The Oregon NASPO ValuePoint Master Agreement Number 8496 is hereby incorporated by reference. Product categories included under this Participating Addendum are identified in Section 6
- B. This Participating Addendum is available for use by California state agencies and political subdivisions/local governments. For the purposes of this agreement, a political subdivision/local government is defined as any city, county, city and county, district, or other local governmental body or corporation empowered to expend public funds.
- C. Each political subdivision/local government is to make its own determination whether this Participating Addendum and the Oregon NASPO ValuePoint Master Agreement are consistent with its procurement policies and regulations.

2. TECHNICAL SPECIFICATIONS

Technical specifications apply to both state and local government and include recently implemented state regulations. Suppliers shall comply with all laws, regulations and technical specifications provided herein.

- a. Agencies are to buy EPP products whenever they meet the agencies' needs while considering factors such as cost, performance and availability. Examples of EPP products are listed in the Department of General Services Purchasing Standards, and include but are not limited to janitorial cleaners, janitorial paper products, LED lamps, office desk lamps, seating, and televisions.
- b. Environmental benefit claims concerning products or services must be consistent with the Federal Trade Commission's Guidelines for the Use of Environmental Marketing Terms. Product environmental claims are to include the industry standard the product meets and certifier. A copy of the certification must be supplied upon request if it is not publically available for verification. Products claiming environmental benefits must

include the industry standard it meets within the catalog product description.

- c. Thermostat products must be Energy Star certified (https://www.energystar.gov/products/heating_cooling/programmable_thermostats).
- d. At the request of the purchaser, contractor shall provide the minimum percentage by weight, if not the exact percentage, of recycled content in each of the products and associated shipping/packaging materials sold. The recycled content shall include both post-consumer recycled content (PCRC) and pre-consumer (post-industrial) recycle content percentages. All products sold to State Agencies shall include the recycled content, both RC and PCRC for each item purchased. Products compliant with State Agency Buy Recycled Campaign (SABRC) PCRC minimums shall be identified in the catalog product description as "SABRC Compliant". SABRC eligibility is dependent on products meeting the minimum PCRC per product category as defined in PCC§12209. See Cal Recycled SABRC Program requirements for suppliers.
- e. Consumer products containing volatile organic compounds (VOC) shall be compliant with the laws and regulations for reducing the emissions of consumer products. Contractor is required to report sales in accordance with this regulation. [Title 17 California Code of Regulations Sections 94507-94517. (17CCR§ 94507-94517)] See Regulations for Reducing Emissions in Consumer Products for further information. VOC containing products shall identify the percent VOC by weight in the catalog product description and where available, the Global Warming Potential (GWP) for multipurpose solvents and paint thinners.
- f. Indoor air cleaning devices not in compliance with the regulation for Limiting Ozone Emissions from Indoor Air Cleaning Devices] are prohibited for sale in the state of California. Prohibited products shall be identified as "Does not meet California Requirements, cannot be shipped to California." Exempted products shall state the reason the exemption applies i.e. "Solely for industrial use. Potential health hazard: emits ozone." [17CCR§94800- §94810]. Further manufacturer and distributor information can be found at: <http://www.arb.ca.gov/research/indoor/aircleaners/manufacturers.htm>.
- g. Aerosol Adhesives for consumer, industrial and commercial uses shall comply with the aerosol adhesive standards as specified in HSC§41712. Only adhesives and sealants that are South Coast Air Quality Management District (SCAQMD), Rule #1168 and Bay Area Air Quality Management District (BAAQMD), Rule #51 compliant shall be sold to state agencies Aerosol Adhesives SCAQMD and BAAQMD compliant shall be identified and the VOC (weight per volume/grams per liter) provided within the catalog product description.
