MEASURE H

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE H

This measure seeks reaffirmation of the current method of selecting a Mayor set forth in the Charter of the City of Sunnyvale. The existing Charter calls for the Council to choose by resolution from among its members one individual to serve as the presiding officer with the title of Mayor for a two year term. The Mayor participates in all proceedings and is the official head of the City for all ceremonial purposes.

A "yes" vote will retain the existing Charter language and appointive Mayor system.

A "no" vote will indicate that the current system should not be retained.

Valerie J. Armento
City Attorney

The above statement is an impartial analysis of the Charter Amendment proposed by Measure H. If you desire a copy of the Charter Amendment, please call the City Clerk's Office at 730-7483 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE H

YES MEASURE H

Sunnyvale is one of the best run cities in the nation, let's keep it that way!

Sunnyvale is recognized for excellent services, and sound fiscal management, let's keep it that way!

Sunnyvale achieved its success with a low-cost city council-city manager form of government, let's keep it that way.

A YES vote on Measure H will:

- * keep the cost of government down by insuring that the mayor can not duplicate already existing administrative staff.
- * keep the daily operations of the city in hands of the city manager, where it belongs.
- * avoid costly conflict and service disruption because of differences between a separately elected mayor and city council.
- * allow other highly-qualified councilmembers to be mayor, bringing the talents of many in the service of all.

Our current system of government has proven itself!

A separate mayor will not make Sunnyvale a better-run city. Sunnyvale does not need to become more like San Jose with a separate Mayor and a \$60 million loss. Sunnyvale does not need to become more like San Francisco with a separate Mayor and Nine Deputy Mayors. Sunnyvale needs to continue on its course of quality leadership in both the city council and city administration. Let's keep Sunnyvale one of the best run and well respected cities in the nation.

ARGUMENT AGAINST MEASURE H

VOTE NO ON MEASURE H

Measure "H" is unnecessary and a waste of ballot space. It has been placed on the ballot to confuse the voter; it is a smokescreen designed to hide a real opportunity for meaningful change.

Measure "H" is sponsored by politicians intent on deceiving and confusing the voters. Sunnyvale voters, however, are intelligent, informed citizens.

Special interests hope a lengthy, cluttered ballot of meaningless propositions will cause voters to miss Measure "L", the "Citizens' Initiative" endorsed by 13,000 Sunnyvale citizens. Do not let this happen. Locate Measure "L" on your ballot, study it, then vote yes on "L" for real political reform.

If you want real change, your action is clear: vote NO on "H", and YES on "L."

An elected mayor would be accountable to all the citizens, not just the few politicians who now pick the mayor. Sunnyvale's City Manager has said it makes no difference to him if the mayor is elected or appointed. He has worked successfully under both systems.

There are critical issues confronting Sunnyvale: toxic contamination of our groundwater, the potential conversion of Moffett Field for commercial jet aircraft, downtown redevelopment, the preservation of our single family neighborhoods. We need an elected mayor who can provide real leadership on these important issues.

Sunnyvale needs continuity of leadership in the mayor's office, increased accountability from our elected representatives, a break-up of the "back room buddy system", and a government more open and responsive.

Sunnyvale is successful because its leadership has responded positively to reasonable change. It is time the mayor of Sunnyvale be elected by a vote of all the people.

VOTE NO Measure H; it is meaningless.

VOTE YES Measure L; it is essential.

MEASURE I

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE I

Charter Section 601 currently provides that: Councilmembers are elected at large for four year terms, each office is a separate office, no person shall be a candidate for more than one elective office, no incumbent shall be a candidate for a seat other than the one they hold, there are seven designated seats, and there is a limit of two successive four-year terms. No specific language deals with how long someone who has served two successive terms must wait before being eligible to hold office again. Based upon other Charter provisions, it has been interpreted that an individual who has served for two successive terms must wait two years before being eligible to serve again. This measure specifies that the break in service must be four years.

A "yes" vote will add the requirement to the Charter that there must be a four year break after two successive terms of service on the Council.

A "no" vote will not amend the Charter and will continue the interpretation requiring a two year break after two successive terms of service on the Council.

Valerie J. Armento
City Attorney

The above statement is an impartial analysis of the Charter Amendment proposed by Measure I. If you desire a copy of the Charter Amendment, please call the City Clerk's Office at 730-7483 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE I

Presently Sunnyvale's City Charter limits terms of Councilmembers to two consecutive four year terms. The Charter does not clearly define the time a Councilmember must wait after serving his/her two terms before being able to run again. This measure would require past councilmembers that have served their consecutive two terms or eight years to wait four (4) years before being eligible to run again for a council seat.

A YES vote on Measure I will:

- * Stop the two term, two year off, revolving door, professional politician from becoming entrenched in Sunnyvale's Government.
- * keep Sunnyvale government open to more citizen involvement and participation, allowing new faces and new ideas to emerge.
- * Keep campaign spending down by making it more difficult for career politicians to return to office.

Limit opportunities for professional politicians to dominate Sunnyvale politics and profit from special interest. VOTE YES ON MEASURE I.

MEASURE J

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE J

This measure proposes that in Section 603 pertaining to compensation, the amount deducted from a Councilmember's salary for missing a meeting would be changed from \$25.00 to 20% of the monthly salary per meeting missed. The 20% is currently equivalent to approximately \$160.00 and would increase proportionally whenever Council salaries increase. The measure also would authorize the Council to excuse absences for other than official business and would provide that each Councilmember is entitled to four personal leave days, a new benefit.

A "yes" vote would increase the penalty for missed meetings but permit the Council to excuse absences and provide Councilmembers with personal leave.

A "no" vote would keep the current \$25.00 penalty for all absences other than those involving official business.

Valerie J. Armento
City Attorney

The above statement is an impartial analysis of the Charter Amendment proposed by Measure J. If you desire a copy of the Charter Amendment, please call the City Clerk's Office at 730-7483 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE J

Today Sunnyvale Councilmembers are docked \$25.00 for missed meetings. A Yes vote on Measure J will increase that deduction to 20% of their monthly salary. The current deduction would be \$160. The percentage increases the deduction as salaries are increased. This measure also provides for sick leave and excused absences.

A YES VOTE ON MEASURE J will:

- * Hold Councilmembers accountable for their attendance at city council meetings.
- * Exact a heavier penalty for unexcused missed meetings, deducts a \$160 for each meeting missed. This is 20% of their present salary.
- * Provide for automatic increases in those penalties as councilmember salaries are raised, eliminating the need for future changes in the city charter.
- * Provides Councilmembers with standard sick/excused leave benefits which are normally available to both public and private sector employees.

ARGUMENT AGAINST MEASURE J

VOTE NO MEASURE J

- * Say No to politicians who want more pay for less work
- * Say No to councilmembers who fail to attend city council meetings
- * Say No to higher costs and lower productivity
- * Say No to Measure J
- * Say Yes to Measure L the only honest reduction in pay for councilmembers who fail to attend official meetings.

Sunnyvale City Councilmembers should not be paid for missing council meetings. Councilmembers already receive 12 weeks off with pay, annually. Twelve weeks, spread evenly over the calendar year.

Measure J sponsored by the City Council would add an additional four weeks of paid vacation for each councilmember. Had enough? Your city council's arrogance doesn't stop there. Measure J also permits unlimited paid leave to any councilmember if they can get three councilmembers to agree... the proverbial "fox watching the hen house"...councilmembers approving their own paid absences.

The same "buddy system" of backroom politics that currently appoints your Mayor, would now allow these same councilmembers to get together and approve their own paid leave at taxpayers expense.

Sunnyvale citizens must live within their means and so should their elected representatives. Its only fair. If politicians don't come to work, they shouldn't get paid. Simple enough.

We can change the defective system that enabled former mayor Brian O'Toole to collect 90% of his salary while not stepping foot in City Hall for two months.

There is an alternative. **Measure L** increases the penalty for missing an official meeting from a paltry \$25 to a reasonable \$150. Measure L is fair, honest, straight forward, and doesn't try to deceive the voters. Measure L doesn't include slick gimmicks and self serving give-aways. Measure L makes Councilmembers accountable for their attendance and their salary.

VOTE YES **MEASURE L** "The Citizens Initiative".

VOTE NO **MEASURE J**.

MEASURE K

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE K

Charter Section 604 deals with vacancies. The measure modifies the section to clarify the process of declaring vacancies and authorizes the Council to fill a short-term vacancy created by the involuntary removal of a member by appointment rather than by requiring a special election. The measure also provides that no election shall be held the day before, day of, or day after a state holiday, consistent with state law.

A "yes" vote will make these technical revisions to the Charter.

A "no" vote will result in the Charter remaining unchanged.

MEASURE L

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE L

This initiative comprehensively changes the Charter of the City of Sunnyvale to establish an elected Mayor. There would not be a change in the Mayor's powers or functions, but the Mayor would no longer be selected by the Councilmembers from among its members.

Charter Section 600 now establishes a Council composed of seven members. Passage of the initiative would change the composition of the Council to six Councilmembers and a Mayor.

Charter Section 601 currently provides that: Councilmembers are elected at large for four year terms, each office is a separate elective office, no person shall be a candidate for more than one elective office, no incumbent shall be a candidate for a seat other than the one they hold, there are seven designated seats, and there is a limit of two successive four year terms. Under the proposal, a Special Election would be held in June 1992 to elect a Mayor whose initial term would end with the General Election in November 1993; thereafter the Mayor's term would be four years. The office of Mayor would be a separate office. No person could hold more than one elective office. An incumbent Councilmember could be a candidate for Mayor. Council seats are redesignated to create a Mayor's seat. The Mayor's seat and two Council seats would be for four year terms commencing with the General Election in 1993. Four Council seats would be on a four year cycle commencing with the General Election in 1991.

Charter Section 602 presently requires candidates to be registered voters. The initiative transfers this requirement to Section 601 and transfers from Section 601 to this section term limitation provisions. An individual would be allowed to serve two consecutive terms as a Councilmember and two consecutive terms as Mayor. No person who has served as the elective Mayor can be a candidate for the office of Councilmember without stepping down from the Council for at least two years.

Charter Section 603 pertaining to compensation would raise from \$25.00 to \$150.00 the amount deducted from the Councilmember's or Mayor's monthly salary for meeting absences not related to official business.

Charter Section 604 deals with vacancies. It is expanded to address the issue of a vacancy in the office of Mayor.

Charter Section 605 presently provides the Council selects one member to preside for two years. The initiative replaces this section with an elected Mayor. Either way the Mayor is the presiding officer, has a voice and a vote in all proceedings, is the official head of the City for all ceremonial purposes and performs duties consistent with the Charter and the office.

Charter Section 606 relating to the position of Vice-Mayor continues to provide that the Vice-Mayor performs the duties of the Mayor during the Mayor's absence or disability. Charter Section 1800 is a definitional section.

A "yes" vote will make the Charter changes described above establishing a directly elected Mayor.

A "no" vote will retain the existing Charter language and appointive Mayor system.

Valerie J. Armento
City Attorney

ARGUMENT IN FAVOR OF MEASURE L

VOTE YES MEASURE L "The Citizens Initiative"

- It's time for the mayor that represents all the citizens, be elected by all the citizens.
- It's time to stop rewarding councilmembers who miss official meetings and reduce their pay when they fail to show up.
- It's time to abandon the archaic system of appointing our Mayor in favor of the contemporary system of electing our mayor.
- It's time to say no to the "buddy system" where councilmembers bargain for the coveted title of mayor in backrooms of City Hall.
- It's time to make Sunnyvale political leadership more accountable to the people and less accountable to special interests.
- It's time to support the 13,000 Sunnyvale citizens who signed the elected mayor petition.

The people of Sunnyvale deserve strong, accountable leadership only an elected mayor can provide.

Sunnyvale appointed 11 mayors in the past 10 years . . . three in a single year. More than 139 California cities, large and small, elect their mayor; 130% increase in ten years.

As the sixth largest city in the Bay Area, Sunnyvale's the only city that still appoints the mayor. Four neighboring cities in Santa Clara County elect their mayor.

Measure L would not change the power or authority of Sunnyvale's mayor. The relationship between the mayor and the city manager would remain the same.

A well-managed city like Sunnyvale, is at a disadvantage in dealing with other levels of government. The mayor who speaks for Sunnyvale today in Sacramento, Washington D.C. or our region, is gone tomorrow. Sunnyvale's "revolving door" mayor is simply outdated.

There's a leadership vacuum at City Hall. Last year's garbage franchise debacle, toxic contamination of our groundwater, the light rail controversy, downtown redevelopment, and possible conversion of Moffett to jet aircraft, all require strong accountable leadership.

Vote yes on Measure L "The Citizens Initiative."

ARGUMENT AGAINST MEASURE L

For over 75 years our system of government in Sunnyvale has worked. From time to time individuals decide they don't like the system. They want to change it to put

more power or authority into the hands of one person and bring unnecessary politics to city government. Why should we change a proven form of government. Who stands to benefit — the taxpayers or the elected mayor?

A separately elected mayor will cost the taxpayers more, particularly in staffing. A separately elected mayor in San Francisco now needs the help of nine deputy mayors to get the job done.

A separately elected mayor is not more accountable. A separately elected mayor in San Jose witnessed the city losing \$60 million.

A separately elected mayor provides no greater political benefit. The people of Santa Clara and Milpitas have not received any benefits from the federal, state and county governments because they separately elect their mayor.

However, a separate mayor could bring harm and additional costs to a system that now works well!

- It would attract special interest money into the election process.
- It could disrupt the daily operations that make Sunnyvale one of the best run cities in the nation.
- It would irrevocably change the current system of collective leadership that gives Sunnyvale international recognition.
- It would encourage personal ego to rule over the public good.

The City of Sunnyvale has a proven track record of excellence, cost effectiveness, and innovation. Change is wrong if it is for the sake of change, or to benefit elected officials. Let's make the right choice for our future. **VOTE NO ON MEASURE L.**

MEASURE M

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE M

This measure proposes revisions to two sections of the Charter to provide that if there is a separate office of Mayor which is filled by direct election, then in order to be elected to that office a candidate must win by a majority of the votes cast. If no candidate obtains a majority of votes, then the two candidates with the highest number of votes will be required to participate in a runoff election. This measure can only become effective if the directly elected mayor measure is adopted and this measure receives a higher number of votes.

A "yes" vote will impose the requirement that in order to be elected to the office of Mayor a candidate would have to receive a majority of the votes cast.

A "no" vote would permit elections to be governed by plurality votes and not require runoffs.

City Attorney

ARGUMENT IN FAVOR OF MEASURE M

If Measure M passes, a YES vote on this measure ensures that a directly elected mayor wins by a clear majority vote of Sunnyvale Citizens.

A YES vote on Measure M will:

- * Guarantee that the majority will of the people is expressed.
- * prevent the election of a candidate with less than 50% of the vote.

Should the city ever have an elected mayor, let's ensure an election process in which that mayor is chosen by the majority of Sunnyvale citizens. VOTE YES ON MEASURE M.

- Substantially increase the cost of seeking public office in Sunnyvale.

- Needlessly double the number of elections for the same office.
 - Give incumbents an advantage over challengers.
 - Increase the influence of the special interests and their huge political budgets, on Sunnyvale elections.

1. Section 600 of Article VI is amended to read:

Section 600. Elective Officers of the City. The elective officers of the City shall consist of a City Council composed of seven members. ~~Prior to a Special Municipal Election to be held in June, 1992, and the seating of a Mayor elected at that election, the City Council shall consist of seven Councilmembers.~~ Commencing with the Special Municipal Election held in June, 1992 and the seating of a Mayor elected at that election, the City Council shall consist of six Councilmembers and a Mayor.

2. Section 601 of Article VI is amended to read:

Section 601. Term and Election. ~~Except as otherwise provided,~~ Each member of the City Council, including the elective Mayor, shall be elected from the City at large at the General Municipal Election for a term of four years from and after the Tuesday next following the member's election, and until a successor is elected and qualified. ~~Provided, however, that a~~

(L)

Special Municipal Election shall be conducted in June, 1992, a Mayor shall be elected, and the Mayor's initial term shall commence on the Tuesday next following the Mayor's election and extend until the Tuesday after the next General Municipal Election and until a successor is elected and qualified. The term of each Councilmember in office ~~at the adoption of this amendment, or~~ at the time of any change in the date for the election of governing board members of elementary school districts, shall be increased or decreased to the extent necessary to allow the General Municipal Election at which the seat occupied by such Councilmember is to be filled, to be held concurrently with such school district election.

The office of each member of the Council, including that of elective Mayor, is a separate elective office to be separately filled at any election.

No person shall be a candidate for more than one elective office. ~~No person may hold more than one elective office.~~

No incumbent member of the Council shall be a candidate for a Council seat other than the one which that person then holds; provided, however, that except as otherwise specifically provided in this section, an

incumbent Councilmember shall not be prohibited from being a candidate for the office of elective Mayor.

~~No person shall be eligible to serve as a member of the Council for more than two (2) successive four-year elective terms. Any person who fills an unexpired term of not more than two years in length shall, however, be eligible to serve two (2) successive four-year elective terms after the expiration of the unexpired term which he/she filled.~~

No person shall be eligible to hold office as a member of the City Council unless he/she shall be a registered voter of the City at the time of his/her nomination or appointment.

The person receiving the highest number of all the votes cast for a particular elective office at any election shall be deemed and declared elected to that office.

Prior to the General Municipal Election held in the year 1991, eEach Council seat shall be designated by a number from 1 through 7 and shall be known as "Councilmember Seat Number....." Prior to the General Municipal Election held in the year 1991, the terms of office and time of election shall be governed by the terms of this Charter prior to the amendment providing

for an elective Mayor.

Commencing with the General Municipal Election held in the year 1991, Councilmember seat number 3 shall be redesignated as Councilmember seat number 7 and the remaining Councilmember seats shall be designated by a number from 1 through 6 and each shall be respectively known as "Councilmember Seat Number....." Such redesignations shall occur on the Tuesday next following the General Municipal Election in 1991. Seats numbered 1 and 2 shall be filled at the General Municipal Election held in the year 1993, and every fourth year thereafter. Persons holding seats numbered 1 and 2 at the time that this amendment is approved shall be deemed the incumbents of and shall continue in office in those seats until the General Municipal Election in 1993.

That certain seat numbered 3 as of the General Municipal Election in 1991, and redesignated thereafter as seat number 7, shall not be filled at such election, but shall cease to exist when the Mayor elected at the Special Municipal Election in June, 1992, assumes office. After the Special Municipal Election in June, 1992, seat number 7 shall be filled by the elected Mayor and be redesignated as "the Mayor's Seat" on the Tuesday next following the Special Municipal Election in June, 1992, and the term of the Councilmember for

1

seat number 7 shall thereupon expire. This will cause the person occupying seat number 7 to serve less than a four year term that commenced after the Municipal General Election in 1989. The Mayor's Seat, subject to the initial term specified hereinabove, shall be filled at the General Municipal Election held in the year 1993, and every fourth year thereafter.

Those seats numbered 4, 5, 6 and 7 as of the General Municipal Election in 1991 shall be renumbered 3, 4, 5 and 6, respectively, after such election. Persons elected to held seats numbered 4, 5, 6 and 7 at the time of the General Municipal Election held in 1991 shall be deemed the incumbents of those seats as subsequently redesignated respectively. The renumbering of these seats shall not be deemed to create a break in service or a new term for the holders of said seats, it being the intent solely to redesignate existing offices to maintain the sequential numbering of the seats. Said seats numbered 4, 5, 6 and 7, and as renumbered 3, 4, 5 and 6, shall be filled at the General Municipal Election held in the year 1991 and every fourth year thereafter.

The designation given to each elective office shall be used in all elections, nomination papers, certificates of election, and all other papers pertaining to such office, and to designate the

incumbent of such office.

~~Seats numbered 1, 2, and 3 shall be filled at the General Municipal Election held in the year 1977 and every fourth year thereafter. Seats numbered 4, 5, 6, and 7 shall be filled at the General Municipal Election held in the year 1979 and every fourth year thereafter.~~

3. Section 602 of Article VI is amended to read:

Section 602. ~~Qualifications. No person shall be eligible to hold office as a member of the City Council unless he/she shall be a registered voter of the City at the time of his/her nomination or appointment.~~

Limitation of Terms. For purposes of this section only, the term "Councilmember" shall not be deemed to include the office of elective Mayor, or the person holding such office.

(a) No person shall be eligible to serve as a Councilmember for more than two (2) successive or overlapping four-year elective terms. Except as otherwise provided herein, a person shall be considered to have served a four-year term if he/she served all or any portion of such term. Any person who fills an unexpired term of not more than two years in length shall, however, be eligible to serve two (2) successive or overlapping four-year elective terms after the

expiration of the unexpired term which he/she filled. The prohibition contained in this subsection shall be deemed to limit a person's eligibility to be a candidate for the office of Councilmember only and shall not restrict the eligibility of a person for the office of elective Mayor.

(b) No person shall be eligible to serve as elective Mayor for more than two (2) successive four-year elective terms; provided, however, that except as otherwise provided herein, a person shall be considered to have served a four-year term if he/she served all or any portion of such term. Any person who fills any initial or unexpired term of not more than two years in length shall, however, be eligible to serve two (2) successive four-year elective terms after the expiration of the unexpired term which he/she filled.

(c) No person who has served all or a portion of a term as elective Mayor shall be a candidate for the office of Councilmember at any election earlier than the next General Municipal Election after the expiration of the full four-year term, all or part of which was served by that person. No such person shall be eligible to serve as a Councilmember by appointment earlier than said election.

4. Section 603 of Article VI is amended to read:

Section 603. Compensation. In addition to reimbursement for necessary traveling and other expenses actually incurred when on official duty in or out of the City on order of the city council, each member of the City Council shall receive as salary, each month, that sum which has been established by the State Legislature for members of the City Councils of general law cities having that population range within which the City of Sunnyvale falls, all as is specified in Government Code § 36515 as it now exists or may hereafter be amended to read, and the Mayor shall receive as salary, each month, a salary equal to 133-1/3% of that established herein for Councilmembers. In order to provide a cost of living adjustment, the salaries provided herein shall be increased annually, effective January 1 of each year, by the amount permitted for general law cities by Government Code §36516(c), as may hereafter be amended. If a member of the City Council, or the Mayor, does not attend all meetings of the City Council or study sessions called on order of the City Council and held during the month, his/her salary for such month shall be reduced by the sum of ~~\$25.00~~ **\$150.00** for each meeting or study session not attended unless he/she is absent on official duty with the consent of or on order of the City Council.

5. Section 604 of Article VI is amended to read:

Section 604. Vacancies. Except as otherwise provided herein, in the event of a vacancy in the City Council, including a vacancy in the office of elective Mayor, from whatever cause arising, the City Council shall call a Special Municipal Election for the purpose of filling such vacancy. In the event of a vacancy in the City Council, other than in the office of elective Mayor, created by the death of a member, where the unexpired term of the deceased member does not exceed one hundred and eighty (180) days, the City Council shall, within sixty (60) days after such office shall have been declared vacant, fill such vacancy by appointment. Should the Council fail to fill the vacancy within the 60-day period, it shall treat such vacancy in the same manner as one created by a cause other than death.

In the event of a vacancy in the office of elective Mayor, where the unexpired term does not exceed one hundred eighty (180) days, the City Council may, within thirty (30) days after such office shall have been declared vacant, either call a Special Municipal Election for the purpose of filling said vacancy or select one of its members as its presiding officer, who shall have the title of Mayor. Any such Councilmember appointed as presiding officer and designated Mayor shall retain his/her seat and status as a Councilmember and shall not be deemed to hold the

office of elective Mayor for any purpose, including but not limited to, designating incumbency in any election and calculating successive or overlapping term limitations. Pending the appointment of a presiding officer or election of a new Mayor, or in the event the City Council shall fail to exercise either option within the thirty-day period, the Vice Mayor shall perform the duties of the Mayor until the election and qualification of a new Mayor.

Any Special Municipal Election called to fill an unexpired term shall be held within one hundred and twenty (120) days from the date the Council declares the vacancy to exist. The Council shall promptly declare or take the required steps to declare the existence of the vacancy. Such special election shall be consolidated with a general municipal or statewide election if a municipal or statewide election is scheduled within one hundred and eighty (180) days from the date that the vacancy is declared. As used herein, the next general municipal or statewide election means the next such election at which it is legally possible to place the matter on the ballot and elect a successor.

Any person elected or appointed to fill a vacancy shall serve for the remainder of the unexpired term and until his/her successor is elected and qualified.

In addition to any other cause from which vacancies in the City Council may occur, the office of a member of the City Council, including the elective Mayor, shall become vacant and it shall be so declared by the Council where such member is absent from all regular meetings of the Council for a period of sixty (60) days consecutively from and after the last regular Council meeting attended by such member, unless by permission of the Council expressed in its official minutes; or such member is convicted of a crime involving moral turpitude; or he/she ceases to be an elector of the City of Sunnyvale or ceases to maintain his/her principal place of residence within the City limits during his/her term of office.

6. Section 605 of Article VI is amended to read:

Section 605. Presiding Officer. Mayor. ~~At its first regular meeting following each General Municipal Election, the City Council shall select one of its members as its presiding officer, who shall have the title of Mayor. Such selection shall be by resolution of the City Council. The Mayor shall have a voice and vote in all its proceedings. He/she shall be the official head of the City for all ceremonial purposes. He/she shall perform such other duties as may be prescribed by this Charter or as may be imposed by the City Council consistent with his/her office. The Mayor~~

1

~~shall serve in such capacity for a term of two years from and after the Tuesday following the General Municipal Election after which the appointment is made, and until a successor is selected, provided, that a person can continue to serve in the capacity of Mayor only while that person remains as a member of the City Council. In the event of a vacancy in the office of Mayor, the City Council shall select one of its members to serve as Mayor for the remainder of the unexpired term.~~

~~The Mayor may be removed from such office prior to expiration of his/her two year term only by a resolution of the City Council adopted by the affirmative votes of at least five members of the City Council. Prior to such action the City Council shall adopt a resolution stating its intention to consider such removal and the reasons for such removal. The resolution removing the Mayor shall also contain a final statement of the reasons for removal and may not be adopted within five days of the adoption of the resolution of intention.~~

~~If the voters of the City of Sunnyvale approve the amendment to this section to provide a two year term for the Mayor at the General Municipal Election in the year 1987, then the first selection of a Mayor under the provisions of this section shall occur at the first~~

~~regular meeting of the City Council following the effective date of said amendment. The person selected as Mayor shall serve for the remainder of the two year term and until a successor is selected in accordance with the terms of this section.~~ Prior to the Special Municipal Election held in June, 1992, the City Council shall select one of its members as presiding officer, who shall have the title of Mayor, and who shall serve in such capacity at the pleasure of the City Council.

Commencing with the Special Municipal Election held in June, 1992, there shall be an office of Mayor which shall be a separate and distinct office elected as such from the City at large, as provided by this Charter. The Mayor shall be the presiding officer of the City Council.

The Mayor shall have a voice and vote in all proceedings of the City Council. He/she shall be the official head of the City for all ceremonial purposes. He/she shall perform such other duties as may be prescribed by this Charter or as may be imposed by the City Council consistent with his/her office. Except as expressly provided otherwise in this Charter and other applicable law, the powers, authority and duties of the Mayor, whether selected by the City Council or elected, shall be the same as those of other members of the Council. Any limitations on the powers and authority

of members of the Council contained in this Charter or other law including but not limited to those contained in Section 807 of this Charter, shall be applicable to the Mayor.

7. Section 606 of Article VI is amended to read:

Section 606. Vice Mayor. The City Council shall also designate one of its members as Vice Mayor. The Vice Mayor shall perform the duties of the Mayor during his/her absence of disability.

8. Section 1800 of Article XVIII is amended to read:

Section 1800. Definitions. Unless the provision or the context otherwise requires, as used in this Charter:

(a) "Shall" is mandatory and "may" is permissive.

(b) "City" is the City of Sunnyvale and "department," "board," "commission," "agency," "officer," or "employee," is a department, board, commission, agency, officer or employee, as the case may be, of the City of Sunnyvale.

(c) All references to gender shall be to both the masculine and feminine gender; such objective may be

accomplished through the use of a slash mark between the masculine and feminine pronouns such as "he/she" or "him/her." Any reference in this Charter to "man" as a suffix indicative of the masculine gender shall be stricken out and replaced by either "member" or "person."

The changes incorporated in paragraph (c), immediately above, shall be reflected throughout this Charter in the next official printing thereof.

(d) Commencing with the Special Municipal Election held in June, 1992, all references to the words, phrases, or terms "Member of the City Council," "Council member," "Councilmember," "City Councilmember," and "member" with reference to the City Council, shall be construed to refer to both the Mayor and each of the six Councilmembers, as specified in Section 600, except where a contrary intent is expressly stated or clearly required by the context, and the term "City Council" shall be construed to refer to the body composed of the Mayor and six Councilmembers. At said time, this definition shall apply similarly to all codes, ordinances, resolutions, policies, regulation and similar documents of the City without requiring the formal amendment of each such document individually.

Text of Proposed Amendments to Charter Sections 601 and 1400 to
Require a Majority Vote for Election to the Office of Elective
Mayor and Runoff Elections if Needed

The sixth paragraph of Section 601 would need to be revised as follows:

Section 601. Term and Election.

. . . .

The person receiving the highest number of all the votes cast for a particular elective office at any election shall be deemed and declared elected to that office, except that an elective Mayor must receive a majority of all votes cast. In any instance where no mayoral candidate receives a majority of all the votes cast, a runoff election shall be held between the two candidates receiving the highest number of votes.

. . . .

Section 1400. General Municipal Elections. There shall be a General Municipal Election to fill elective offices in the odd-numbered years on the date established under General Law for the election of governing board members of elementary school districts. If the office of Mayor remains unfilled after the election because no candidate received a majority of all votes cast for the office at the election, then a runoff election shall be held for the purpose of filling the office of Mayor. The two persons who received the highest number of votes for that office shall be the

(M)

only persons whose names shall appear on the ballot and be eligible to receive votes as candidates for that office at the following runoff election. When a runoff election is required due to failure of a mayoral candidate to obtain a majority of votes at a General Municipal Election, the runoff election shall be held on the second Tuesday of January immediately following the General Municipal Election. If a runoff election is required as a result of a failure of a mayoral candidate to obtain a majority of votes at a Special Municipal Election, another Special Municipal Election shall be called in accordance with the provisions of the Elections Code.
