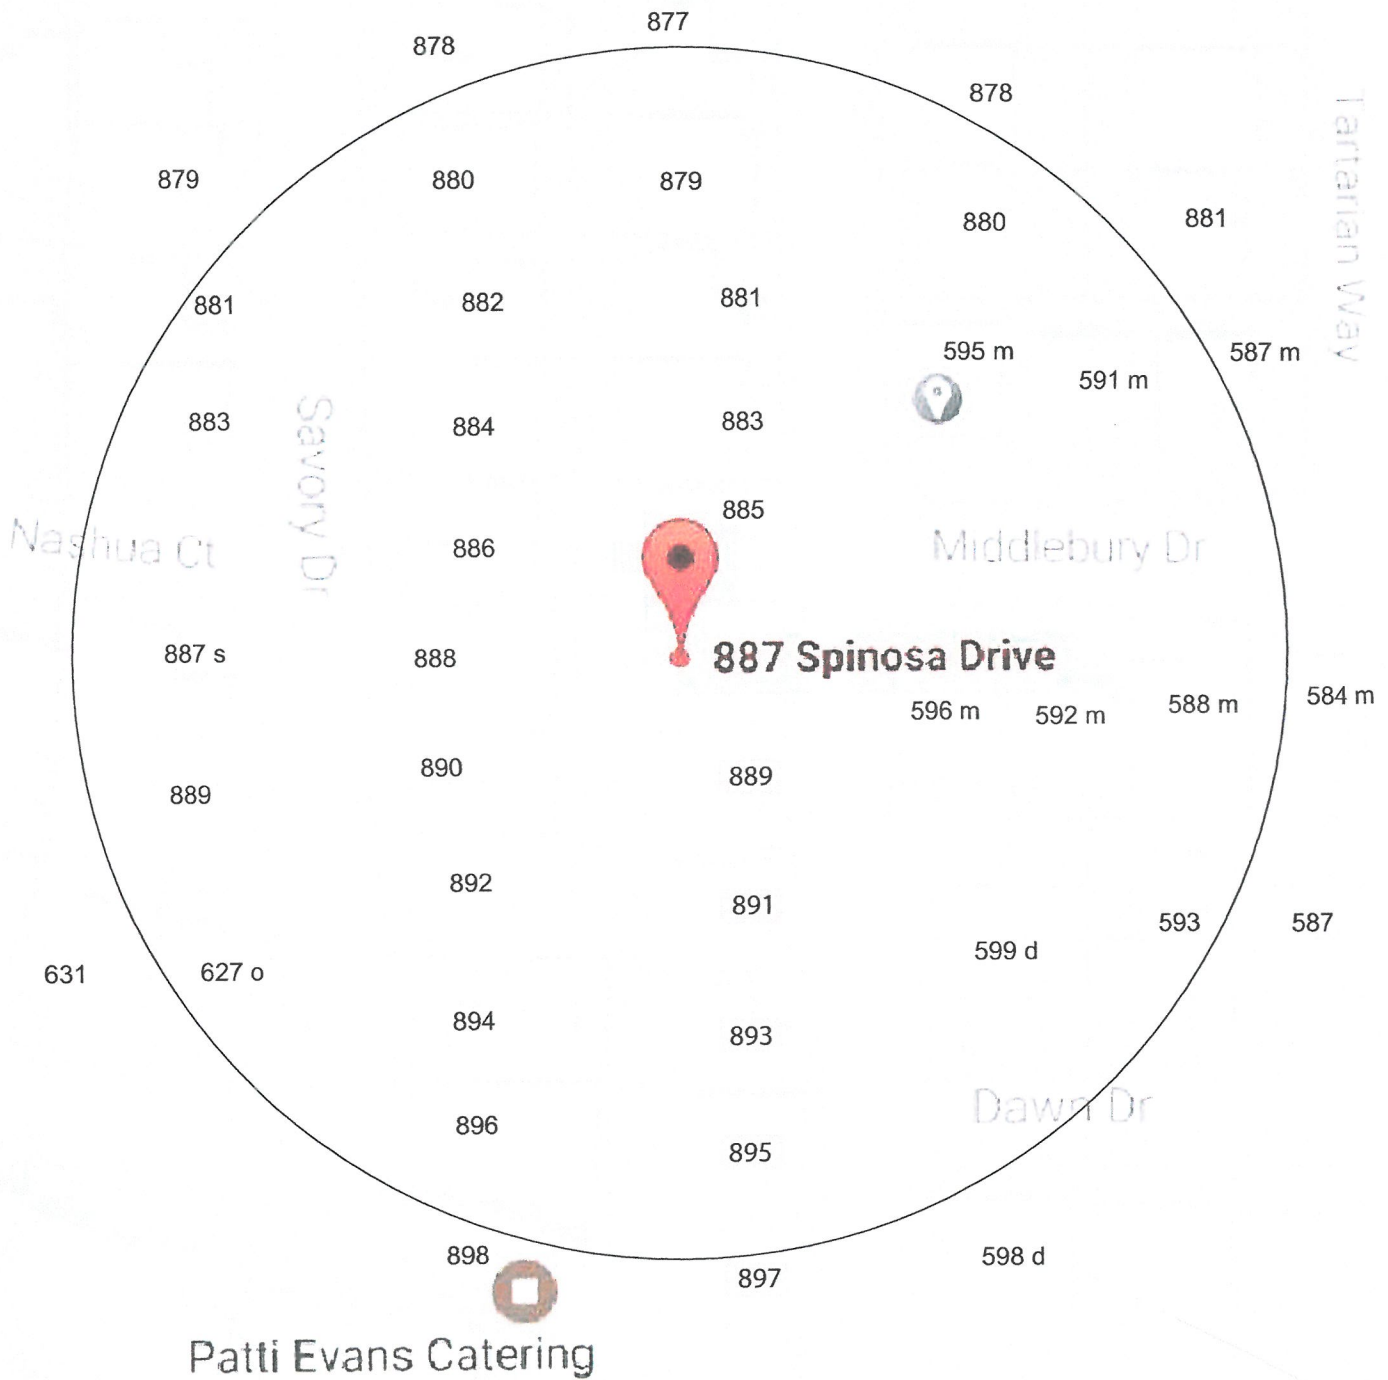

Andrew and Donna Le
