The Pay Plan for all City employees shall be administered by the City Manager in accordance with policies stated herein and in the Administrative Policy Manual and any applicable MOU. The City Manager shall issue such rules and procedures as are necessary to put the policies into effect.

7.100. HOURLY RATES. Employees in Categories A, B, C, G and L at the time of appointment are ordinarily assigned the hourly rate in the first step of the pay range. In cases where it is necessary to attract qualified personnel the employee may be assigned the hourly rate in the second or third step of the pay range. Under extraordinary circumstances, employees may be assigned to a higher step than the first step of the pay range, upon recommendation of the Department Director and approval of the City Manager.

7.105. SALARY RATES. The minimum rate at which employees in Categories D, E, K and M may be hired is 85.0% of the Control Point for that classification; the maximum is 100% of

Control Point. Appointments made above 95.0% of Control Point require recommendation of the Department Director, and approval of the City Manager for all, but Category K. Determinations on Category K employees are made by the City Attorney.

The minimum and maximum rates at which employees in Categories F may be hired are established for that classification in Exhibit "A" (posted Salary Tables). All appointments require approval of the City Manager.

7.110. CONTROL POINTS AND SALARY RANGES. MANAGEMENT. Control Points for Management classifications are as established in Exhibit "A" (posted Salary Tables). The range for each classification in Categories D, E, K and M extends from 85.0% of the Control Point up to the Control Point (100%). The range for each classification in Categories F are as established in Exhibit "A" (posted Salary Tables). The salary range from the minimum to the maximum is 20%.

7.115. DIFFERENTIAL PAY. MANAGEMENT. In the event that a pay differential of less than 15% is identified between the Control Point for a Management classification and the top step base salary for a direct-report non-management classification, a department director may recommend a pay differential of up to 15%. The differential will not be applied automatically, and an identifiable need for such differential must exist prior to providing the differential pay. All differentials require review by the Director of Human Resources and approval of the City Manager.

7.120. MERIT INCREASE. NONMANAGEMENT. Upon completion of 13 pay periods, employees in Categories A, B, C and G may be assigned the next step in the pay range to which the classification is assigned. Such merit increases shall not be approved unless the employee's work performance is acceptable. Consideration for each subsequent one step merit adjustment is given at 26 pay period intervals until the employee's hourly pay rate reaches the top step of the pay range. Increases may be granted effective with the pay period immediately following the anniversary date.

Upon completion of 6 months of continuous City service, employees in Category L may be assigned the next step in the pay range to which the classification is assigned. Such merit increase shall not be approved unless the employee's work performance is acceptable. Consideration for each subsequent one step merit adjustment is given upon completion of intervals of 12 months of continuous service until the employee's hourly pay rate reaches the top step of the pay range. Increases may be granted effective with the pay period immediately following completion of the requisite hours.

7.130. MERIT INCREASE. MANAGEMENT. Upon completion of 13 pay periods of service, employees in Categories D and K who receive an overall rating of achieves or exceeds expectations on their most recent performance evaluation may receive an increase in salary above the rate to which they were initially assigned, up to but not exceeding the Control Point.

The pay rate for employees in Categories D and K will be considered for adjustment beyond that granted after the first 13 pay periods of service following the completion of 26 pay periods from the prior increase in salary, up to but not exceeding the Control Point. Increases in salary shall be granted effective with the pay period immediately following the completion of 26 pay periods. The pay rate adjustment is subject to an overall rating of achieves or exceeds expectations on the employee's most recent performance evaluation. Increases of more than 5% require approval of the City Manager.

Upon completion of 26 pay periods of service, employees in Category F who receive an overall rating of achieves or exceeds expectations on their most recent performance evaluation may receive an increase in salary as determined by the City Manager, above the rate to which they were initially assigned, up to but not exceeding the range maximum. The pay rate will be considered for adjustment beyond that granted after the first 26 pay periods of service following the completion of an annual performance evaluation, up to but not exceeding the range maximum. The pay rate adjustment is subject to an overall rating of achieves or exceeds expectations on the employee's most recent performance evaluation. All salary increases require approval of the City Manager. For extenuating or bona fide circumstances, the City Manager may increase the salary for a Category F employee outside of the annual performance review cycle.

7.140. PROMOTION. NONMANAGEMENT. Upon promotion to a full-time non-management classification having an assigned pay range greater than the classification from which the employee is being promoted, employees in Categories A, B, C and G shall be entitled either to that hourly pay step in the pay range of the higher class which is at least 5% above the employee's current hourly step rate, or that step the employee would have received within 2 pay periods had the promotion not been made, provided the increase does not exceed the rate contained in the top salary step. Thereafter, the employee will be considered for merit increases in the same manner as other probationary employees.

Upon promotion to a regular part-time classification having an assigned pay range greater than the classification from which the employee is being promoted, the employee shall be entitled to that hourly pay step in the pay range of the higher classification which is at least 5% above the employee's current hourly step rate, provided the increase does not exceed the rate contained in the

5th salary step. Thereafter, the employee will be considered for merit increases in the same manner as other probationary employees.

7.150. PROMOTION. MANAGEMENT. Employees in Category D and E who are promoted to a classification which has been assigned a Control Point greater than the classification from which the employee is being promoted shall be entitled to assignment to a pay rate in the new salary range which provides at least 5% above the employee's current hourly rate, or the rate which the employee would have received with a meeting or exceeding expectation of performance within 2 pay periods had the promotion not been made, provided the increase does not exceed 95.0% of the Control Point for the new classification, except that upon recommendation of the Department Director and approval of the City Manager, the promoted employee's pay rate may be set at up to 100% of such Control Point. Employees in Category K who are promoted in similar circumstances shall likewise receive an increase, subject to the determination of the City Attorney. Thereafter, the employee is considered for merit increases in the same manner as other Management employees.

7.160. PROVISIONAL APPOINTMENT. The pay periods of service of a probationary or regular employee shall not be affected by a provisional appointment. Merit pay increases are to be considered as though the employee had not accepted the provisional appointment.

7.170. GRANT FUNDED EMPLOYMENT.

(a) The City may hire employees in grant-funded (limited duration) positions where the position is funded by grant funds or similar types of non-City funding sources.

(b) Job classification titles for grant-funded positions shall be distinct from job classification titles for regular positions.

(c) Prospective employees shall be informed of the duration of the appointment in the job announcement and at the time of employment, and shall be advised of and acknowledge in writing the impact of the grant-funded (limited duration) status, including that the City has the authority to terminate employment at the completion of the grant or for reduction or loss of grant funding.

(d) Unless otherwise stated by the funding source or agency, if the appointment is for a period of twelve months or more, employees in grant-funded positions shall receive the same benefits as regular employees. Employees who will be working a full-time schedule in a management classification will be included in the Sunnyvale Managers Association bargaining unit; employees who will be working a full-time schedule in a non-management classification will be included in the Sunnyvale Employees Association bargaining unit; and employees who will be working a schedule of 1,092 -1,716 hours per fiscal year will be included in the Services

Employees International Union bargaining unit.

(e) If the appointment is for less than twelve months, employees shall be employed in the unclassified service as temporary employees. Temporary employees are unrepresented, are eligible for only those benefits applicable to this category of employment, and are limited to 900 hours of work in the fiscal year.

(f) Should an employee who was originally hired to fill a grant-funded position of twelve months or more be later appointed to a regular position, his/her hire date will be the date that service commenced in the grant-funded position.

7.180. TERM LIMITED EMPLOYMENT.

(a) Term limited appointments are designed for limited duration projects, and shall not be used to displace regular bargaining unit represented positions. There shall be no adverse effect on the bargaining units, as all bargaining unit members shall continue to receive full protections under existing MOUs. The intent behind Term Limited positions is to avoid layoffs – i.e., avoid hiring and then laying off employees retained to perform work of a limited duration. The assignment of regular employees to perform work related to the limited duration project with Term Limited employees used to provide backfill for the work of regular employees shall not be considered displacement of regular bargaining unit represented positions.

(b) Term Limited positions are different from Grant Funded employment as described in 7.170 above, in that Term Limited appointments shall be tied to a budget for a specific project or projects of limited anticipated duration.

(c) Term Limited appointments must be approved by the City Manager.

(d) Term Limited appointments are “at-will” and may be terminated at any time with or without cause. Further, the City has the authority to terminate employment at the completion of the specified term, or prior to the specified term due to lack of funding or other budgetary constraints, or lack of work.

(e) Term Limited appointments shall specify their duration, and shall not exceed two years, except under special circumstances approved by the City Manager, in which case the term may be extended by no more than 1 year. Such positions are not intended to replace regular, budgeted positions. Duration in position is counted from hire date and is not based on work hours.

(f) Term Limited positions shall be subject to membership in the applicable bargaining unit and shall receive the full benefits applicable to their bargaining unit, except as limited by their “at-will” status.

(g) Prospective employees shall be informed of the duration of the appointment in the

job announcement and at the time of employment, and shall be advised of and acknowledge in writing the impact of the Term Limited status, including that the City has the authority to terminate employment at the completion of the term, or prior to the specified term due to lack of funding or other budgetary constraints, or lack of work. Prospective employees shall also be advised of and acknowledge in writing their status as at-will employees and the City's ability to terminate their employment for any reason with or without cause.

(h) At the request of any bargaining unit, the City will meet with bargaining unit representatives no less than twice a year to hear and resolve any concerns about the Term Limited program.

There shall be no more than twenty-seven (27) Term Limited employees in the SEA bargaining Unit. However, a regular SEA employee in an out of class assignment (either within or outside of the bargaining unit) shall not count against the twenty-seven (27).

7.190. SEVERANCE. Employees in Category F may be terminated or asked to resign at the discretion of the City Manager. Upon execution of a release of all claims against the City, the employee shall be eligible for severance payment. Upon separation, the employee shall be eligible for one (1) month of base salary as severance for each full year of employment with the City of Sunnyvale, with a minimum of three (3) months of salary and up to a maximum of six (6) months of salary. However, the City Manager may authorize any amount between three (3) and six (6) months as he or she determines reasonable and appropriate. The severance benefit shall not be available if the employee is terminated for serious misconduct involving abuse of his or her office or position, including but not limited to waste, fraud, violation of the law under color of authority, misappropriation of public resources, violence, harassment or discrimination. If the employee is later convicted of a crime involving such abuse of his or her position, the employee shall fully reimburse the City as set forth in the Government Code section 53243.3.

8.000. CASUAL/TEMPORARY PAY RATE ASSIGNMENTS AND STEP INCREASES. Pay rate assignments and pay step increases for Casual/Temporary employees shall be administered by the City Manager in accordance with the policies stated herein. The City Manager shall promulgate such rules and procedures as are necessary to put said policies into effect.

Casual/Temporary employees at the time of appointment are ordinarily assigned the hourly rate in the first step of the pay range; however, the department may assign employees to a higher step based on qualifications and experience, and/or specific job functions, or in cases where it is necessary to attract qualified personnel. Casual/Temporary employees may be considered for an

initial merit step increase after completion of 1040 hours of service and additional merit step increases upon completion of intervals of 2080 hours of service up to top step. However, a merit increase shall not be approved unless the employee's work performance is rated satisfactory or better. In situations where the above hour criteria for merit increases is not reasonable given the nature of a Casual/Temporary assignment, individual departments may assign a Casual/Temporary employee to the next step in the series upon completion of a minimum of 12 months of service in the current job classification and step, and a minimum number of hours worked as established by the department.

8.100. REDUCED TIME JOB STATUS PROGRAM. CATEGORY G. Designated classifications within Category G may work a reduced time work job share schedule pursuant to the provisions of the Reduced Time Job Status Program.

9.000. PAY BASIS. An eligible employee may be paid under multiple pay ranges or scheduled amounts in any given pay period, in addition to working out of class, on special assignment or under special circumstances.

10.000. EFFECTIVE DATE. Unless otherwise specifically indicated, all provisions herein contained shall be effective as of the date of posting. This version of the Salary Resolution supersedes any prior versions and amendments thereto.
